Tech Guide 4

CORSA has released **Tech Guide Volume 4** for purchase. See page 2 for details.

Also, CORSA is now accepting **paypal** for payment of annual dues and merchandise. Visit www.corvair.org for details.

VairFest News

Registrations are coming in. We're approaching 20 Corvairs and hoping for at least 30. Please send in your registration soon and join the fun.

Also, rumor is that the **Melodrama Theater** may be re-opening in mid-June, which means that our traditional **Night at the Melodrama** on Saturday evening after the car show, might just happen this year. Stay tuned for updates.

Remember, VairFest details including dates, **registration form** and more can be found on our website www.centralcoastcorsa.org

Monthly Raffle

Bryan Stull was the winner of May's raffle. Unfortunately, I've been unable to reach Bryan either by email or phone. If any of you knows how to reach Bryan, please let me know.

The next winner will be chosen at our in-person Chapter meeting on June 5.

Next Chapter Meeting will be held live and in person on **Saturday, June 5**, at 10 AM, Branch Street Deli, 203 E Branch St, Arroyo Grande, CA. New faces are always welcome.

Corvair Museum – Virtual Tour

The Corvair Museum, which moved to Glenarm, IL in November 2019, can now be seen via a virtual tour on CORSA's youtube channel. The tour was filmed on May 27 during the mini-convention in Springfield, IL. I attended the convention and toured the museum in person and was very impressed. Check it out for yourself at:

Just for fun

The other day, I came across a vintage CORSA membership drive promotional video on youtube. Some of you might have seen it before. But if not, here's the link:
