

PARKING LOT SHOW

Tuesday June 4, 2013
Pontiac / Waterford Elks Club
Spring Dust Off Parking Lot Show

Bring your Corvair to the Elk's Club. Enjoy daylight savings time and have dinner, a short business review and spend some time outside. A few of you may have done some work on your car during the winter and would like to share improvements and knowledge, and some, like me, will just add some fresh gas and hope for the best. Ice cream down the street after the show from **Pete Cimbala**

2nd Saturday Breakfast

The continuations of the wildly popular 2nd Saturday Breakfast Event will meet again at Markos Cozy Diner, 27140 Plymouth Road (1 block East of Inkster Road), Redford, MI. Meet there on June 8th at 9:00 a.m. After breakfast we can go next door to North American Classic Cars to see what's new with the old cars.

Meet us there at 9 AM. Corvairs are optional but appreciated.

ATTENTION!!! ATTENTION!!!

Homecoming registration

Due to the large volume of registrations that had to be paid at the hotel, the board decided when a registrant pre-paid they would receive a \$5.00 discount. When you arrive, you just have to pick up your packet. Hassle free with a **lot less pressure** on the **volunteers** working the desk. If for any reason you are unable to attend, your paid registration will be **refunded in full**. No cash, checks only please! Made out to D.A.C.C. Thanks In Advance. **Paul Piche**

Doreen Jennings

President **Robert Jennings** has advised that his wife, **Doreen**, has been diagnosed with stage 4 cancer.

Our thoughts and prayers go out to Doreen and Robert and their family at this very difficult time.

DACC TOUR # 2

This one could almost be called the **Magical Mystery Tour** - with apologies to John, Paul, George and Ringo. The date is June 30th. The meeting place will be the Rams Horn restaurant at the corner of Masonic and Utica Roads in Fraser. Food at 9AM leave at 10:15 sharp. We will caravan in our Corvairs for about 40 miles and end up at Ken Pepke's house Downriver. Once there we will hold a "Tech Session" to help get Ken's Corvair down off the jack stands and out on the road again (sorry, Willie!).

Our work will include running some brake lines and re-installing the gas tank. Our goal will be to see Ken drive his Corvair from the garage to the River. Shouldn't be a big deal. I mean what is it? One block? One and a half?

So why participate in this Mystery event? Well, Ken does a lot for the club. He edits this newsletter. He runs the best hospitality room at any Corvair convention every year at the DACC Homecoming. He's always there to help out when needed like last week when he led the Corvair Driving Tour to Maumee Bay State Park, Toledo ... But he was driving his Caddy. Let's help Ken get his Corvair one step closer to touring status by attending the event on the 30th. You don't have to wrench on the car. You can just add moral support. Or you can help by getting one of the techy members a cold one when requested from underneath Ken's needful coupe.

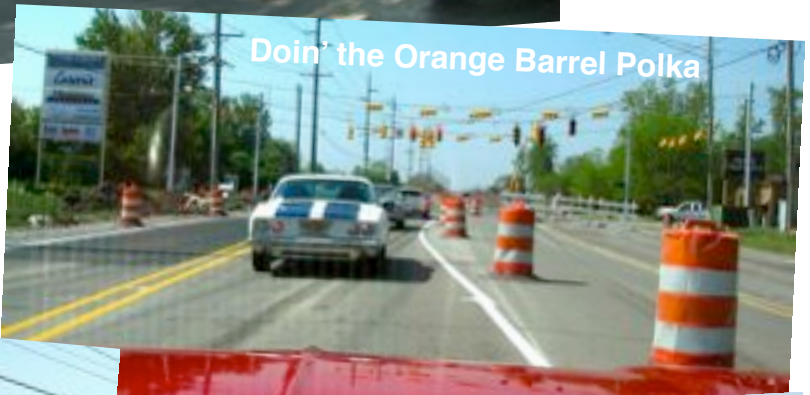

Any Corvair Tour event just isn't complete without an eating function, right? **Ken says the grill will get fired up and we can have a nice cookout** after the Corvair feels better. And that is a good thing, isn't it? **Pete K**

DACC MINUTES

MAY 7, 2013

DACC President **Robert Jennings** called the May meeting to order at 7:07 PM with 44 members and guests present. New members **Keith Daly** and **John Patella** were introduced.

Among the guests **Steve Johansson** announced that he was having a sale on May 18th of the total contents of Norm King's operations. His intent was to empty the buildings with a minimum going to the landfill.

The website detroitcorvairs.com (or.org) is available for Homecoming registration. The Comfort Inn has undergone a major renovation which will be completed in May and the DACC can have the full facility if we can fill it. Get your reservations in early. The Comfort Inn has a very accommodating cancellation policy if you are not sure.

Several tours and activities scheduled for the month of May and early June were discussed, take your pick, drive your car, join us. The annual Elks Club Car Show will be held on June 22nd. Attendance is a nice way to show appreciation for our host facility.

Tim Duve provided a nice collection of Corvair emblems to anyone that could use them.

Winners: **Robert Jennings** – 50/50; **Adam Morenski** – Attendance.

At 7:45 PM the business was concluded and we adjourned outdoors for a “Spring Dust-off” consisting of 17 Corvairs. They're not all out of the barn yet but it is still early! from **Judy O'Leary**

2013 DACC Tour # 1 South

MAY 19, 2013

Eight cars and a dozen members met at Denny's on Plymouth Road for breakfast. At about 10:15 we lined up and headed south on I-275 for a quick trip to Telegraph Road near Monroe. From there it was an easy cruise along Summit Street into Ohio and on south to cross the Maumee River. I had made a direction sheet and when we got to Otter Creek Road my direction sheet CLEARLY said turn left ... why I turned right is anyone's guess. Oh well!! We got turned around and cruised the north shore [interrupted by a detour around an out of service bridge] and on to the Maumee Bay State Park.

The sun, the breeze and the lake air were wonderful. We walked the beach, watched some swimmers and a lake freighter, from the Maumee River, out near the horizon ... I borrowed some field glasses and tried to make out the name. There was quite a bit of haze but I was able to make out 'Algo' and I thought perhaps 'Lake', a 730 footer. It turned north and I knew it was heading for the Detroit River and past my house where I could see her close up.

Then we were off to the famous 'Tony Packo's' for lunch. Once we were well fed most of the group headed to I-75 to pound pavement towards home. I took the back roads for an easier drive and still got home in time to see that freighter pass. Turns out she was the 730 foot Algo Mariner!

NORM KING ESTATE SALE

Saturday, May 18th marked the end of an era as a liquidation sale of Norm King's garage was held. With the passing of Norm King; long time DACC member, mechanic, and caretaker of tons of Corvair parts; Mr. Steve Johansson acquired Norm's Corvair stock with the intention to make all these items available to everyone.

True to his word, Steve held the sale of the inventory, over four decades of accumulation, from Norm's estate to all that came and offered to purchase. Dozens of Corvair enthusiasts purchased the items offered at a cash and carry sale on the parts. A silent auction on the vehicles, two Greenbrier Vans and several Corvair cars had buyers pretty much naming the prices. The DACC offers it's thanks to Mr. Johansson.
