Gentleman Jim receiving
the retired club flag.

Next Meeting & Tour on Saturday, June 16th

President's Message: Brierside Chat May 18

Another dust off has come and gone. We had a small but devoted group of Corvair enthusiasts who braved the unsettled weather. That morning in Massachusetts it was raining and discouraged many of our usual participants. The weather in NH was dry with a high thin sun that lasted until about 11am, plenty of time to get all our tents, tables and chairs set up. The clouds moved in but the rain held off until after 1pm. Then it was only a light sprinkle until about 4pm, after we had managed to award trophies and get everything picked up. We all had plenty of time to socialize, check out the 15 vehicles, a great representation of makes and models, meet & welcome two new members, grab a snack from our favorite food vendor (Robin) take chances on the baskets and Ray's special raffle and of course try out Tim's challenging back seat driver course! Allan Jones graciously allowed the 3 teams that participated to use

his automatic early model coupe.

A highlight of the day was recognizing devoted member Gentleman Jim Turner, who turns 100 years old in October. We presented him with the retiring CNHCA flag and a Corsa placemat with well wishes and signatures of all present at the Dust-Off. He has attended almost every meeting and Corvair related event the Club has held since he joined in the mid 80's. He has been the unofficial photographer for most of those years with about 8 albums full of pictures of all Corvair events over the years. He brought 2 albums to the Dust-off – what fun to look at how young we all looked, thinner with full heads of dark hair, etc. Watch for a special message from Jim in the next newsletter.

Thanks to everyone who pitches in year after year to make the Dust-Off such a fun event.

Looking forward to seeing everyone at other events over the summer, check out the calendar!

May Meeting

Jim Freeman's Spyder was the only Corvair to make it to the May meeting.

29th Annual New England Spring Dust-Off

Setting up the big tent wasn't any easier than last year. You can see confusion on some of the faces. Notice at the bottom, Judy's stance and the befuddled stare of Janis. Still, the tent did go up. In fact, it went up a second time after the wind blew it over.

Even though the bad weather was holding off for us, it had already moved in south of the border severely limiting attendance. It finally hit us around 1:30. With fifteen Corvairs on the field, we gave out 13 trophies. We've always advertised a "Rain or Shine" event!

In the photo, top right, the big tent tries to take off without filing a flight plan.

Not much to talk about this month. The Dust-off has come and gone. We should have an idea on how we did financially at the June meeting. Although it did not rain until the afternoon, it did discourage

participants from hopping into their Corvairs and heading to New Hampshire.

We are into the season despite what the weather would have you believe, so send me photos and info on events in your area and drive your Corvairs.

June Club Tour to the Great Race Lunch Stop

6/26/18 Club outing to Mt. Washington for a planned stop for the Great Race. Details, below.

Member News

Several members got together for a Memorial Day cookout at the Stewarts. The weather was overcast and chilly but the food and companionship were great. Other than the Stewart's Spyder parked in the garage, there were no Corvairs present but there was one Porsche.

After some initial conversation and the mass

consumption of food, the men and women split into separate groups with the women solving most of the world's problems and the men dealing with the rest.

Later in the week, many of the same people plus a few more got together for supper at Shiloh's. It's been said that NHCC does not stand for New Hampshire Corvair Club, it stands for New Hampshire Culinary Club. How we love to eat. We also discovered that some of the best waitresses are named Victoria. Victoria Stewart is now waitressing at Pauli's Bakery and Restaurant in Tilton, open daily until 1:30 pm. The other Victoria works at Shiloh's.
