

JULY MEETING IS 2nd MONDAY

Regular Monthly Meeting JULY, 11 2016

Pontiac / Waterford Elks Club
DUE TO THE 4TH OF JULY HOLIDAY THE
DACC MEETING HAS BEEN CHANGED TO
ONE WEEK LATER FOR THIS MONTH ONLY

2nd SATURDAY BREAKFAST CLUB MEET

The July Edition of the DACC 2nd Saturday
Breakfast Club Meeting will be held on the 9th at
9AM at Mayberry's Family Restaurant. The place
is at the corner of 8 Mile Road and Grand River in
Farmington Hills. A short Board Meeting may
follow if I have enough energy. If I can't last
through the meal at least we are within shouting
distance of my new favorite hospital - Botsford!!!

PETE K

ED KRIE WALL

Our old friend and former DACC member Ed
Kriewall, has met an unfortunate end. He was
killed in an accident on VanDyke at 33 Mile Rd. on
May 19th when the car in which he was a
passenger struck a conversion van that had
stopped in traffic. Edwin Kriewall, 80, of Armada,
died after he was taken to Henry Ford Hospital,
the sheriff's office said in a release.

PETE C

MIKE EMANUELE

It is with much sadness that I am informing you of
the death of FRIENDS of CORVAIR member Mike
Emanuele. He quietly passed away the morning of
Thursday June 16, 2016. Per his wishes, there was
no funeral or calling hours. Rick Juenemann, VP

Good News and Bad News

The bad news first: On Thursday morning, June
16th I suffered a massive heart attack. The good
news: I survived! It just happened. I've never had any
heart problems in the past. At about 4 AM I felt a lot of
chest pain. When my left arm started to hurt as well I
asked Patty to help me. She called 911 and the
Farmington Hills Fire Department showed up and
whisked me away to Botsford Hospital. The EMT's
diagnosed the problem and the Staff at Botsford were
able to correct it before it was too late.

The problem was a 100% blockage of the main
artery to the heart. Somewhere along the line
someone with no sense of humor nick-named that
type of problem "The Widow-maker". I'm not
laughing. They were able to clear the blockage with a
catheter and the put in a stent. About this time the
heart was tired of being poked and decided to stop. To
correct the flatline condition they used a de-fib
device. It only took six tries to get the old heart going
again. Ask me what it feels like to be hit with 1000
volts. The last one worked and unfortunately it woke
me up and WOW!

So now I'm home and recovering. Every day from
here on out is a gift. I'll try to make the best of them.
My Corvaair activities will be curtailed for some time.
Lots of other changes, too. I am happy to be back and
look forward to seeing all of you at some DACC events
in the future.

PETE KOEHLER, PRESIDENT

CORVAIR BLOCK PARTY YPSILANTI - JULY 10

Get ready. It's finally here. Meet us on Sunday, July 10th at 2:00 PM at the homes of Jay Nugent and Corvaire Lady Eva for the second Sunday DACC-West activity: "YPSILANTI CORVAIR BLOCK PARTY". Just bring your Corvaire, guest(s), lawn chair, and a good appetite. Food and beverages will be provided. For GPS directions, use the 1316 Oak St., Ypsilanti, MI to locate us. Easy directions: From I-94 (going west) - exit #183 Huron St./Downtown Ypsi. And turn right at exit ramp (going south). From I-94 (going east) use same exit and turn left. Continue on Huron to Michigan Ave. Turn right (going east) on Michigan Ave. and continue until you reach Harris Rd. (there is a light and you'll see Speedway Gas Station and CVS on the corners). Turn Left on Harris Rd. (going south) Go down two blocks and turn left on Oak St. (going west) Go down one block and follow the trail of Corvaire. Water pumpers, please park in separate area. Maps will also be provided at the Ypsi. Auto Museum on day of party. If it rains, a future date will be determined and just go to museum for regular meeting.

June Meeting Notes

Tonight we had an unannounced car show contest. Chris Heinz won with the nicest car in the lot with his 1965 900 coup 95hp. Congratulations Chris!!!

Membership: We have 2 new members and 8 people owe dues. Total membership count 138.

Homecoming we have 32 people who are registered for the event. It is interesting that we have 78 rooms booked at the hotel already. The swap and sell area has 12 spots already paid. Homecoming will be here before we know it. At the Heritage Museum Stu's car will be on display inside the museum during Homecoming as well as the Astro 1. The cost for the museum is \$10 per person. Sounds like a great year to go see the museum.

