CORVAIR MINNESOTA NEWSLETTER

## President's Page

*A great* big "Thank You" to Bill and Carol Cook who arranged another fabulous Holiday Party at Latuff's. We always get a great turn out for this and most of the reason is the fine job Bill and Carol do in setting everything up and taking care of the details. The food is always super and the atmosphere is festive. Nice to know that we are the only club Latuff's does this for. What a great way to start the new year.

We have received several e-mails concerning events for 2015. The BOD greatly appreciates all suggestions and will have a thorough discussion at our February meeting (obviously I'm writing this before then). We especially appreciate the ideas for the east side of the metro. We have been trying to get some activities or meeting places there to include our members on that side of town as well as those in Western Wisconsin. The key item that makes any event a success is someone who is willing to take charge and plan, such as Bill and Carol do with the Holiday Party.

A couple members approached me at the Holiday Party and said they would be willing to plan an event. With ideas for events and members willing to plan and execute those events, we should have a fun year.

## February 2015

We will be getting the 2015 Calendar of Events from The Minnesota Car Club Association in March. This will list all the drive-ins and cruise nights that various clubs and communities hold.

Last year we had a great time in Waconia at their Wednesday drive-in. This required little planning on our part, just some e-mails and phone calls stating which date we were going and we went. We're already looking at attending the North Saint Paul car show as the featured car.

Anoka, Hastings, Henderson, and Shakopee are just a few of the towns that have weekly or biweekly cruise nights. I know there are others as well.

It will be nice to get the Corvairs on the road in a couple months. Cara and I can't wait for "Corvair Season" to get here. With the events and meetings planned or in the works, we are in for another enjoyable summer. Pay your club dues if you haven't already, keep reading the SEEL, and don't miss out!

Stay Tuned,

*Lee Knauf*

CMI President

**Reminder:** the February meeting will be the 2<sup>nd</sup> Tuesday of the month at Dave Peterson's house – look for directions elsewhere in the SEEL

## January 13, 2015

President Lee Knauf called the meeting to order at 7:10 at Messiah Methodist Church (MUM) in Plymouth with a dozen members present. Among the opening highlights, Fran modeled his CMI "Lifetime Member" jacket. For those of you who were not at the Holiday Dues Party, Gary Nelson became the 2<sup>nd</sup> person to be awarded lifetime membership and both he and Fran were presented club jackets.

**December Minutes:** Approved as written.

**Treasurer's Report:** We have a current balance of \$2506 in our treasury.

### Past Events:

**January 4, 2015: Holiday Dues Party:** Our sincere thanks once again to Bill & Carol Cook for organizing this very well attended annual event, each year is a packed house. Bill discovered this is the only special event Latuff's opens for during the year.

### New Business:

**Membership Meeting – February 10:** Dave Peterson will be hosting as we will be manufacturing air cleaner hold down clamps in his workshop. More details in the Seel. Hopefully Brian Carlson will be in attendance to present the scoop on Barrett Jackson.

**Membership Meeting – March 10:** CMI's annual trip to the Minneapolis/St Paul Auto Show.

**Membership Meeting April 14:** Back to the MUM.

**Annual Spring Breakfast – April 25:** Dan Quinn again volunteered to chair this event and hold it at Gabe's on the EAST side this year, followed by a tour of either the train or model train museums in St. Paul.

**GMCCA AUTO SHOW – June 7:**

**Annual CORSA Convention – June 24 - 27:** Knoxville, TN – 943 miles from Minneapolis.

**Wearables:** Bill Cook brought inventory to sell and also took orders. There is only one set of **CMI magnetic signs** remaining!

**North St. Paul Cruise Night:** Tom Quinn reports that each Friday has a designated "Car Club of the Month" with a special display area. He will see about getting CMI designated for one of the nights.

**BREAK:** In honor of son Dan's birthday, Gail Quinn baked his favorite cake to share with us; Dan cut the pieces very small.

### Remaining Treats for Winter Meetings:

March: Auto show  
April: Chuck Johnson

**TECH SESSION:** Lee Knauf had a "Car & Driver TV" tape from 2000 about Corvairs. Then Fran showed his valve seat Inserts video. Next we were to watch the 1977 Convention video but encountered technical difficulties.

Meeting adjourned: 8:25

Respectfully submitted,

*Chuck Johnson*

## Annual Holiday/ Dues Party

Once again CMI enjoyed the hospitality of Latuff's Pizzeria for our annual holiday/ dues party. They are usually closed on Sundays, but they opened just for us. Forty nine members were in attendance, and we had one no show due to illness. We had a wonderful meal (there were a handful of delicious options) along with a nice selection of appetizers. This year we took the time to recognize two long-time major contributors to Corvair Minnesota, Fran Schmit and Gary Nelson, by awarding them Life-time membership with an accompanying new jacket and certificate (suitable for framing).

Why don't you consider joining us next year?!

# CMI Work Session & Membership meeting) February 10, 2015

We'll start the meeting at the Red Rooster in Long Lake (<http://www.redroosterll.com/>) at 6:00 pm (18:00 hrs)

David sez: "The "Red Rooster" is in the town of Long Lake. To get to the ""Rooster" go West on 394. Just after the end of 394 (where the road turns back into #12) there is a turnoff to the right that is labeled "Down Town Long Lake" - - it's where the speed limit drops from 65 to 60. As you enter the town of Long Lake you will pass the lake of "Long Lake"...the 'Red Rooster' will come up shortly on your right. Last time I looked there was a statue of "Wimpy" on that corner. (If you get to the stop light - - back up about two blocks) Feel free to call my Cell: 612-221-0282. If anyone is coming from the west there is a similar Long Lake or Old Wayzata Blvd exit at county road 6, just watch the signs."

After a bite for supper, we will car pool/ caravan to David's shop at: **2526 Fox St, Wayzata (cell: 612-221-0282)**. We expect the projects to go fast. The shop is open for anything. If there is something (even not Corvair) bring it along.

**(See a description of the work session in the January SEEL)**
