## CORVAIR ROAD TRIP

Do you have your Corvaire ready for a Road Trip? Our first driving event for 2016 will take place on **Sunday, May 22nd**. We will meet at Kerby's Coney Island Restaurant in Southfield at 26245 Telegraph Road. Kerby's is on the west side of Telegraph just south of I-696 and north of 10 Mile Road. For those of us who would like to catch a breakfast before hitting the road plan to arrive around 9AM. Driver's meeting in the parking lot at 10AM sharp. We will leave heading south on Telegraph. Our destination? Ohio! The route will be a leisurely drive either down Telegraph all the way to the border, or a more indirect path over to the edge of the State and then down Jefferson toward Toledo. With a stop along the way our final destination will be Tony Packo's restaurant for - you guessed it - more eating!

We will ask for a show of hands at the meeting on Monday to see how many brave souls are ready for a Sunday drive. I'm looking forward to a whole series of similar driving events this summer with my friends in the DACC. How about you?  
**PETE K**

## DACC WEST ACTIVITIES FOR MAY & JUNE

Due to Mother's Day falling on Sunday, May 8<sup>th</sup>, DACC-West May activities meeting has been cancelled to celebrate this event. Have a nice Mother's Day. However, mark your calendars for Sunday, June 12 from 2:00pm+ as **Corvaire Lady** will be holding a special event.

## Welcome to Spring!

Finally!! The past weekend has been terrific weather-wise. Several members and even a few potential new ones met at Pete Cimbala's shop up in Swartz Creek to help tear apart my latest Corvaire find; a rusted out but highly optioned 1965 Monza coupe. The car has been reduced to rubble, but many of the cool parts survived and will see service in several other 'Vairs going forward.

This month we will have another go at the **Parking Lot Free Parts Giveaway**. Last month was sorta cold and windy and instead of giving away a bunch of parts I think I ended up with more as Bob Storc dropped off some unwanted engine parts. So come to the meeting at the Waterford Elks on May 2nd and see what parts you can use. Everything is free. Other members are welcomed to join in the fun and bring a pile-O-parts that they are willing to give away. Larger parts or stuff with a higher value should be saved for the World Class Corvaire Swap Meet that we put on every year at the Homecoming event. How about that? I just "borrowed" Ken Pepke's description of the DACC Hospitality Room for the swap meet at the same event. And who can argue? We have a great Hospitality service courtesy of Ken and we also have one of the best Swap Meets full of Corvaire parts at the Homecoming. Monday's prices will be better, of course! So come out early (5PM?) and see what is displayed and what you could use on your project.

Speaking of projects, are you ready for the Corvaire Driving Season? We start with **May 14th** for a **2nd Saturday breakfast** club meeting at Marko's Restaurant in Redford. Right at the corner of Inkster Road and Plymouth Road. And next door is Jerry North's North American Classic Car emporium. I have heard that Jerry has sold a few units so lets gather for

breakfast and after the short Board Meeting we can visit Jerry and see what's up and what's new.

Everyone is welcome at the Breakfast. The Board meeting that follows is also open to all. We will be brief but there are a few things that the Board is working on. More newz to follow at the General Meeting. See you there on **May 14th?**

## **ALL AIR COOLED GATHERING**

On Saturday, June 18, 2016 from 9am to 3pm, there will be an all air-cooled gathering show at the **Gilmore Museum** in Hickory Corners, Michigan. This year, there will be no pre-registration required. Just show up with your Corvair. Cost is \$10.00 per car (no matter how many people in car). Food is available on site in the museum or diner. Let's show those VW's that Corvairs can outnumber them at this show. Okay, at least we can try.

## **2016 ORPHAN CAR SHOW**

### **\*\*SPECIAL EVENT\*\***

The "Tucker" will be the featured automobile at the 2016 Orphan Car Show (Sunday, Sept. 18th at Riverside Park, Ypsilanti, MI.) This will be in conjunction with the Tucker National Convention that will also be taking place in Ypsilanti over Sept. 16-18, 2016...So mark your calendars. We are going to see some rare, expensive, Tuckers.

Spectator entrance is \$6.00 per person.

The Orphan Car Show is a fantastic one of a kind event that the Ypsilanti Automotive Heritage Museum puts on every fall. The show attracts unique orphan cars from all over the U.S. and Canada.

We would like to encourage more participation from our Corvair community. You must pre-register to enter in this show. Cost of entering your Corvair in the show is \$25.00 per vehicle. Deadline date to register is August 28 (you can not register the day of the show).

