How is that for a title for this article? I have some good news to report from our first "real" Board of Directors meeting as your new President. We did get a quorum of Board members. A quorum is defined as at least half of the elected Board. So seven divided by two equals three and a half. With two members still sunning themselves in Florida we still met the minimum so on with the Board Biz!

It was mentioned that we drop three or four members each month due to non-payment of dues. We thought we could improve this if we sent out a reminder in the mail to send in your dues to Clark, or show up at a future meeting and pay up. So now we will start doing that. Hopefully this will help us with membership retention.

Another item we discussed was the Swap and Sell portion of the regular meetings. It was decided that rather than have the Secretary record all of the details of what the person is selling or swapping we could have note cards made available so the items could be listed in the next Aircooler for sale. Also, since some of the ads listed are getting old the items may no longer be available. More on this later.

There has been a lot of chatter concerning our treasury. We seem to have an excess with a balance of a little more than \$10,000. For a Non Profit organization that is a healthy number. So what do we do with the surplus? First, we need to make sure we are operating within a budget so we don't spend down to \$0 and then wonder what happened. We will look into a budget for the year and we will entertain ideas of what do with some of the \$10k in the bank. It was suggested that we purchase a small cargo trailer to store some of the Homecoming things in. Items like the refrigerator and the gas grille need to be properly stored and should be accessible when we need them. Another idea was to look into getting better audio/visual equipment to enhance our meeting programs. If you have any ideas or thoughts on this please let us know. Speak up at the general meeting or attend a Board Meeting as a guest and give us input!

Speaking of future Board meetings, I think trying to meet at the Elks after the regular meeting is over isn't the best way to cover Board business. So with that in mind my plan will be to combine a Board Meeting with the Second Saturday Breakfast event each month. We will move the location around to give everyone an equal chance of having a short drive time to attend. You can still come and have breakfast with us and then choose to leave once the Board BS starts. Okay?

CONTINUED ON PG 2 SEE PETE K

PETE K CONTINUED FROM PG 1

One final item that the Board discussed was the vacant position of Service Director. At one time it was known as Service and Parts Director and the club had an inventory of Corvair maintenance parts that were brought to the meetings and offered for sale. With the advent of the Internet and availability of parts on-line that might not still be a good idea. The By-Laws have a description for the job and we think we can work this into a valuable service to offer the membership without the actual selling of parts again. This will be brought up at the meeting on April 4th so if you have any feelings for this please attend and let us know.
PETE KOEHLER, PRESIDENT

**FREE USED PARTS
BONANZA
CAVEMAN GARAGE
1st Annual
DACC Parking Lot
Parts Give-Away**

Okay, here is the problem. I have TOO MANY Corvair parts in the garage. And in the basement. And at Pete C's place up in Swartz Creek. I have just too much stuff and really don't have a use for all of it! So my solution is to bring a fine selection of used, greasy, grimy sorta worn out parts to the parking lot at the Elks before the meeting and set up a table or two and offer them for FREE if anyone has a need for anything there. Yes. I said free. Now what I'm hoping is that this service will help keep more of our Corvairs on the road and coming to future meetings. Also hoping that I don't see the majority of these freebies showing up on Craigslist ads in the near future. See where I'm going with this? And of course all parts on the table or the ground

or in the back of my pickup truck come with a money back guarantee if not delighted! If you have a need for some more Corvair goodies come to the meeting early and check out the inventory of free parts. If you have some stuff that you are tired of tripping over in your garage then join me in the parking lot and offer your junk for free as well. Larger items or parts with a value should be saved for the Homecoming Swap Meet in August. If this inaugural event is a success we might just do it again soon!
PETE K

**MEETING MINUTES
MARCH 7, 2016**

We welcomed in our new President Pete Koehler. Our new president was very nice and had waited to start the meeting for me to finish eating. So we started at 7:20. The weather here in Michigan has been very nice and we actually had 2 Corvairs drive to the meeting. We had 40 people attend the meeting of the 129 overall memberships. We currently have 10 people who owe dues and 3 people who have been dropped. March is our election month for the board. We voted in a new VP of Ian Smith, Clark is staying on as Membership, I am staying on as Secretary, John O'L is staying as Activities. Ken Pepke remains as Editor. Our new Treasurer is Casey Schesky. Thank you for stepping up and taking on duties Ian and Casey!!