We attempted to see if someone was willing to step up and be the Service and parts director. Nobody was interested so it was decided to have that position be removed from the bylaws. We also voted to have the requirement of being a Corsa Member to be a DACC member removed as well. We currently meet Corsa's requirement of 3 or more members.

Ian and Pete Koehler are going to go get our new trailer on the 18th of June.

The 50/50 drawing winner was Ruth Riedeman she won \$75. The attendance winner was Ruth Sweeney she won \$10. We had 47 people attended tonight's meetings.

Then we finished the meeting by going outside to see all 13 cars and we still had enough time to go get Ice Cream!!

HOMECOMING UPDATE (CONTINUED FROM JUNE)

VALVE COVER RACER

I thought it would be good idea to print what the CORSA guidelines are on how to make a Valve Cover Racer. You still have plenty of time to build your potential winner. Race procedures will be explained on race day. We hope to see new entries this year now that you know how to construct your racer.

Racer Specifications:

1. Must have Corvaire valve cover used in construction.
2. Gravity powered only, no motors, springs, magnets, jet-propelled, etc.
3. Maximum weight 4.5 pounds, no minimum weight.
4. Maximum length 16" long, maximum width 8" including tires.
5. No part of racer to hang over start gate which is 3" in height.

It is recommended that entrants make their racers with the wheels being the widest part of the racer.

**Corvaire Lady (Eva McGuire)
Homecoming Co-Chair**

64th Annual Leonard Strawberry Festival July 16, 2016 11:00am - 10:00 pm

The Strawberry Festival originally began with the Volunteer fire Department serving out Strawberry Sundaes and that was it. Now we have a parade, rides for the children, entertainment all day long, craft shows, car show, fire truck rides, and more.

From the north Detroit area go north on M-150 Rochester Rd thru Lakeville, turn right and continue around the lake and on to Leonard. Please arrive by 10:30 AM

Congratulations to Elaine Duerden Roerink. Elaine is the proud owner of a Greenbrier

WHERE ARE THEY NOW?

DACC ACTIVITIES

With many thanks to Pete Cimbala, several members and friends had the opportunity to visit the Stahl Collection in Chesterfield during a stop on the *Back to the Bricks* promo tour. A unique collection of vintage music making machines and one of a kind automobiles that is very worthwhile seeing and will be on the list for future activities. Now, mark your calendars to honor Pete C again at the Sloan Museum Spring Event and C.S. Mott Applewood Estate, June 25-26 in Flint. July 12-16, it's on to Springfield, IL for the Corsa National Convention.

And then the Concours d' Lemons in Plymouth, MI on July 30.

Busy August will include *back to the Bricks, Berkley Cruise, Woodward Dream Cruise, DACC Homecoming* and *Hines Drive Cruise*. In September, we have the *Orphan*

Car Show in Ypsi on the 17th and 18th.

October includes the *Springfield Oaks Antique & Classic Car Show and Auction.*

Stay tuned and check for eBlasts as additional activities, breakfasts etc.

And other events come up.

Please note that the DACC has purchased 5 slots for the Woodward Dream Cruise and that all 5 have been spoken for.

Additional slots may be available but we should request them now. Please let me know if you are interested.

John O'Leary, Activities Director

AGING COLLOQUIALISMS

I received the note below about aging colloquialisms and hope you enjoy it. I remember hearing some of these as I grew up. "Its a duesy" was one of those outdated colloquialisms. Of course it referred to the grandeur of a Duesenberg motor car. I could not recount all of those lost phrases but the below is an interesting

glimpse.

Heavens to Murgatroyd! Would you believe the email spell checker did not recognize the word murgatroyd? Lost Words from our childhood: Words gone as fast as the buggy whip! Sad really! The other day a not so elderly (65) lady said something to her son about driving a Jalopy and he looked at her quizzically and said what the heck is a Jalopy? OMG (new) phrase! He never heard of the word jalopy!! She knew she was old but not that old. Well, I hope you are Hunky Dory after you read this and chuckle.

About a month ago, I illuminated some old expressions that have become obsolete because of the inexorable march of technology. These phrases included "Don't touch that dial," "Carbon copy," "You sound like a broken record" and "Hung out to dry." Back in the olden days we had a lot of moxie. We'd put on our best bib and tucker to straighten up and fly right. Heavens to Betsy! Gee whillikers! Jumping Jehoshaphat! Holy moley! We were in like Flynn and living the life of Riley, and even a regular guy couldn't accuse us of being a knucklehead, a nincompoop or a pill.

