New Corvair Museum of America to Offer Yenko Stinger Experience with APEX 2025 Campaign

HASTINGS, NE - It was an economy car, sports car, race car - even a van and a truck. And soon it will be the focus of a new museum in Hastings, NE. The capital campaign is underway to build the Corvair Museum of America in this town of 25,000, home of the only working Chevrolet Corvair dealership in the country. "We believe that this car and this moment in history deserve to be celebrated," board member Teresa Miller said, "and we're excited to present the Corvair Museum of America!" A centerpiece will be the Yenko Stinger Experience, a replica of the dealership where Don Yenko created 100 COPO Stingers, Corvairs specially modified for racing. Yenko, a car dealer and racing driver, would later become famous

From The Dashboard of Your DACC President, Mike Anstine mikeanstine@yahoo.com

Hello all,

Finally, the weather is starting to be in our favor. The time has come to get our beloved vehicles out of their winter resting places. I am finishing up some minor repairs and upgrade items on my 61 Rampside, then will move on to my 65 Monza that has been napping in a portable garage in my backyard. The first thing I will do is air out the car from a few months of sitting with peppermint oil in the car to keep the unwanted critters out. With potentially too many cars for my driveway/garage, I am not sure how I am going to play the grand game of vehicle shuffle this season, but I will make it work. I know, what a struggle to have, haha. I will be selling my 62 Corvan soon though. The project took a turn, and we are going in a different direction for my son. We finally have the new club license plate design finalized and ordered. We should have them well before Homecoming. As I said before, we will keep the same price for club members to purchase at \$5. I am now going to transition my focus to the clothing with the new logo (same as the plate). Stay tuned for details to come on that. Look forward to seeing a lot of Corvairs in attendance at our next club meeting in Waterford on May 1st. ■

May is the fifth month of the year in the [Julian](#) and [Gregorian calendars](#) and is the third of seven months to have a length of 31 days. May is a month of [spring](#) in the Northern Hemisphere, and [autumn](#) in the Southern Hemisphere. Therefore, May in the [Southern Hemisphere](#) is the seasonal equivalent of [November](#) in the Northern Hemisphere and vice versa. Late May typically marks the start of the summer vacation season in the United States ([Memorial Day](#)) and Canada ([Victoria Day](#)) that ends on [Labor Day](#), the first Monday of September.

April Meeting Minutes

Wow what a great turn out **tonight!** We have 52 people in attendance and by rough guess 12 were married couples the other 27 people were single club members. We have a great group of members who like to get together monthly!

Mike started the meeting off with welcoming the 1st time guests. Welcome to Stuart and Karen they have a '64' Vert and it's been in the family since 1974. Welcome to Paul he has a '65' Red vert.

Raven gave us an update about the **May 20th** Dust off with the West Michigan group. She has been running through the route and has nailed it down. She will be sending out a e-blast with more information. If you are so inclined you can meet at 10 for breakfast. We will have a stopping point in Fowlerville at Fowlerville farms off of 96 then we will proceed to Norms for (bring your own) picnic lunch.

Back to Bricks is having a Round Up the following day in Flint on **May 21st** at the Dort Financial building. Currently 750 cars are registered.

Mike H. updated us and we have 122 people that are current with their memberships.

I updated everyone about Homecoming. Please reserve your room even if you are unsure you can always cancel. Register for the event with Bob W. And as always we can always use help at Homecoming in the Hospitality room and registration table.

Pete K. talked about all the different Corvair Museums. It was great to hear about all of the different locations.

Swap n Sell. Pete C has wiper arms for \$1 each

Bill V. has (5) 92 14x7 wheels \$125 5 lug.

Mike A. has a 62 Corvan runs nicely 3 speed \$4000

Attendance was won by Kim A. Next month the car on the Bowling Alley Marquee will be Len N. the 50/50 winner gets \$90 and that went to Linda T.

Lori Komora

Secretary ■

From the Rear Deck of the DACC VP, Pete Cimbala

Here we are in late April and it has been 80 for a couple days and people are getting the old cars and trucks out. Saw an 80's Monte Carlo, a Cutlass Supreme and a Model A cruising the streets of Flint **today**. There will be many more out and about in the next few weeks. I started the 72 C-10 and went for a ride **last Sunday** and maybe I will get a Corvair out next, looked at a few post on Facebook of friends enjoying some local events. Talking about that Raven is hard at work planning where we can go as a

Continued on pg 6

Homecoming update!

Homecoming is fast approaching now is the time to register for the event and your room. When I reached out to the hotel to find out how things were going, I was informed that 41 rooms have been reserved. Many of you have not made your reservations. You can always cancel your room 48 hours in advance **so please book your room at the room rate before it goes away.**

Homecoming is a wonderful event and only is possible when people step up and help out. We are always looking for help in the hospitality room and the registration table they are the two main areas we need the most help.