There are restrictions on what is allowed. For instance, you cannot bring in a modified Corvair with a V8 engine or have tricked out wheels, etc. They require original equipment and parts that would normally be on the car for that year, model, etc.

They have a special Saturday cruise to an unknown mystery destination that registered show attendees can participate in conjunction with the Orphan Car Show. I consider the Orphan Car Show one of the "must attend" car events of the year. You hear cool stories and meet very interesting people who bring vehicles that you just don't see at a regular classic car show. In the past, Corvair attendance dominated this show with us encompassing a long double row of cars, however, our participation has been dwindling these last few years with last year's attendance having only 13 cars. Please come on out and join us. We have a great time, and the crowds absolutely love our cars. There are food vendors at this show and they're always near the Corvair section (and I know Corvair people love food). So let's show those other orphan cars that "Corvairs Rule and Others Drool" (all in fun, of course). I also want to relay that during last year's Orphan Car Show's pass & review session for our cars I heard the announcer proclaim that: "The Corvair is Ypsilanti's favorite and most popular orphan car ... sorry Kaiser- Frazer." That was music to my Corvair ears. We agree with the announcer. Registration forms are now available at the Ypsilanti Automotive Heritage Museum or you can see me, **Eva McGuire**.

In the meantime, for those who find themselves in Ypsilanti, come visit the auto museum and see the movie prop Tucker car that was used in the 1988 movie "Tucker: The Man and His Dream". While there, check out the new Corvair fleece jackets that the museum is selling for \$35 each, colors: red or black. They're comfortable and keep you warm...Mike and I bought each other one.

## **April Meeting Minutes**

You know the weather is getting better when we see more Corvairs at the meetings (even thou it was a chilly night)! We had 3 Corvairs and 42 people attend the April meeting.

Welcome to visitor Rick Eddy.

Clark let us know that he is going to start sending notices out to members before they are dropped from the roster.

On May 14<sup>th</sup> we will have our 2<sup>nd</sup> Saturday breakfast. On the 15<sup>th</sup> of May the Corvair Ranch in PA is hosting an Open House. It is approximately 470 miles from here. May 22<sup>nd</sup> our 4<sup>th</sup> Sunday road tour will be heading out TBD location.

Casey is doing a great job in his new roll as Treasure. We have \$10,314.05 In April we had a deposit of \$323.00.

We had a discussion about getting a trailer for the group as well as a new refrigerator and possible tables and chairs for Homecoming. Tim volunteered to keep it in his yard. Thanks

Homecoming has been held at the Comfort Inn for 24 years now. Comfort Inn has a new management team that we will groom to our needs. Haggerty will be joining us and will be talking with us about ways to save money on insurance for our cars (they will be paying us to be at the Homecoming).

**CONTINUED ON PG 3**

## MEET KERRY

My name is Kerry. I have owned Corvairs, in one form or another (and in varying degrees of condition and or repair) since I graduated from high school in Detroit Michigan in 1964. My only other hobbies, other than working under my Corvair are photography and flying rc model planes. Both are an ongoing, learning experience. I have yet to master either one.

My first Corvair was a 64 Monza 110, convertible, that I bought, with the help of my mom, in 1965. It was ember red with a black interior and top. When I first found the car, advertised in the Detroit Free Press, my older brother and I went over to check it out. The guy was pretty nice and gave us a tour and let me drive it. We told the guy that we'd (I) would like to think about it for a bit and went home. I 'thought about it' for about, oh an hour or so and called the seller back. He had gone out but I told his wife that I wanted the car, at his asking price, and would make arrangements to complete the sale. (Translation, get the money from my Mom and yes, I paid back every dime plus interest!) About three hours later the phone rang and my Mom answered it. She called upstairs to me, telling me the seller was on the phone. I took the call, fearing the worst (the car was sold, seller changed his mind about selling it, he totaled it. (Such are the thoughts that go through a teenage mind!) etc..) I said "hello" and the guy said and I quote "Hi, You know... you are supposed to bargain with a seller when you buy a car!" I told him I wanted the car pretty bad and, since it was in good condition, it never entered my mind to 'bargain' He chuckled and said "Well next time you'll know better, I am going to knock \$300.00 off the cost of the car because I priced the car expecting that a prospective buyer would want to

negotiate a bit". \$300.00, back in 1965, was a ton of money, especially to a teen making peanuts working for a swimming pool company filling chlorine jugs all day. I never forgot that lesson nor the guy that was so kind, and HONEST with me...

That was my first Corvair and I was hooked. It was also the first in a fairly long line of Corvairs that entered my life, stayed a while and left.