Not for all the tea in China! Back in the olden days, life used to be swell, but when's the last time anything was swell? Swell has gone the way of beehives, pageboys and the D.A.; of spats, knickers, fedoras, poodle skirts, saddle shoes and pedal pushers. Oh, my aching back.

Kilroy was here, but he isn't anymore. We wake up from what surely has been just a short nap, and before we can say, well I'll be a monkey's uncle! Or, This is a fine kettle of fish! We discover that the words we grew up with, the words that seemed omnipresent, as oxygen, have vanished with scarcely a notice from our tongues and our pens and our keyboards. Poof, go the words of our youth, the words we've left behind. We blink, and they're gone. Where have all those phrases gone? Long gone: Pshaw, The milkman did it. Hey! It's your nickel. Don't forget to

pull the chain. Knee high to a grasshopper. Well, Fiddlesticks! Going like sixty. I'll see you in the funny papers. Don't take any wooden nickels.

It turns out there are more of these lost words and expressions than Carter has (little) liver pills. This can be disturbing stuff! We of a certain age have been blessed to live in changeful times. For a child each new word is like a shiny toy, a toy that has no age. We at the other end of the chronological arc have the advantage of remembering there are words that once did not exist and there were words that once strutted their hour upon the earthly stage and now are heard no more, except in our collective memory. It's one of the greatest advantages of aging. See ya later, alligator!

If you said, "See you later, alligator" would anyone respond, "After while crocodile"?????

DEATH OF JOE STRAYHORN 5 17

I'm sad to announce that Joseph "Joe" Strayhorn, who played a key role in the production of the Corvair at the Willow Run Assembly Plant, passed away on May 11th. He was 91 years old. Joe began his employment with Chevrolet in 1952 in St. Louis, MO, working on the first Corvettes produced. He then transferred to the Willow Run Assembly Plant in Ypsilanti, MI, in 1955 as Foreman of the Truck Plant. In 1960, he was made General Foreman of the Corvair Plant for the next three years, and was upgraded to 8th level Senior Reliability Engineer from 1968-1969 being the Superintendent of the last six thousand 1969 Corvairs built. Everyone at Willow Run knew who Joe Strayhorn was, and I considered him to be one of the "Rock Stars" of those who had a hand in making that air-cooled wonder. Out of all the cars produced at Willow Run, Joe's favorite car was the Corvair. He drove the first four door Monza that was made as a company car, and later bought it. He owned a total of three Corvairs. Joe met his wife at Willow Run and they were married for over 57 years and had four children. She would sometimes accuse him of being married to Corvair more than her due to his long hours spent at the plant. Joe stated that one of the thrills of his life came when he got to test drive a Corvair going 100mph at the GM Proving Grounds in Milford, MI. Joe Strayhorn was also the gentleman who was famously known as being one of the last persons photographed in the last made 1969 Corvair (car #6000) on the last day of production (May 14, 1969). I had the privilege of getting to know him from the interviews we did at his house and other locations for my Corvair history preservation project, and from his participation as one of my guest speakers at the "Meet the Makers of the Chevrolet Corvair" event on May 14, 2015. He told me he was excited he to share his stories and participate with these projects. Joe was considered one of the "good guys" and he will be missed by his Willow Run family as well as myself. On a personal note, I did visit the service for Joe and met up with his family. Joe's sons enjoyed showing their children the Corvair I brought as Joe's grandchildren had never seen a Corvair in person. The "YPSIBLT" plate with its tribute to the Willow Run workers touched their hearts. His daughter, Caroline, told me something humorous that I want to share with my Corvair family as I think you will enjoy hearing it as I did when she told me: A week before Joe died, the grown kids gathered around his hospital bed trying to cheer him up. In an attempt to make their dad laugh, they began to ask him, "Come on now, it's time for you to tell us: Where did you hide that last Corvair (car #6000); what did you do with it? We know you have it hidden somewhere. You can tell us now, where did you put it?" While laughing to what she told me, I said, "Are you kidding me? You asked him that? What did your dad say to all of you joking around like this?" Chuckling herself, she replied, "He just said, I don't know where that car is!" They said their dad had a good sense of humor. Well, if he does know where that last Corvair is, he took the secret with him. **Corvair Lady (Eva McGuire)**
