PETE K

Fall Color Tour Flint to Frankenmuth Sunday Oct. 23

After leaving the starting point that President Pete has established in the morning. We will be stopping by the Applewood Estate, home of the late Charles and Ruth Mott that is just east of the Flint Cultural Center (Sloan Museum) on Kersey St. If you have been to the Summer Fair Car Show we will meet in the parking lot next to where we park as a group during the show. We will then enter the estate from the Kearsley St. gate and pass in front of the house where the staff will take a picture of each car with the owners in front of the door. This is where Mr. Mott would sometimes park his Corvaire when he came home for lunch. They open the grounds at 10:00 am so we will pass through the gate shortly after that. Tours of the house start at 11:00 am and run until about 3:30 pm if you would like to view the inside and learn about how the Mott's lived back in the day. We will have to leave before 11:00 so that we can arrive in Frankenmuth before the lunch rush and long lines.

Route directions will be printed and available the day of the event, we should arrive in Frankenmuth just after 12:00 noon, Park in the lot behind Zehender's and have lunch at the Z Chef Cafe in the lower level of the Zehender's building. After lunch you can shop in town and stop by Bronners Christmas Shop on your way home. PETE C

From the President

Normally October means fewer Corvaire activities to choose from. But not with the DACC! The Antique Festival in Davisburg is the first weekend of the month. Regular club meeting is coming up on the 3rd of the month in Waterford. 2nd Saturday Breakfast follows on the 8th. DACC West has a tour planned for Sunday the 9th. Another "Tech Session" will happen up at Pete Cimbala's shop in Swartz Creek on Saturday the 15th. Mike McFarland's Corvaire Collection Auction is the 22nd up at 24 Mile Road and the Van Dyke Freeway. And finally our traditional Fall Color Tour will be on Sunday the 23rd. So don't put away those Corvaire yet!

Breakfast and BoD meeting will move to a new place - The Cozy Corner Cafe in Livonia. Details elsewhere in this newsletter. Bring your Corvaire to the Waterford Elks for perhaps a final car show in the Park. It's getting darker sooner so we can't really hang out in the parking lot after the meeting. Also, the Custard Stand closed for the season so no more ice cream to cap off the regular meeting. Rats!!

We had a good time on the 17th with Robert Jennings and Pete Cimbala at Pete's shop as we took apart Robert's damaged 1960 sedan. By the end of the day all that was left was a bare carcass for Pete to haul away and Robert had enough '60 parts to build another one. If he can find a decent body shell that wasn't re-arranged by some young kid in a newer SUV. The next Session will be on the 15th and we will have two "victims": Eva wants her damaged '64 Monza coupe to morph into a Corvaire-based trailer. We can do that! A second team will tackle putting a better engine into Pete's very late production 1969 Monza coupe. So you can come to the Tech Session and either help rip a car apart or put one back together. Your choice. What could be better?

Look for details on the Fall Color Tour in this issue. Pete C is planning a stop at the C.S. Mott Applewood estate in Flint on the way up to Frankenmuth. Should be a good time for all.

Finally, don't forget the Corvaire Auction on the 22nd. Good chance to pick up a project car or a parts car or whole bunch of Corvaire parts. Bring \$\$\$ and a trailer and bid away! We might be able to provide some help in hauling your new prize away after the auction has concluded. At least show up and check out the stash and support long-time DACC member Ed McFarland's family. See you there!

HURON RIVER APPLEFEST NEW BOSTON, MI OCTOBER 1, 2016

This is great! The whole town is transformed into a festival. Craft and food booths line about eight blocks on Main Street. Everything to do with apples is featured. There are games, crafts, kid rides, and food booths. Baked and ready-to-bake pies are everywhere!

From the Detroit area go **west on I-94** then south on I-275 to **exit 11, Huron River Drive**. Turn right [west] cross the tracks and go to the first light, turn right [north] on Waltz Rd to the staging area in the Lower Huron Metropark entrance. Please **arrive before 11:30 AM**.

Even if you can't make it to any other parade, try to make it to this one. Plan to spend the better part of the day in town. If you go away hungry it will be your own fault! **The parade is Saturday but the Festival continues on Sunday.**

Meeting Minutes

September 12, 2016

Well here it is a terrific night and a great turn out of friends and some awesome Corvairs! We had 18 Vairs and 44 people. Casey gave us a update about our funds and indicated that so far from homecoming we are in the good \$1500. We still have to pay for the calendars. I took the time to report that the Wine & Cheese event was a sell out this year and I have already bought more wine glasses for next year, to be able to increase the group to 50 friends.

Ken Pepke asked if everyone enjoyed all of the pictures in last months Aircooler! We all agreed they were great! He is still hoping to get more articles, please send them in. On October 22nd there will be a auction that has a lot of Corvairs at the McFarland barn 24 mile and Van Dyke. Auction starts at 10 Eva was terrific and arranged for a

great private tour of the Willow Run Plant last month and she shared the fun all had that day. She even was able to arrange the ones who brought their cars to drive them into the plant. The will be having a open house next year as well and she will keep us informed on when that will be happening.

The car show in Frankenmuth we had 5 vehicles attend. It is estimated that there were over 2500 cars all together.

The group was asked to keep in their prayers all of our heroes who are still missing after all these years. From Vietnam all together we still have +650 and about 151 of them are from Michigan. WWII we still have +7000 Mia. We did recently get 3 back from Korea.

This month's winner for the 50/50 was Jerry Light, \$75.00. Les Schlauld won the attendance.

~ Till next month enjoy and drive your Corvairs ~ **Lori Komora**

Sixteen Corvairs participated in this year's 20th Annual Orphan Car Show on Sunday, September 18th in Ypsilanti, MI. The featured car for this year was the Tucker automobile. It also happened to be the Tucker National Convention over the same weekend. Two Tuckers were present at this year's event along with the Rob Ida concept tribute Tucker which was constructed of fiberglass and equipped with a twin turbo charged Northstar engine. The car that won "Best of Show" for the event was Mark Lieberman's Tucker #1044. This particular automobile had been hidden away in a barn for nearly 33 years and is considered one of the best preserved Tucker's.

The best Corvair selected by the judges this year was Paul Schneider's 1965 Corvair Monza convertible (silver blue in color). Paul is from Hillsdale, Michigan. Congratulations Paul. **Corvair Lady (Eva McGuire)**
