VOLUME 46, NUMBER 6

June 2018

Formed By And For Those Who Still Appreciate The CORVAIR Automobile

## Minutes of May Meeting

DATE: Wednesday 5-23-18  
TIME: 7:30 PM  
PLACE: First Trinity Church

Our last indoor meeting was called to order by Pat Murphy at 7:30 PM. We had the following 9 members in attendance and 1 guest.

Joe Pendolino  
John Dawley  
Gary Swiatowy

Bill Gworek  
Joe Grifasi  
Pat Pilon

Pat Murphy  
Chuck Facklam  
Dick Dahmer

### Topics discussed

No new or old business was discussed, but we sure had an interesting speaker.

Our speaker was George Nash who is a retiree from the Tonawanda Engine Plant and he kept us on the edge of our seats with his recall of history from GM. Until last year he owned a Corvair and was instrumental in design of the Corvair Engine. Must say he is one amazing person who is now 100 years young.

Many thanks to Chuck Facklam who brought George to the meeting and shared some engine insight with us as well.

Pat Murphy and Gary Swiatowy recorded George's presentation. If anyone wants to see what was said, check with Pat or Gary and they may be able to send a copy.

### *Adjournment*

Our meeting was adjourned at 8:45

Have a good month and I am looking forward to seeing at our next meeting.

"Summer" NFCC Secretary  
John Dawley

**We had a great guest speaker, George Nash, at our last meeting. George is 99 years old and had several stories to tell us, stories about the Tonawanda engine plant and engine development. Thanks Chuck Facklam for setting this up. It was the best attended meeting in quite some time.....Gary**

This car was stored well, needs top, but a decent project, Spyder dash 4-speed

Armature turned down on lathe

Tom went to great lengths to rebuild and test the starter.
