March 2020

Happy St. Patrick's Day!

I can't believe that we're already in the third month of the year.

For the February meeting, we recapped 2019

January, we went to Dunkin Donuts on New Years.

February was a blur. March Jose Bueso of Dymamic Auto talked to our club. April was our annual Pizza Party. May, we lost a dear friend, Dale Aldridge. June something must have happen and I'm sure we had a good time, July was our outdoor Meeting, everyone brought their Corvairs and showed them off. August, Rubin Moss gave a talk on the electric railway. September was our annual picnic.

October, Dale Graves had an open house and birthday party and some of the members went to the Corvair Days in Hershey. November we must have been focused on Turkey and the fixings. December we had our annual Christmas Dinner at Keystone Country Kitchen and had a very enjoyable time.

It is a privilege to be a part of this wonderful group!

New Business

We discussed the Pizza Party in April, everyone was in agreement that we would continue to have it at the dealership. We also discussed the picnic and a possible change in location. Devil Backbone is one of the possibilities. We need to decide soon to be able to reserve a pavilion. It was suggested that the Christmas Dinner would be change to Western Sizzlin'. This was tabled for now.

Tom showed us some interesting videos on youtube. The first was Jeep's Ground Hog's Day Commercial with Bill Murray. It was aired during the Super Bowl. The

second was a Corvair 95 video of a military Vehicle 4 x 4 AGL-4. It was amazing. It could go about anywhere. The third was about the Gamma Goat, another Corvair military vehicle. You'll have to check them out.

Rick Sanford now belongs to the Amelia Island Car Club. They are doing good.

UPCOMING EVENTS

(If I don't have the dates, I will email them when I get it. If info is wrong or you want to add anything, let me know.)