Last month Clark had gone to the Elwood Hanes Museum in Cocomo, Indiana. He had attended the Performance Workshop. He stated they have this workshop every year. This year there were about 50 in attendance.

There were a few who had gone to Autorama this year and stated it was a great showing of cars. Craig Balow had his car entered this year. He had taken 3rd place for his class.

Last months breakfast

meeting was held but not many had attended due to the frigid temperatures.

Pete Koehler has bought another, wow it isn't a Corvair! It is a 1948 MGTC. He stated he is looking for help putting this together. I guess he is feeling a little backwards dealing with a car that isn't a Corvair.

We have a lot of events coming up, Like Mad Anthony June 3-5 in Fort Wayne, IN. London Cars Show, June 4 & 5 Ontario, Canada. Gilmore Museum Air Cool cars, June 18th. Eyes on Design June 19th Edsle Ford Mansion, Grosse Point Shores, MI. National Convention July 12-16.

Ed Welburn (GM Global Designer) Wants to buy a Corvair he is looking for a Corsa Coupe.

Pete talked about him selling off some of his Corvairs and where he has found homes for some that he is keeping. Stubby has found a new home in California. His '69' last Corvair Convertible built (green) will be on display in Decanter, Illinois Museum. He is hoping that the oldest Corvair built in Canada will be displayed at the Canadian Automotive Museum in Oshawa.

We had a discussion on the great service Haggerty Insurance provides for our prize possessions; our Corvairs. Pete had mentioned he is going to see if they will come to Homecoming and share with us ways to save money insuring our cars.

Our 50/50 drawing was won by Clark his winnings were \$55. He went home happy and I bet Ken Heberling was pleased winning the attendance drawing.

It has been recommended that if you have swap and sell items to let Ken Pepke know and he will add the info to the Aircooler.

Thanks all!

Lori Komora ~~ Secretary

**MAD ANTHONY
CORVAIR CLASSIC CAR
SHOW
(JUNE 3-5, 2016)
FORT WAYNE, INDIANA**

The Mad Anthony Corvair Classic Car Show and Swap Meet is going to take place again this year on **June 3-5, 2016**, at Don Hall's Guest House thanks to the efforts of DACC Member, Craig Balow, and his volunteers. There is no pre-registration or show fees required for the event this year. Just show up in a Corvair, and bring your own lawn chair(s) and that will get you in. Vendors are welcome. Spread the word and tell others about it. For GPS directions, address is: 1313 W.Washington Center Rd. To book a room reservation contact: Don Hall's Guest House at (260) 489-2524 or 1-800-348-1999 (www.donhallsguesthouse.com). Make sure to mention "Mad Anthony Corvair Club" to get the room rate choices of: \$89.00 Standard bed (means two double beds in room) or \$99.00 One King Size bed (both include two free breakfast tickets; -OR- \$109.00 Standard bed (two double beds) or \$119.00 One King Size bed (both include two free breakfast and dinner tickets). The hotel is okay with four people bunking in one room with two double beds (cost would be approx. under \$30 per person this way). However, you still would only get two free meal tickets per room. For those who decide to go with four people to a room, you could always play rock, paper, scissors for the two meal tickets assigned. It would be an affordable means to have a fun getaway to meet up with some fine Corvair folks and have a good time. The hotel also offers two pools, whirlpool, free internet, cable & local calls. Make your room reservations before May 4, otherwise, rooms will be on an availability basis only after that date. Car Show & Swap Meet

will be on Saturday (June 4) from 10am-4pm. Mike McKeel will be doing a Tech Session on Saturday at 1 pm. A "Crazy Corvair Caper" (hosted by Mike and Eva) will take place after the Tech Session; you will need to bring your Corvair car keys (prize awarded to winner). We might take a collection on Saturday to buy some roasted chickens and s a l a d s f o r l u n c h (11:30am-12:30pm).

