FROM OUR PRESIDENT

Are you willing to help?

Well gang, as you may have noticed, there has been very little activity this year and that's pretty much on me. I think it's time for new leadership.

I can't really remember how long it's been but I'd guess I've been president for 20 years and probably wouldn't be too far off with that estimate. I like the job but with health issues and now the renovation and sale of our house, I haven't been able to do a good job for the club.

The president's job isn't hard; a little scheduling and asking for help when needed is all it takes. I've spoken to one club member (who didn't say "no") but really the way to do this is to build a team from elected volunteers. I'm willing to assume a secondary role in a new team but we need to build that team. Are you willing to help in some way?

In the fall after all of our summer activities have wound down, let's have a casual "all-club" meeting, maybe a fall tech-n-tune / BBQ and work on a plan.

Craig Nicol

THE EDITOR'S DESK

By Dave McChesney

The real thing, again!

As editor and on behalf of the entire Inland Northwest Corvair Club, I thank Craig for his input to this month's issue of the REAR ENGINE REVIEW. Perhaps the constant hinting for contributions from club officers has finally paid off.

Craig is right. It is time for elections and perhaps a turnover of duties and responsibilities within the club. And perhaps it is time we got back to following our by-laws a little closer than we have been. I urge everyone to consider serving in some capacity, whether it is as president, other officer or board member.

I'm thinking November might be the time to have a general meeting, both to elect a new slate of officers and to plan events for the following year. We potentially have something lined up for the other remaining months of 2019.

If I don't make it to an Inland Northwest Corvair Club event, I need your help to get it in the REAR ENGINE REVIEW. Snap a couple of pics and send them and a brief note to your editor, and I'll try to get it in the next REAR ENGINE REVIEW. I can always use pictures of events or of Corvairs in general. Jpeg is best, but I can work with nearly anything. I can even scan actual photos if need be.

Dave McChesney

IT'S NEVER TOO LATE!

If you have pictures or other information about Corvair or automotive events from the past, feel free to forward. I'll do my best to include them, regardless of how long ago the activity occurred.

CLUB BUSINESS CARDS

Contact INLAND NORTHWEST CORVAIR CLUB Web-master Dave Fender for business cards with current club logo on them. They have a place where you can add your contact information. Return address labels might be small enough to fit in the area provided.

The front of the card looks like this.

TREASURER'S REPORT

Submitted by Dave McChesney

It's been super slow since the last report. We gained an estimated 8¢ in dividends at the end of July. (We have been told that a member will be sending dues, but they had not arrived the last time the Post Office box was checked.) We now have \$261.25 in checking, \$1119.21 in Savings, for a Grand Total of \$1380.46.

We still show eight members owing dues. Membership is \$15.00 per year. CORSA members pay \$13.00. We also show one vendor owing the \$20.00 ad fee.

**Please send check or money order to:
Inland Northwest Corvair Club
P. O. Box 9689
Spokane, WA 99209-9689
or bring payment to a club event.**

If you no longer want to be in the Inland Northwest Corvair Club, let us know. We check the Post Office Box weekly and deposit received funds the next week.

MORE PICTURES

Here are a few more photos of the club's drive around Lake Coeur d'Alene last August.

This one was also taken in Harrison.

We stopped to eat lunch in St. Maries, Idaho. Here, club Corvairs (plus one Nissan Frontier) occupy the parking lot.

Hating to waste this little bit of space, your editor provides a pic of his newly painted abode.
