THE EDITOR'S DESK

By Dave McChesney

The real thing, again!

As I write this, one week remains before Palouse Days. I hope many of you have decided to head south and participate in the festivities. The Show and Shine car show is a great event and at a most reasonable price. There is also a parade and I hope more of you have decided to take part in that as well.

I'll be there, but my focus will be on celebrating the 50th class reunion of the Palouse High School Class of 1969. I'm looking forward to seeing as many of you as can make it there.

The latest word from Mark is that Cider Fest will not be happening this year. Having October open gives us a bit more flexibility in meeting to determine our future leadership roster. October or November should be open for a general meeting, both to elect a new slate of officers and to plan events for the following year.

If I don't get it to a club or other automotive hobby related event, help me get the news in the REAR ENGINE REVIEW. Snap a pic or two and send them to me along with and a brief note. I'll get it in the next REAR ENGINE REVIEW

REAR ENGINE REVIEW

IT'S NEVER TOO LATE!

If you have pictures or other information about Corvair or automotive events from the past, feel free to forward. I'll do my best to include them, regardless of how long ago the activity occurred.

Contact INLAND NORTHWEST CORVAIR CLUB Web-master Dave Fender for business cards with current club logo on them. They have a place where you can add your contact information. Return address labels might be small enough to fit in the area provided.
