July 2022

From The President

"It's a sure sign of summer if the chair gets up when you do."  
– Walter Winchell

Here we are in the heat of the summer and any pants you now wear turn into sweat pants. It is now a good feeling to again have our monthly meetings at Fitzgerald's Auto Mall. We did receive permission to again share Corvair video information on the dealership's large wall video screen. At our June meeting, we were able to watch CORSA's last month's video of Carl Kelson's beautiful collection of cars, at his residence in Melbourne, Victoria Australia. It was very interesting to hear him talk about his beautiful right hand drive 1965 Monza convertible. The link is available here, <https://www.youtube.com/watch?v=V6senDYNbRg>, if you would like to view it.

We also discussed the upcoming Corvair Convention to be held in Peachtree, GA from 07/12/22 to 07/16/22. Jeff Ostroff and myself plan on attending by way of a rental car. For this reason, we will not have our July monthly club meeting at the dealership. I have left a message for Fitzgerald's to allow us to use their front parking lot for our August meeting to show off our cars and have the meeting outside. On the Monday before our August meeting, I will then confirm with them our use of the lot. Look for an email on Tuesday before the meeting if a denial would occur, but I expect to receive approval. There are quite a few car shows coming up in July and August, so get your Corvair out, let it sweat a little with you in the heat and enjoy the smiles when your Corvair is admired by the young and old alike.  
Happy Vairing!

## Financial Report

So far I have received \$35 in dues. The current bank balance is \$1,515.94.

Bob Millard

### Dues are Due!

Upon speaking with Bob Millard, our treasurer, myself and one other club member are the only two members that have currently paid our club dues for the next year.

Please be sure to get your \$15.00 dues amount out to Bob when possible. His address is always on the bottom of our newsletter. We will start printing names of those non-paying members in our August and September newsletter to remind everyone that after 09/30/22, those who have not paid will be excluded from our club email and newsletter list.

Make your non-inflationary payment with a smile!

Tom - Club President

### Updating Member's Information

We are in the process of updating everyone's information.

I will be emailing everyone with a questionnaire.

All you need to do is to hit reply on the email and answer the questions. Then hit send. If you need any help just let me know.

I will need your reply as soon as possible.

If you would like to attach a picture of you and your car/cars, that would be great.

Thanks In Advance to all your help!
