We have no new members this month. Total membership is 52. Kathy sent a renewal reminder on 11/14/2026, and has submitted a reminder article for The DripLine.

Past Events
The Green's, Chris Kimberly and Peevyhouse's all participated in a Trunk or Treat at Green's church. It was super fun!!

Mike Piper also participated in a Trunk or Treat. His grandchild's preschool uses a Greenbriar as their school bus. Mike Piper was able to park by the Greenbriar. They had a lot of interest.

John Green & Tony Lawler went to an RPM and Roast in Parker. There weren't a lot of cars, but there was a wide variety of cars there.

Jon Faires took his car to school for their Outsider's Day.

New Business
The December meeting will be held during our Christmas party. ***Officer elections will be held at the party***. We will also gather Toys for Tots gifts.

There was some discussion about the Fanbelt Toss in Palm Springs. Many members are interested in possibly renting a car hauler for the Corvairs, then driving out in brand X's.

Jerry Peevyhouse shared information about Jackson Kull (John & Linda's son). He is being treated for Leukemia in Aurora. They live in Grand Junction, and one of them comes to stay with him in Aurora every two weeks. He is undergoing chemotherapy to prepare for engineered CAR-T cells that will hopefully mean no more chemotherapy. This is a new treatment which shows great promise.

The club's 50th anniversary is September 27, 2027. If anyone has ideas for a party, please let John Green know.

We are in need of volunteers for next year's officers. Please let us know if you are interested in any of the Board positions. We would really *love* to have others who would like to serve. All of the Board positions are pretty easy and don't take much time. Please consider stepping up.

Kristal Harrison has agreed to continue doing The DripLine. There was a round of applause for this information!

Tanya Boudreau asked about club sweatshirts. Jon Faires indicated that the person he worked with previously has the designs. Jon will touch base with her, have her put together a little flier, and throw out an email to see who all might be interested.

50/50 was won by Jerry Peevyhouse ($33). The club received $32.

Tech Talk
Tony helped John Green put in a new points plate. The car is running pretty well.

Tony is now working on Jeff & Tanya's car.

Tony is the keeper of the carburetor balancing tool previously owned by Ken Schifftner. He is willing to help anyone who might be interested. He will bring the tool to the Christmas party if anyone wants help.

Jerry Peevyhouse did some routine maintenance on his Corvair. He did some work on his spark plugs. He also did some work on his brakes, and everything seems to be running well. He also got a new taillight socket from Duane Hayes.

Randy Karls '68 is back on the road! He had some issues with shifting and lengthened the shift line and it works well now.

Coda wandered around the room and got lots of pets.

Diane Tweedy-Lawler moved we adjourn, John Lark seconded. Unanimously approved. **Meeting adjourned at 10:22 a.m.**
