THE EDITOR'S DESK

By Dave McChesney

My 1965 Spyderized Monza Coupe, aka Ralph! Pic is probably from the late 1990s or early 2000s.

Once again this will probably be a short issue. I was unable to make it to Cider Fest last month, and thus I have no pictures or other information about the event. Despite putting out a call for pictures or other data, I've still not received anything. I do appreciate the two very picturesque photos John Vujovich sent one of his Corvair at about the same time. One is on the front cover, and the other elsewhere within this issue. Thanks John, appreciate it.

Also, thanks to Tom Schager for his notes about Corvairs seen in the area.

I don't think there is anything on the club calendar for November. Tentatively December would see us gathering for a Christmas/Holiday Party, but so far no details have been put forth.

Once again, I suggest we consider elections as the year ends. If we don't hold elections at our Christmas/Holiday event, maybe we should schedule a January 2022 meeting for that purpose.

As always, I would really appreciate some input for the REAR ENGINE REVIEW.

IT'S NEVER TOO LATE!

If you have pictures or other information about Corvair or automotive events from the past, feel free to forward. I'll do my best to

include them, regardless of how long ago the activity occurred.

CLUB BUSINESS CARDS

Contact INLAND NORTHWEST CORVAIR CLUB member Dave Fender for business cards with current club logo on them. They have a place where you can add your contact information. The extra small return address labels might be ideal for this.

The front of the card looks like this.

(I've cropped the URL from the club emblem on the front cover as we currently do not have a web-site.)

TREASURER'S REPORT

Our Treasurer's Report is sent monthly to Inland Northwest Club members only, via e-mail and USPS.

CORVAIR SIGHTINGS

Sent in by Tom Schager

Kathy Schager noticed what she thought was an early model Corvair convertible at approximately 9th Ave. and Ray Street in Spokane, going up towards the south hill under some trees in the driveway of an older home set back off the road on the west side of the street. Have no idea what the status of the car is.

Recently Tom Schager was contacted by one of Don Young's daughters about his two Corvairs. Don is the former owner of *Don's Stereo* in Spokane. The two are '65 vintage Corsas, one being a convertible and the other a hardtop. Both are believed to have 140 hp engines. Don bought them both brand new and added lots of bling to the engine compartment. They have been sitting in his yard, one covered with a tarp and the other exposed to the elements. Craig Nicol and Tom were on target to go see the vehicles to give the family an idea of their true condition and value. They've been waiting for a call to go out and visit but, so far, no one has contacted them.
