THE EDITOR'S DESK

By Dave McChesney

January of 2014 and your editor's '62 Rampside (aka Tim) is headed for a new home in Western Washington with new owner Roland Martin.

As it turned out, my plan for the last issue went somewhat astray. I woke up on the 5th of June not feeling at all well and thus did not make it to our event at Roger's. That meant no material about the event in the last issue. Thankfully I was later sent a few pictures and some brief notes that I'll try to include here.

This month we are scheduled to drive around Lake Coeur d' Alene. We did this a few years ago and was a lot of fun if memory serves. As I have another event to attend the day before, there is a chance I won't be there this time. If that is the case, it would be great if someone could get a few pictures and maybe provide a brief write up about the day.

Thanks in advance.

Last month I wrote about trying to get back in touch with the other Corvair Clubs/CORSA Chapters in the region. I sat in on a Zoom meeting once and plan to do so again later this week. Looks as if I might again need to remind some of the other clubs to include us on their e-mail mailing lists for their respective newsletters. I've received one from one club so far. I also had a chance to sit in on a Zoom meeting regarding planning for the next Econo-Run, but for one reason or another,

did not. Hopefully I'll get a chance to resume doing that in the future. The main thing is, that as your editor, I want to be able to inform you of upcoming events in our region, such as the Econo-Run and more.

The above situation caused me to realize that we haven't had communications with the other Corvair Clubs in the region, those in Washington, Oregon, and British Columbia. We no longer exchange newsletters with each other, or at least we are not receiving theirs. I had been sending copies of ours to a few individual members in the various clubs, but don't know if they were sharing or passing along any pertinent info to their fellow club members.

As a reminder, if anyone knows of an event that other INCC members might be interested in, please pass it along to me so I can get the word out to the rest of the club.

As always, I would really appreciate any input you might have for the REAR ENGINE REVIEW. Don't forget to send along your birthday and anniversary information as well. If you would rather not specify the exact date, we can simply list you as having a Birthday or Anniversary in that particular month.

IT'S NEVER TOO LATE!

If you have pictures or other information about Corvair or automotive events from the past, feel free to forward. I'll do my best to include them, regardless of how long ago the activity occurred.

CLUB BUSINESS CARDS

Contact INLAND NORTHWEST CORVAIR CLUB member Dave Fender for business cards with current club logo on them. They have a place where you can add your contact information. The extra small return address labels might be ideal for this.

The front of the card looks like this.

(I've cropped the URL from the club emblem on the front cover as we currently do not have a web-site.)

TREASURER's REPORT

Our Treasurer's Report is sent monthly to Inland Northwest Club members only, via e-mail and USPS. For those members well behind in payment of dues, we do not press for back dues, but only for payment of current dues.

CELEBRATE THE DATE!

INCC members, let us know your Birthday and Anniversary dates and those of your most immediate family. We'll help you celebrate by listing your special days here. Who knows, a fellow club member might send you a card!

A DRIVE AROUND LAKE COEUR D'ALENE

For July, the Inland Northwest Corvair Club plans to drive around Lake Coeur d'Alene and see the sights.

This trip is scheduled for **Sunday the 17th of July**. We'll meet at the **IGA** at 12th and Sherman in Coeur d'Alene at **10 am** and proceed from there. (1-90, 15th St. off-ramp, South to Sherman Ave., right to IGA.)

Our route and planned stops will be much as it was when we did this in August of 2018. Then, we stopped in Harrison, Idaho and later had lunch in St. Maries.

MORE ABOUT: SUNDAY AT ROGER'S PLACE

Thanks to Tom Schager we do have a few pictures of the event. And thanks to John Vujovich for providing the information detailed below. He did some detailed color sanding on areas of Roger's Rampside. He also did a bit of paint correction on his '63 Spyder. Craig was busy with carb tuning on both Roger's Monza convertible and his 140 hp. Rampside. Bob Phelps drove his 65 Corsa through the rain to make his the only Corvair driven to the event.

CAR D'LANE OPEN CAR SHOW

This annual event took place on Fathers Day weekend with a cruise on Friday night and a car show filling the streets of Coeur d'Alene on Saturday. It is understood that some members of the Inland Northwest Corvair Club took part, at least in the show. We have not received word as to anyone from the club participating in the cruise the evening before. Nor have we received any word as to exactly who participated, along with any pictures they may have taken.

Following the car show, at least some folks headed to the Nicol's, or were met there by other club members for BBQ. Those present at the BBQ included Dave Raezer, Roger Becker, John Vujovich, Dave McChesney, a lady whose identity is not known to your reporter, and our hosts, Craig and Jan.

As other guests had already seen it, Craig gave John and Dave a tour of his garage and shops. Not long after, the grill had done its work and all ate with a hearty appetite.
