September 2019

Labor Day in the United States of America is a public holiday celebrated on the first Monday in September. It honors the American labor movement and the power of collective action by laborers, who are essential for the workings of society. It is the Monday of the long weekend known as Labor Day Weekend. It is recognized as a federal holiday.

We had a guest speaker in August. Ron Moss' cousin Reuben Moss is the Vice President of the Hagerstown and Frederick Electric Railway Historical Society (Trolley) and is a highly regarded railroad and trolley historian. Reuben had a great presentation.

Ron also had a wealth of Knowledge on Middletown and the electric rail.

Mike and Bruce also added information on the rail and the area.

I enjoyed listening to all 4 of them and learned alot about the area.

TREASURERS REPORT: Treasurer Bob Millard reports a balance of \$1,387.56. Club dues of \$15.00 are now payable. If you cant attend the meetings, mail your check to Bob at 20620 Guard Court, Rohrersville, MD 21779. Also, we strongly encourage you to join CORSA if you havent already.

From the President

Last meeting, Tom had asked if there was anything you would like to do differently at the meetings. Would you like to see more videos? Have more guest speakers. Would any of the members like to do a presentation. Would you like more time to share. If you have any suggestions, please see Tom.

Tom made it in print. He had noticed an article in Hagerty Magazine had provided misinformation and he wrote them about it. Hagerty acknowledge his letter in last months magazine. Go get em, Tom!

Tom also made a friend of a 79 year old gentleman who share his love of the Corvair. That's what it is all about.

Tom also noticed a set of Clarks Liquid Shocks were different lengths. He told Clarks about it and they made it right.

Go Around

Most everyone was working on various projects on their Corvairs. Ray talked about racing his car. Dale talked about a road rally in Wisconsin. Ron won 1st prize on his wagon. Bruce talked about Corvair Days at the AACA Museum in Hershey.

Please keep Mike, Ron, Donny, Doris, Vicki, and anyone I'm not aware of who are having health issues in your thoughts and prayers.

Please let me know if I got any of the above info. wrong. I will correct it in next month's newsletter.
