More Good News!!!

Cruise-ins at the Hagerstown Valley Mall start up on Saturday, July 11 from 5:00-8:00 pm.

Unfortunately

Here's a news item regarding a car show - The FSK Antique Car Club has cancelled their Annual Rose Hill Show scheduled for August 15. Frederick County has closed all their facilities to outside events due to COVID-19 and Rose Hill Manor is included in that ban.

A Note from Dave Maynard

I am using covid-19 time to strip my monza vert preparing to paint. I discovered the right rear quarter has been replaced due to accident. Things don't line up quite right. Bodies don't look the same when uncovered. I intend to paint it myself...if I don't chicken out. I am trying to have it ready for September in York Springs

Thanks, Dave for your Email

THINGS FOR SALE

This car came from Florida seven years ago. From what I can tell it was a nice car. Judging from the interior wear, it still has its original battery cables. This was a good car. The owner decided to do a Full restoration. Paid a Body Shop to strip the body, replace the panel at the bottom of the windshield and prime it with metal eching primer. It's still has drive train in it. 140 / 4 so. The code (RB) is 65 Corsa Manual. Options were Comfort Convenient package. Wood Wheel, rear speaker, bumper Guards, wire caps (5), locking Spare tire. It's a rust free Corsa Coupe. Have any one call me. The owner would like to Get \$1,000.00 but will take anything at this point.

We received an email from a gentleman who has a 1965 Monza Convertible for sale. He has some health issues, needs to downsize, and can't enjoy the car anymore. It is a 1965 Monza Convertible that he purchased in Florida 8 years ago, it was red and he had it repainted to a light blue. It has the 110 engine, which was rebuilt 5 years ago, and Powerglide transmission. Current mileage is 67k and the car has been sitting under cover for 3 years. It will start but won't keep running - most likely due to bad gas. Asking price is \$7,500.00. Pictures are attached. Contact