I would welcome anyone from DACC who would like to Corvair convoy with me to Fort Wayne, IN early Saturday (June 4) morning. I'll be leaving the parking lot of the Ypsilanti Auto Museum at 6:00 am sharp. It takes about 3 hours to get there if you're going the speed limit (I'll try to be good) with one pit stop (there's a good one just past the Indiana border). Let me know who wants to convoy with me (I'll bring the walkie talkies so we can harass each other). It's a cool thing to see Corvairs coming in all together. I have been attending this show for years, and it's a nice gathering that kicks off the Corvair car s h o w s e a s o n w i t h a n opportunity to meet some cool people and view Corvairs you normally don't see in Michigan. We have made tremendous efforts to keep this show going, and appreciate all those who can participate and attend. For those who like to sight-see, the Auburn Cord Duesenberg Museum is located nearby. Now do I have you excited enough to come join us for a fun time in Indiana? Corvair mascot dog (Sunny) says he's coming, too (he's already packed). If you need additional information, you can contact Craig Balow at (313) 331-1929 or myself at (734) 485-2729 or email corvailady@gmail.com.

Corvair Lady (Eva McGuire)

**Board Meeting
3-12-2016**

We had our Board meeting after the second Saturday breakfast. In attendance at the meeting was, President Pete, Ian, Casey, Lori, and Kerry.

It was brought up that in the Aircooler listings of Swap and Sell we currently had some old listings that we need to figure out a way to keep current on the listings. Casey offered to make up a form and have it at the meetings if you have something to sell you would fill out the form and give it to Ken Pepke for the Aircooler.

We talked about the amount of money our club has and need to evaluate what our yearly expenses are and how to best utilize our funds. Casey is going to look at the last 2 years and present this info to the Board next month. Casey when he took over the Treasury was concerned about what info we need to share with the State about our club. Clark let us know every year he receives a form from the state that he fills out and we then pay \$20 to the state for our club. Clark is going to make sure he gives the treasure a copy of said form to keep with the treasures files. We talked about when people join that maybe we should have a membership kit that they receive, (ie. Trinket, roster, plaque these are just a few of the ideas so far) something for joining our group. We plan on revisiting all of this next month.

We talked about that it would be great if others would share things they are interested in hearing or sharing during our monthly meetings. Eva has done a terrific job of coming up with new things on a regular basis. We would like to expand the list of summer car events in the Aircooler to let everyone know of other things going on, other than the group gathering one for the month.

cont page on pg 5

BoD meeting [cont]

Homecoming will be here before we know it! It would be great if we could get some help for Pete Cimbala. We are working on getting Haggerty to come to Homecoming.

At the April meeting Pete is going to ask if anyone is interested in being the Service Director for the club. The duties of the Service Director are: The Service Director shall establish and maintain a list of commercial shops that provide service and/or parts for Corvairs, and are recommended. He shall draw upon the experiences of members and shall conduct his own investigations in order to establish his conclusions. A file of the information thus gathered shall be maintained by him and kept for Board and / or Committee to reference. He shall protect his sources of information to insure that information will continue to be available and he shall publish all positive information. The release of negative information would be a matter of Board of Directors policy and would vary with circumstances. The Service Director shall also maintain an informal used parts referral

service and maintain a lookout for sources of hard-to-get-parts, establishing a list of such sources if any can be found.

Clark wanted to know how diligently we want to pursue people with renewing memberships. In the past he used to send out notices after they were a few months past due. That went on the wayside awhile back. Currently we are losing 3 to 4 people per month. It was decided to try for a year sending out notices to members before they are dropped and see if helps.

Pete is going to get copies of the by-laws to the new board members. We are going to try and hold our board meetings after the 2nd Saturday breakfast gathering. Our meeting started at 9:45 and we finished by 10:30.
