THE EDITOR'S DESK

By Dave McChesney

"Tim" while waiting for a new home.

If you have a business, consider an ad in the **Rear Engine Review** for only \$20 a year. While Corvair and automotive related businesses have priority, ads are not limited to these categories

A handwritten signature in blue ink that reads "Dave McChesney".

IT'S NEVER TOO LATE!

If you have pictures or other information about Corvair or automotive events from the past, feel free to forward to the editor. He will do his utmost to include them, regardless of how long ago the activity occurred.

CLUB BUSINESS CARDS

For the first time in a very long time, I am getting an issue of the REAR ENGINE REVIEW out on time... or as close to on time as can be. My seemingly impossible goal is to have it out as close to the first of the month as possible.

We have two events scheduled for this month, with another on the calendar for those who wish to take part. First we'll have a tech-tune or gathering at the home of a newer member, Roger Becker. A couple of weeks later we are schedule to tour the Chad Little racing museum in downtown Spokane. Car'D Lane also happens this month, but for various reasons we have opted not to participate as a club. INCC members who wish to independently take part in this annual event are encouraged to do so.

Remember, if you have news of an event, or have a Corvair story you'd like to share, send it along, and I'll get it in the next REAR ENGINE REVIEW. Pictures of events or of your Corvair are welcome too. Jpeg format is best, but I can work with anything. ***(Articles or columns from club officers are especially welcome... hint! hint!)***

Contact INLAND NORTHWEST CORVAIR CLUB Web-master Dave Fender for business cards with the new club logo on them. They have a place where you can add your contact information. I think the small return address labels are small enough to fit in the area provided.

The front of the card looks like this.

TREASURER's REPORT

Submitted by Dave McChesney

Since the last report, our only transaction has been the addition of another \$0.10 in dividends. We have \$93.65 in Checking, \$1167.97 in Savings, and our total worth is \$1261.62. (There was a typo in the last report, showing a total worth of \$1262.52, instead of \$1262.52.)

INCC membership is \$15.00 per year. CORSA members pay \$13.00 for INCC membership.

Payment of one year's dues extends membership one year from your current date of expiration or one year from the date payment is received. We will waive payment of back dues, unless you wish to pay them. We simply want those on the roster to be current in their dues.

If you are dropped and want to continue as a member, please contact a club officer and forward your dues. We'd love to have you back with us!

Please send check or money order to: **Inland Northwest Corvair Club**
P. O. Box 9689
Spokane, WA 99209-9689

or bring payment to a future club event.

If you no longer wish to be a part of the Inland Northwest Corvair Club, please contact a Club Officer and let him/her know. The club's Post Office Box is checked weekly and funds received are deposited during the following week.

TECH-N-TUNE#2

Sunday 10 June 2018 at 10:00 am
Hosted by Roger and Judy Becker
17708 N Summerwood Dr.
Colbert, WA 99005

Hello everyone,

I am looking forward to seeing everyone at my house on Sunday the 10th of June for the second Tech-n-Tune of this year. Being new members, Judy & I haven't met everyone in the club yet. This is our second summer here since we moved from Southern California, and so far we love it here. We wanted a little more elbow room and we sure got it! I am hoping you all will drive your Corvairs so we can see them. I am looking forward to showing you my Corvairs. We have plenty of asphalt parking and can accommodate everyone.

You can enjoy a nice country drive to our place if you exit I-90 at Argonne Rd. and take it to the end. Turn left to go to Hwy 2.

The day's Tech session will reveal what the inside of an early rear wheel bearing looks like, how it works, and how to disassemble it. You'll learn how to clean, check for wear, and adjust the play. All you "Late Guys" will be slightly bored.

After all the previous activities, lunch will be served. There will be an assortment of brats and dogs, potato salad and all the water and soft drinks you care to enjoy. Feel free to bring your favorite picnic dish to share if you wish, but it's not mandatory. We are looking forward to seeing you all.
