THE EDITOR'S DESK

By Dave McChesney

Way back when... your editor's '65 Spiderized Monza sitting on the street in front of our house. Picture might even be from the last century. The last I saw of "him, Ralph was headed to a new home in Montana.

Once again I find myself putting the newsletter together at the last moment. I admit I am a procrastinator of sorts, but I have also been waiting on information about a potential event. But time is running out, so I will compile this edition and send it out, with or without the information. If it comes after the newsletter goes out, I'll send it separately.

For November I'm still suggesting elections. I believe it is past time to do that. Craig has resigned as President, and we also need a Secretary, and a Board Member. It's time for others to step forward and volunteer to fill these positions. It would be great to have more than one individual sign up for a position so we can actually vote for a particular individual rather than simply confirming the one.

As a reminder, if anyone knows of an event that other INCC members might be interested in, please pass it along to me so I can get the word out to the rest of the club.

As always, I would really appreciate any input you might have for the REAR ENGINE REVIEW. Don't forget to send along your birthday and anniversary information as well. If you would rather not specify the exact date, we can simply list you as having a Birthday or Anniversary in that particular month.

A handwritten signature in blue ink that reads "Dave McChesney".

IT'S NEVER TOO LATE!

If you have pictures or other information about Corvair or automotive events from the past, feel free to forward. I'll do my best to include them, regardless of how long ago the activity occurred.

CLUB BUSINESS CARDS

Contact INLAND NORTHWEST CORVAIR CLUB member Dave Fender for business cards with current club logo on them. They have a place where you can add your contact information. The extra small return address labels might be ideal for this.

The front of the card looks like this.

(I've cropped the URL from the club emblem on the front cover as we currently do not have a web-site. If there is enough interest, I might see about getting us a web-site, a web-page on the CORSA web-site.)

TREASURER'S REPORT

Our Treasurer's Report is sent monthly to Inland Northwest Club members only, via e-mail and USPS. For those members well behind in payment of dues, we do not press for back dues, but only for payment of current dues.

PALOUSE DAYS

Those who have long participated in Palouse Days will tell you that last year's clouds and rain were an abnormality. According to old-timers, the little town's annual celebration has always taken place under sunny skies. The most recent event, held on Saturday, September 17th was no exception.

The car show portion of the event appeared to be a rousing success, with over 200 entries displayed in the city park. It was possible to spot a vehicle of nearly any vintage, from antiques our parents and grandparents would have been familiar with, to modern wonders fresh off the showroom floor.

Three members of the Inland Northwest Corvaire Club participated, but for one reason or another, none brought a Corvaire.

Craig Nicol brought his recently completed Ford Mustang.

Bob Sherman was there with his Thunderbird.

Dave McChesney washed his daily driver, a Nissan Frontier Crew Cab and placed it in the show.

This old fire truck belongs to the Palouse Lions, who do much of the work in putting Palouse Days together. If your reporter's memory serves, it was around when he lived in Palouse many decades ago. It led the parade along Main Street earlier in the day.

Denice and Barry Myers were also there, although they didn't have a vehicle entered. It was their first time to check out this annual event, and your reporter understands they were quite impressed.
