October Meeting Minutes

Persons in attendance:

This meeting was held at Trinity Lutheran Church. Sure is great to be back at this “winter location again. No more online meetings.

Those in attendance were:

Gary Swiatowy
Joe Pendolino
Pat Murphy
Dick Dahmer
Tom Koprevich
John Dawley
Angelo Rizzo
Rick Cousineau

Treasurers Report:

Dick Dahmer read off the Treasury status. It was approved by all.

Old Business:

None discussed at this time.

New Business:

Joe advised he was in contact with the church and all is well for meetings there for the remainder of this season.

The format for our new business was briefly discussed. Some suggestions were made to “fine tune” the layout.

A Swap Meet at the Frontier Fire Hall was mentioned. It will be 10-31-21 from 9:00 am to 3:00pm.

Gary mentioned Larry Claypool had been providing Zoom online Tech sessions. Check with Gary for more details on Larry’s future meetings. Interesting “stuff” since Larry is the acknowledged Corvair Guru.

Some interesting tips were discussed for storing a vehicle during the winter. In addition to usual items such as fuel preservatives and sprays the suggestion of placing “Bounce” dryer sheets in the vehicle to discourage rodents was interesting.

I hope everyone has had a good month and I am looking forward to seeing you in the spring.

Pat Murphy found a spot to get some pictures on the way back from the road trip.

One thing we all forgot to bring up at the October meeting is the fact that in November nominations for club officers are open with elections held in December. How could we all forget that?.....Gary

It appears Tom Koprevich has a new addition to his collection.

Tom says this one is relatively rust free, and even came with the elusive horn covers which tom has already sand blasted and powder coated.

Tom, we are going to need a lot more pictures of this!
