THE EDITOR'S DESK

By Dave McChesney

My 1962 Rampside, Tim, enroute to his new home, back in 2014

This will probably be a short issue this month. I'm running behind and want to get it out, so it'll be a minimum issue this time. Sorry.

If you have ideas or suggestions for future events, please contact me so I can get them listed. More importantly, contact our activities person, Tom Schager. If you know of an event many of us plan attend and learn it's cancelled or rescheduled, let us know.

Up this month we have Cider Fest. I hope the information in this issue reaches you on time

Consider the idea of elections as the year ends. If you don't hold a club office, please consider it. We need a secretary, a web-master, and a board of directors member. If we don't hold elections at our Christmas/Holiday event, maybe we should schedule a January 2022 meeting for that purpose.

As always, I appreciate any input any of you might have for the REAR ENGINE REVIEW.

IT'S NEVER TOO LATE!

If you have pictures or other information about Corvair or automotive events from the past, feel free to forward. I'll do my best to include them, regardless of how long ago the activity occurred.

CLUB BUSINESS CARDS

Contact INLAND NORTHWEST CORVAIR CLUB member Dave Fender for business cards with current club logo on them. They have a place where you can add your contact information. The extra small return address labels might be ideal for this.

The front of the card looks like this.

(I've cropped the URL from the club emblem on the front cover as we currently do not have a web-site.)

TREASURER'S REPORT

Our Treasurer's Report is sent monthly to Inland Northwest Club members only, via e-mail and USPS.

Bring a dish to share and some chairs.
It's a family event so the swimming pool
will be open. (Plenty of parking!)
We will have masks available upon
request.

Directions to:

6824 Shannon Way, Deer Park, WA.
We are 1/2 mile past mile marker 21 on
HWY 291. Turn right on McAllister Rd.
and go 100 yards to a dirt road called
Mylena Way. That is my driveway. It's
2400 feet long and becomes Shannon
Wy at the top of the hill. My home is at
the very end with a vineyard, a shop,
and lots of green grass

Note: Drive slow! The driveway has
some dust.

REAR ENGINE REVIEW

PALOUSE DAYS

For the first time in as long as most can remember, Palouse Days 2021 turned out to be somewhat of a wash out. Yeah, it rained. Still, the show went on, but the number of cars on display was definitely reduced, and awards and prizes were given away early to allow folks to get out of the rain and on their way home. A number of the other events associated with the celebration were curtailed or cancelled as well.

Having lived there and graduated from Palouse High School way back when, your editor took a chance and drove down for the day. As I usually do, I put my 2014 Nissan Frontier Crew-Cab in the show, mainly as it guarantees me a place to park and there are almost always a few interesting items in the participant's goodie bag.

Later, when I returned to the city park and the car show, I spotted fellow INCC member Bob Sherman's Corvair. Got a picture of it, but as it turns out, that was the only one I took. (Usually I get a bunch of pics at Palouse.)

Hoping the weather is better for next year.
