For the second time we will be heading south of the border to North Carolina to see a huge warehouse full of everything from antiques to junk. Then we will go to an all you can eat restaurant that has been in business for 70+ years - hopefully they know how to cook by now! Plus other adventures await us. You must register! CVCC CUSTOM T-SHIRTS

CVCC member Andrew Watkins has some friends breaking into the t-shirt business and are trying to make a name for themselves. They have developed a t-shirt for our club. Price is very reasonable. To order or get more info,

CVCC-TCC-VFC DRIVING TOUR

The CVCC is teaming up with the Tidewater Corvair Club and the Virginia Fiero Club for a fun driving tour of the Richmond-Tidewater area. This is still very much in the planning stages but we anticipate this happening on April 18th.

Initial plans are to meet in the Richmond area on Saturday morning. We would head southeast over the Benjamin Harrison Bridge and travel to Surry where we would take the Jamestown-Scotland Ferry over to Jamestown. We would then travel the Colonial Parkway into Yorktown where we would have lunch. Everyone would then have the afternoon to travel back home or stay awhile and explore the historic area of Yorktown, Jamestown and Williamsburg!

Top: Benjamin Harrison Bridge
Above: Scotland-Jamestown Ferry
Top Rt: Colonial Parkway
Right: Lunch at the Yorktown Pub

More specifics will be coming in the next newsletter.

SWAP MEET

For February or March, we are looking to have a swap meet. There's not a lot of Corvair driving weather during this time so why not get together and bring all of those spare parts that you don't want and sell them, give them away or swap them for something you really do need? While you're there, you just might find that item you've been looking for or the one you didn't even know you needed! We are hoping to get the Classic Car Center in Fredericksburg to allow us to come and tour the facility and use their meeting room for a swap meet.

The Corvair world lost another good one...RIP Junkman Dan Heckle...thanks for all the cool parts you made and rebuilt for us...thank you to those who donated to his GoFundMe.

"Junkman Dan" has been a vendor at past Vair Fairs as well as many other Corvair shows

Club member Red Edwards of Hopewell passed away in June 2019. At the time of his death he still owned a '63 Monza convertible that he bought in the late 1970's. Its a 102 hp/4-speed. It has been garage kept but had not been driven for 20 years. His son, Doug Edwards, got the car running to include new gas tank, brake wheel cylinders, brake hoses and master cylinder. This is car is not perfect, but is presentable. The interior and top are good. The front seats appear to have replacement upholstery and it has a replacement dash pad. The rear seat looks original but good. Some pictures are attached. It is offered at \$8500. Doug has it listed on Hemings and on Craig's List at the following link. Contact him if you are interested.
