

Special Corvair Event

Tuesday September 12 @ **6 P.M.**

Messiah United Methodist Church

Plymouth, MN

All current and former members of Corvair Minnesota are invited to a special Tech Session and Auction! This may bring back memories of meetings where it was just too nice and too interesting to adjourn to our meeting room!

Briefly, we intend 3 phases:

Phase 1: "CORVAIR BASICS" Tech Session

Phase 2: Self-Maintenance & Evening Projects

Phase 3: Parts, Tools, and Manuals Auction

We are anxious for participation and ideas to re-energize our monthly meetings so we **Get More Corvairs on the Road!**
