## HOSPITALITY HELP

Ken and I would like to say a very special thanks to the following volunteers:

Carol our little Energizer Bunny, to our very loyal, hardworking, Faye, Dawn, Jamie, Judy, Darlene and Len.

To our first timers: Linda, Grant and Munk, thank you for your help and your support. We couldn't have done it without your help.

A special thanks to our members who donated food/snacks. Joanne Hartzel, Who does a great job with her pulled pork for our Friday Lunch and her meatballs on Saturday. Anna Balow, with her famous cabbage dish, to the Ackerman's for the great homemade bread, (I apologize that I don't know your names) and our members who donated the little fish snacks. **RUTH SWEENEY & KEN PEPKE**

## AN APOLOGY

Y'all came to eat but, for reason or reasons I cannot explain, I FAILED to give good portions :- ( of the meats on Saturday. Apparently a fear of running out punched my 'STINGY' button. I am so SORRY and I PROMISE to do MUCH better at the NEXT Homecoming. **KEN PEPKE**

## August Meeting Minutes

Great turn out of people and cars!

### NO MEETING ON LABOR DAY

Enjoy your holiday and come see us on September 9<sup>th</sup>.

Casey stated we had \$9307.47 in our account. Ken indicated we have 3 new members and 119 is our current memberships.

Outings too many to list here look elsewhere in Aircooler.

I had asked the group that if they help for more than one thing at Homecoming to stand up and then had them stand up if they helped with one thing. It was great to see how many are active. I encouraged the rest to help out. It takes a village to pull off this big of an event. We did a vote yes we are doing the valve cover races this year.

I showed some ideas for crafts to be done at Homecoming if I could get someone to step up and help run the event. I even offer to get all the supplies necessary. I received a few maybes but no yes I can.

Jim Farris joined us for the 1<sup>st</sup> time he bought a '65' Corsa convertible he lives in Clarkston.

Tim Bramble showed us a very nice picture of his car. Hopefully the gentleman who printed and framed his car will be at homecoming to take pictures for us. He paid \$40 for it. Well worth the money.

**Swap n sell** -- Ken Hand has a purple '65' Monza coup for sale \$7500.

Ken Pepke has a '65' Monza coup for sale runs great, the windshield not leak but, has some small rust spots. 110hp NEARLY NOS eng. \$3350.00 obo.

Pete C has 4 tires 165x80x13 LM wheels \$50 2 will hold air 1 holds all week 1 a couple of days. He also has '64' turbo heads \$300 for the pair.

Robert Jennings has 7x10 13's tires for \$100

On Facebook Marketplace in Waterford there is '69' 140hp engine for sale.

50/50 Casey walked away with \$80 and Chris B received the attendance.

**Lori Komora ~ Secretary**

## Board Meeting

Bill V., Grant, Bob W., Casey, Ken P., Lori

We agreed to do a donation in Bill Johnson's honor to American Heart Society.

Homecoming status we have 90+ registered all but 15 have already paid.

We talked in more detail about the best way to put our roster out to our members and I had indicated I know many people visually but I am bad at names. So an idea of at homecoming having someone at registration take pictures of each with their car tag and we could merge this with the roster. **Lori Komora ~Secretary**
