VOLUME 50, NUMBER 10

October, 2022

Formed By And For Those Who Still Appreciate The CORVAIR Automobile

We Had beautiful weather and a decent turnout of Corvairs for our car display and history of the Corvair presentation at the Tonawanda Kenmore historical society. This is the second time we did this presentation at this location, it has been several years since we last did it. There are even a few Corvair items inside the museum, due of course toe the Tonawanda engine plant connection to our Corvairs. Video: Introducing the 1965 Corvair

Battered but far from beaten, the Corvair boasted all-new styling and fully independent rear suspension for 1965. Here's the pitch on the beautiful and controversial rear-engine Chevy.
