I went to the Pembroke, Corfu, Darien Kiwanis car show this year and somehow I thought they may have parked me in the wrong class, not sure.

By the way, pictured below is this years "Dash Plaque" they gave away to the first 200 or so participants. I repeat, that is the dash plaque, not an award. Weighs about 8 pounds. PCD Kiwanis gives out amazing dash plaques each year.

## Regarding our December meeting!

This is our annual “Toy and Memorabilia” event. Bring in some of your Corvair Toys or any automotive related items, sort of an adult show and tell. Then again, who ever said we were adults? I usually bring along something to most indoor meetings, and everyone is welcome to do so as well. Makes things interesting. Have any ongoing project pictures? Bring them as well.

Actually, if you have any pictures of any events, or projects send them to me for the newsletter.

[gswiatowy@rochester.rr.com](mailto:gswiatowy@rochester.rr.com).

Also, the December meeting is our annual election of club officers. If anyone is interested in serving the club in any capacity, let us know!

Winter weather note: In event of bad weather, check your email to see if the meeting is cancelled. We would rather anyone stay safe, there is always next month. . .

Tom Koprevich is starting to strip down his wagon project and is using rust 911 to remove rust before painting small parts. Window tracks were rusty, totally clean now after using this.

Tom says the body looks great after stripping the paint off.

Headlight assemblies all restored and ready to go.

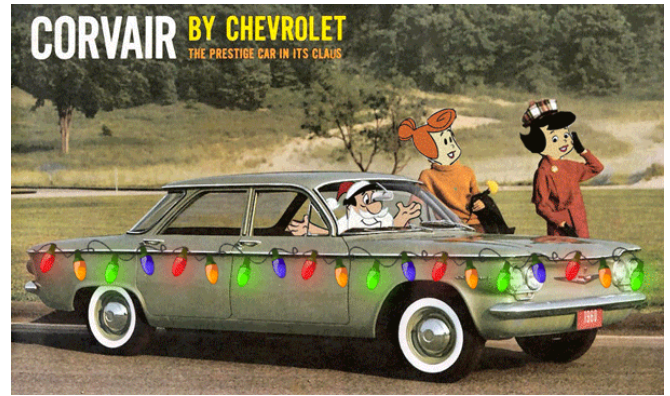

Tom restored the door latch strikers.

Rebuilt and powder coated door hinges including new brass bushings.