The latest (and likely final) Corvair you probably already have seen, though I will include a picture with this posting. 'Baby' as my wife named her, came to us via the internet (ebay) around 2001 about a year after my Mom passed away. I have always felt that Mom had a hand at finding this car for me. It's a 1963 1/2 Monza Spyder. 99% of it looks like a 1964 though. (Hence the 1/2). The car was listed on Ebay but didn't meet the reserve price. It was located in North Carolina and my daughter and I drove down there to see (and buy) it and bring 'Baby' home to Michigan. I didn't forget the lesson learned buying my first Corvair and bargained the seller down \$500.00... I still paid too much but then again ... I wanted the car ... bad!

### CONTINUED FROM PG 2

At the Heritage Center this year the Astro 1 will be on display. It might be worth the trip to see it.

Casey has come up with a form for anyone who has swap and sell items. This will be a great tool to use to keep the info in the Aircooler up to date.

The Summer Fair will be June 23/24 at Sloan Museum. It was recommended that we might consider buying a decent Coleman Grill for our yearly picnic. Pete C liked this idea.

Our 50/50 winner was Ken Heberling he won \$55.00 and our attendance winner was Eva.

**Lori Komora ~ Secretary**

### BOARD - CONT FROM PG 4

The board did agree to pay \$200 towards the block party event.

We have many events up and coming and would like to keep everyone informed. We need to have a single contact for the info to be updated via Facebook and our DACC web page. It would also be great to expand our e-mail notification messages as well. **Please take the time and stop and see Clark and Confirm** your e-mail address. It is sole used for events and important club information. The meeting ended at 11 am. **Lori Komora**

## DACC HOMECOMING UPDATE

I was recently approached by DACC President Pete Koehler to become the new Homecoming Co-Chair in order to assist Chairman Pete Cimbala with his many duties pertaining to the preparation for this fantastic event, and to be the local contact for the Comfort Inn. My job is to make Pete's job easier. One of my first duties as Co-Chair is to ask for volunteers to help out with this event. At this time, I'm seeking for individuals to sign up for two hour work segments to assist on designated activities, Hospitality Suite, and the Registration Room (so Pete can get a break). Last year, we saw Pete practically living in that room. This year, we would like to see Pete be able to go outdoors, play host/socialize, have a meal, and enjoy the fruits of his labors. Anyone wanting to become an appreciated volunteer helper can contact me at [corvailrady@gmail.com](mailto:corvailrady@gmail.com) or call me at (734) 485 2729.

Secondly: Last year, Pete C. made an announcement at the awards ceremony to everyone who was coming to the 2016 Homecoming to participate in a costume dress-up activity. There were a few of us who participated in 2015 but we'd like to have many more of you come join us in the fun. Unfortunately, it is not mentioned on this year's registration form. Therefore, we are now announcing that those who wish to participate in this event to bring and wear a costume appropriate for the time period from 1959-1969 (years Corvairs were being built). The dress-up activities will take place on Saturday (Aug. 27) during the awards ceremonies. Those who get dressed up will be able to partake in a walking parade immediately following the top 25 Corvairs drive through. A prize

will be awarded for the most popular costume voted by the audience with an old fashioned applause-o-meter. You still have plenty of time to think of what you want to come as (maybe a hippie/beatnik, business man, etc.). Looks like we're heading for a great time at this year's Homecoming; it just gets better every year. We strongly encourage everyone to book his or her room reservations as soon as possible. To date, we have 60 rooms reserved out of the 108 rooms assigned to our group. That leaves around 40 rooms (which are going fast). Comfort Inn Phone: (734) 455-8100. Don't forget to send in your registration form. Thank you.

### JUNE 12, 2016 YOU ARE INVITED TO ATTEND Corvail Lady (Eva McGuire)'s "YPSILANTI CORVAIR BLOCK PARTY"

Will take place at my and Jay Nugent's house. Jay and I have houses that are back to back which occupies a good section of our block. There will be plenty of parking room to display Corvairs. We'll enjoy having pizza, soft drinks, desserts, with some games and a raffle. Just bring your Corvail, lawn chair, and kick back under the tents and enjoy this social event of the summer. In the event of rain on June 12th, just go to the Ypsilanti Automotive Heritage Museum at 2:00pm for our regular DACC-West meeting. Rain date for the Corvail Block Party will be Sunday, July 10 at 2pm. A detailed map for address and directions to the party will be provided in the June Aircooler. Maps will also be available at the Ypsi. Auto Museum (in case someone forgets about the block party and automatically goes to the museum by mistake) **EVA**

## Board Meeting

4-9-2016

In attendance were Pete, Ian, Clark, Casey, Lori, Eva, Kerry and Gary. We enjoyed a nice breakfast and good conversation before the meeting. I was very impressed that Clark and Kerry made it safely the roads for them were horrible with white out conditions.

