THE EDITOR'S DESK

By Dave McChesney

Here's another view of the real thing.

Sorry for the confusion regarding the date of our upcoming Tech-n-Tune. Evidently I was given some erroneous information. I believe what we have now, what is shown in this issue of the REAR ENGINE REVIEW is correct.

I've also been waiting on a write up about the recent Econo-run Northwest, as I would have like to have included it in this edition. However, it's time to get this issue out so I will press on without it. Hopefully it will show up sooner or later and can go in our July edition.

If you have news of an event or a Corvair story to share, send it along, and I'll get it in the next REAR ENGINE REVIEW. Pictures of events or of your Corvair are welcome too. Jpeg format is best, but I can work with anything. **(Articles or columns from club officers are especially welcome... hint! hint!)**

IT'S NEVER TOO LATE!

If you have pictures or other information about Corvair or automotive events from the past, feel free to forward. I'll do my best to include them, regardless of how long ago the activity occurred.

CLUB BUSINESS CARDS

Contact INLAND NORTHWEST CORVAIR CLUB Web-master Dave Fender for business cards with the new club logo on them. They have a place where you can add your contact information. Return address labels might be small enough to fit in the area provided.

The front of the card looks like this.
