THE EDITOR'S DESK

By Dave McChesney

Coco, one of my two editorial assistants

Over the past weekend I made the transition from indoor winter type person to outdoor summertime person. Oh, I've been outside quite a bit, walking the dog and doing various things. But last Friday I dug out the lawnmower and have been doing various tidbits of yard work ever since. I suppose one of my next projects will be to clean up the garage a little. No project cars or anything to go in there anymore, but still it needs a bit of a once over.

We had a nice crowd and a great time at Craig's on the 15th. We have some interesting and fun events coming up so I urge you all to try and make it to as many as you can. And right off the bat, we have a schedule change. We had planned to go to the Chad Little Automotive Museum this month, but that has been put back until June. More information is available elsewhere in this issue.

Remember, if you have news of an event, or have a Corvair story you'd like to share, send it along, and I'll get it in the next REAR ENGINE REVIEW. Pictures of events

or of your Corvair are welcome too. Jpeg format is best, but I can work with anything. **(Articles or columns from club officers are especially welcome... hint! hint!)**

If you have a business, consider an ad in the **Rear Engine Review** for only \$20 a year. While Corvair and automotive related businesses have priority, ads are not limited to these categories

IT'S NEVER TOO LATE!

If you have pictures or other information about Corvair or automotive events from the past, feel free to forward to the editor. He will do his utmost to include them, regardless of how long ago the activity occurred.

WELCOME!

Our newest member is John Richter of Kingston, Idaho.

CLUB BUSINESS CARDS

Contact INLAND NORTHWEST CORVAIR CLUB Web-master Dave Fender for business cards with the new club logo on them. They have a place where you can add your contact information. I think the small return address labels are small enough to fit in the area provided.

The front of the card looks like this.

TREASURER's REPORT

Submitted by Dave McChesney

Recently we've gained \$41.00 in dues plus \$0.10 in dividends. We spent \$10.00 to reimburse our Treasurer the cost of registering with the Washington State Secretary of State, and paid the hosts of our recent Tech-N-Tune event \$34.56 to cover their expenses. We have \$93.65 in Checking, \$1167.87 in Savings, and our total worth is \$1262.52.

INCC membership is \$15.00 per year. CORSA members pay \$13.00 for INCC membership.

Payment of one year's dues extends membership one year from your current date of expiration or one year from the date payment is received. We will waive payment of back dues, unless you wish to pay them. We simply want those on the roster to be current in their dues.

If you are dropped and want to continue as a member, please contact a club officer and forward your dues. We'd love to have you back with us!

Please send check or money order to: **Inland Northwest Corvair Club
P. O. Box 9689
Spokane, WA 99209-9689**

or bring payment to a future club event.

If you no longer wish to be a part of the Inland Northwest Corvair Club, please contact a Club Officer and let him/her know. The club's Post Office Box is checked weekly and funds received are deposited during the following week.

TECH-N-TUNE

We dodged most of the raindrops slated for Sunday April 15th and got together at Craig's place for another fabulous Tech-n-Tune event. A lot of folks showed up, a few cars got worked on, and we finalized plans for the upcoming year. The event schedule included elsewhere in the Rear Engine Review will be updated and modified as required to keep you up to date on our approaching events.

Not all Corvairs have an air-cooled flat six under the rear deck lid. This is Craig's custom V-8 installation.

The "Committee" approach worked best on this maintenance task!

A well-stocked shop makes automotive maintenance so much easier!

CRUISE NIGHTS

This has been updated in accordance with the 2018 Calendar of Events from the Inland Northwest Car Club Council.

If you go, contact fellow INCC members and invite them along. Please send pictures or written descriptions for our newsletter.