We started the meeting off talking about homecoming. The Comfort Inn has informed us we already have reserved 60 of the 115 rooms available. **PLEASE reserve your room** before the block is lifted and non Corvail people book rooms. Eva has volunteered to help assist Pete C. with homecoming. Ian said he would look into prices for a trailer and confirm all of the items it needs to hold. Thank you Eva and Ian!!

We tabled the discussion till next month of looking over the budget until next month.

When John O'Leary decides to make it back to Michigan we will have some discussions and ideas for John of ways to expand our list of activities.

Pete K is very open to any program ideas for our regular monthly meetings. Our next Meeting May 2<sup>nd</sup> Pete will be bringing more parts to his giveaway table for before the meeting in the parking lot. May 14<sup>th</sup> 2<sup>nd</sup> Saturday breakfast and board meeting will be at MARKO'S RESTAURANT on Plymouth Rd. just east of Inkster. May 22<sup>nd</sup> we will have our 4<sup>th</sup> Sunday road tour. In June on the 6<sup>th</sup> we will have our regular meeting. June 10<sup>th</sup> Depot Town Ypsilanti 5-8 pm car cruise. The 11<sup>th</sup> the 2<sup>nd</sup> Saturday breakfast and board meeting then excursion will be at the Rams Horn in Fraser at 26 mile and Gratiot then at 12 we will be at the Stahl Museum. June 12 Eva and Jay are having a Corvail Block Party in Ypsilanti. **cont page on pg 3**

## NEEDED

### CORVAIRS OF EVERY YEAR SPECIAL EVENT IN FLINT

This year during the Sloan Summer Fair Car Show we need all the Corvairs we can find to fill two (2) areas both days Saturday June 25th. and Sunday the 26th.

A new event is being held at the Applewood Estate of the late Charles Stewart Mott and Ruth Mott, their former home will be open for tours both days and the Ruth Mott Foundation wants a CORVAIR DISPLAY ALONG THE DRIVEWAY SHOWCASING EACH YEAR OF PRODUCTION FROM 1960 TO 1969 so this is where we come in.

Mr. Mott's last Corvair a Cortez Silver 69 Monza Coupe will be part of the display but it's up to us to come up with the other years, PRE REGISTRATION IS REQUIRED AS THERE WILL BE SPECIAL PLAQUES MADE FOR EACH CAR. Contact Pete C. to confirm your registration status. As of press time lunch will be provided to those with cars in the display. This will be in addition to the Corvair display in the main car show area where we normally park (to the left under the canopy as you come into the shows main gate) We will have our cook out lunch just

afternoon on Sunday with hot dogs flipped with vice grips and all the fixins. So if we can get at least 10 cars in each area that would be cool! So plan now to show up one or both days so we can have a great display.

I am looking for stock appearing cars for the Applewood event that would resemble what Mr. Mott would have driven back in the day. Anything modified or an FC would be in the regular show area. More details at the May meeting along with registration forms that you can fill out and mail in. You can register online at [sloanlongway.org](http://sloanlongway.org) however there is a \$2.00 extra fee for doing so. Advance registration is \$15.00 per car for non judged, \$20.00 for judged up to June 15th. after that it will be \$20.00 and \$25.00 the same amount day of show.

I know this is asking a lot for people to drive an hour or more each way for two days, how about our friends from Canada EH? Come over and see a great show with a big swap meet, lots of good food and cool cars and trucks in a beautiful setting with two museums, oldies music and the GM Futureliner on site!

## ONE CORVAIR AUGUST SPECIAL EVENT

**LOOKING FOR ONE 1968 or 1969 Stock Monza Coupe** in excellent condition needed for a **special display** on Sat. August 20th. during the Back to the Bricks event in Flint.

We need a nice car to display next to C.S Mott's Tomb in Glenwood Cemetery during the walk through tour on Sat. the 20th. Ash Gold or Cortez Silver would be great but we can't be too picky as that could be impossible to find. It would need to be onsite early in the morning 9:00 AM ? And remain there until the event is over at 6:00 PM.

Several hundred people will be doing a walking tour of the cemetery where many of the founders of GM and Flint are laid to rest. There will also be classic funeral coaches from local collectors there as well ... Contact ...
