From Our President

There is a very interesting article in Hemmings by Richard Lentinello. Check it out.

The Corvair Museum, currently located in Decatur, Illinois since its inception two years ago, is relocating. The Corvair Museum will reopen on December 1, 2019 at its new location, 10041 Palm Road - a.k.a. Route 66 - in Glenarm, Illinois. Annual support and Donations are appreciated.

Do you use the Corvair Center Forum. It is a wealth of information.

Mark your calendar, Corvair Convention is in San Diego, July 6-11, 2020.

New Movie coming out "Ford Vs Ferrari". It looks like it would be very entertaining.

Discussion around the room

Dick suggested doing a Cover Bridge Tour in 2020. There were discussions about various car shows and cruise ins. Donnie suggested getting together with Golden Gears to do a show. There was interest in doing a show and sponsor a charity drive.

We then had our go round to find out what everyone had been up to. Tom's Corvair was being painted. Bob Mallard let the group know that it's a good thing to have a trailer. Diana told us the Dale was moving cars and told us about the turn out for the Garage Open House and Birthday party. Bob Moats talked about and answered questions regarding his Toy Corvair Car Collections. He is a fountain of information with it comes to the toys. Lou, Bruce, Jeff, Dick, Frank, Rick, Donnie were either giving their Corvairs a break or working on them.

It's always a fun time to hear from everyone at the meeting.

Happy Birthday to
Rick Sanford 12/11
Rudy Schleigh 12/16

Happy Anniversary
To

Julia & Terry Glendenning

*May God Bless you this Christmas
and may the true meaning live in your
hearts forever!
