

## Monthly Meeting

JUNE 4, 2018

Pontiac / Waterford Elks Club

6: pm eat — 7: pm meet

## 46th Sloan Auto Fair

Sat. June 23 and Sunday June 24

9: am - 3: pm

Registration forms/flyers will be available at the May meeting to register for this event, you can also register online at [sloanautofair.com](http://sloanautofair.com) however there is a \$2.00 extra fee. This year with the move to Crossroads Village we will see a lot of different things like the old buildings in the village, and be able to take a ride (at extra cost) on the steam train, merry go round and the Genesee Belle Riverboat. Plus the swap meet and a Robotics exhibition. The feature cars this year are Station Wagons in addition there will be a Police Car display, tractors and a CORVAIR DISPLAY this is where WE need to help out. Marvin, Brian and I have stuck our heads out on this and told the committee that WE WILL HAVE 20 or more CORVAIRS of all different styles onsite for everyone to enjoy. So please put this event on your calendar and plan on being there one or both days. For the past few years Saturday has been the "bigger day" with the most attendance but Sunday is just as much fun. Due to park rules we will not be able to cook hot dogs as we have done in the past but we can still have a pass a dish picnic of snack type goodies and drinks. There will be several food trucks and onsite eating places in the Village that we can support and not go hungry. Registration fee is \$15.00/car for non-judged, \$20.00 for judged up to June 15th. After that and day of show will be \$20.00 and \$25.00 Walk in at the gate \$7.00 adults Kids 11 & under free.

## PRESIDENTIAL WISDOM

I was going to tinker with one of the cars this afternoon. However, I just finished mowing the lawn and now I don't feel like doing anything. Maybe I will look at the Clark's catalog...

Well, enough of that. Last night was our monthly meeting and there were a lot of people in attendance. We still had a limited menu but the food was good...at least Paula's and mine was.

One thing I forgot to mention during the meeting was the auction at Home Coming. I want to have a big pile of stuff to auction off , so clean out all the unwanted things in the basement, check the attic, do you really need that wedding album...you get the idea.

## CRAIG'S LIST CURE

CONTINUED FROM May

In less than a minute my number is called. I guess all of the folks in front of me either gave up and went home or possibly died of old age and boredom. Anyway I am happy to hand my packet of titles over to the clerk. But wait! This one particular title's VIN doesn't match the proof of insurance that I brought along so I could put an antique plate on the old HuffMobile. A closer inspection reveals that when the smart guys over in Lansing processed the title for the Huffs' back in 1994 they left out one digit in the serial number. The body style "27" for a 2-door coupe was mis-typed as a "2" without the "7". The local clerk here can't help me. I have to have the car inspected by a police office to make sure that I am not trying pull a fast one on the Eagle-eyed SOS folks. Sorry kid, you gotta leave and come back with the proper documents if you want to complete this transaction. The did give me a special pass to come to the head of the line when I return. Thankful for that.

So I head on over to the Farmington Hills Cop Shop and they are nothing but helpful. In less than ten minutes an officer arrives at the Caveman Garage and completes the form and compliments me on the car itself. Thanks, Gerry! So I head back to the SOS Branch with even more paperwork in hand. I get in the "return" line and stand there for about 30 more minutes before being called. This time all goes well and they take my \$\$\$ and give me a temporary paper plate for the little red '64 coupe and promise to mail a proper metal one some time in the future. The paper plate is good for 60 days. Do you think they can handle this kind of time constraint?

So that is my story. If it takes 5 1/2 hours just to pay my taxes and get a plate for a new purchase perhaps I won't be so anxious to peruse Craigslist as I have in the past. I don't know. What do you think?

## Board Meeting Minutes

Marvin, Bill, Casey, John O, Ken, Bob, John A and Lori in attendance.

We have been doing research on getting some DACC signage to place out for display at car shows. Bill is going to get back with us the cost.

For homecoming it was recommended if we do get someone to do the Road Rally that we move up the time to get everyone back earlier for the auction. If we do this we have to have the voting time to end earlier before they leave for the road rally. If we can't get someone to do the Rally it was suggested we come up with a nice cruise drive somewhere.

Also we are going to have at the meetings Homecoming fliers and T-Shirt order forms.

Woodward Dream Cruise we agree to buy 5 spots again and sell them to the group.

We will be ordering business cards with our web site and facebook info on them.

We are having better luck with the Aircooler online version. John indicated that he heard back from 15 people indicating they did not receive it. But most ended up finding it in their spam box.

During the meetings Bill is going to go around during the meetings talking with all to help recruit new board members for next year.