I am still looking for goodies to go into the goody bags. I have bags already I just need the contents. It would be nice to have some door prizes as well.

As of now I have had some wonderful people step up and helped me with the parking lot signs it looks like we will have them all completed before the event.

See you all in July!

Lori Komora ~~ Secretary and Homecoming co-chair

New Corvair Museum of America continued from pg 1

for creating high-performance versions of the Chevy Camaro, Nova and Chevelle. The museum will include a six-month rotating display of various Yenko cars.

Mostly, it will celebrate a special era in the American automobile industry, 1960-69, marked by one of the most groundbreaking cars ever produced, the Chevrolet Corvair.

Marketed both as an economy car and a sports car, the Corvair's most unusual attribute was its rear-mounted, air-cooled, six-cylinder boxer engine. The unique design created more cabin space in a compact car with a nearly flat floor and lower roofline. With the introduction of the Spyder option in 1962, Corvair pioneered mass-produced turbocharging as well.

In addition to that lightweight aluminum engine, the Corvair also featured a four-wheel independent suspension and was named Motor Trend's Car of the Year in 1960. It was produced as a coupe, sedan, convertible and station wagon, as well as being a platform for a truck and van.

The Corvair Museum of America will highlight 11 different types of Corvairs, representing all 10 model years. In addition to the Yenko Stinger Experience, the museum will emphasize history and education with interactive, hands-on exhibits, including a racing simulator. A 200-person event room with catering kitchen, an automotive library and conference room, as well as a CorvAIR BnB and RV hookups, are also planned.

Hastings has been at the crossroads of the Corvair world since Chris and Stephanie Shade started Shade's Classic Corvairs in 2010. Since then, hundreds of Corvairs have come through Hastings to be restored, repaired or maintained. Corvairs from Hastings have been sold to buyers all over the U.S., Canada, Europe, Pakistan, Australia and New Zealand.

"We believe we have a unique vision to create an experience that celebrates the pioneering innovations represented in the Corvair," President Chris Shade said, "but this can't happen without your support." As a 501(c)(3) nonprofit organization, the Corvair Museum of America is seeking tax-deductible donations to make this tribute to an American original possible. Go to corvairmuseum.org to make donations, watch the video and virtual tour, and purchase merchandise.

For more information, contact Teresa Miller at (515) 520-7209 or by email at teresa@corvairmuseum.org

Corvair Preservation Foundation

On behalf of the **Corvair Preservation Foundation** and **National Corvair Museum**, we want to congratulate Chris Shade on the announced plans for his Corvair Museum of America

On behalf of the Corvair Preservation Foundation and National Corvair Museum, we want to congratulate Chris Shade on the announced plans for his Corvair Museum of America located in Hastings, Nebraska. How exciting for car enthusiasts to have more than one place to visit and celebrate all things Corvair. As a result of this announcement and to clear up any confusion; we want folks to understand that the CPF National Corvair Museum and Mr. Shade's Corvair Museum of America are two separate organizations not affiliated with each other. To clarify, General Motors has an exclusive partnership agreement with our National Corvair Museum, and GM has declared it to be the official Corvair Museum of North America with additional endorsements from the Corvair Society of America (CORSAs). Our National Corvair Museum is located at 10041 Palm Rd. (Old Route 66), in Glenarm, Illinois, continues to serve the classic car community by preserving the history and legacy of this air-cooled wonder by acquiring and displaying items which include historically significant vehicles, many examples of production and custom cars and trucks, prototype engine displays, showcasing various sketch artwork, literature and memorabilia. In addition to researching, educating, and archiving Corvair's history and technical information, we're also proud to offer Frank Winchell scholarships to qualified worthy high school students of active CORSA members. In the meantime, CPF will be making some exciting announcements at this year's CORSA Convention in Wisconsin pertaining to the National Corvair Museum. Stay tuned.

Mike Hall

For more information on our National Corvair Museum, please visit our website:

www.nationalcorvairmuseum.com

DACC VP, Pete Cimbala continued from pg 2

group or just join others who like to drive cool stuff. Looking forward to the trip on [May 20th](#). To Norm's and meet up with the guys and gals from the other side of the state, and the next day checkout the Dust Em Off in Flint. Over 800 cars and trucks registered for this free show, as of press time there were 86 Corvettes coming. All we need is 10 Corvairs to have a club parking area where we can be together. Just show up and gather at the staging area (Ashley Furniture Outlet) and try and come in together. Pre-registration is required for this at backtothebricks.org/events. You will receive a goodie bag once your QR code is scanned and you can hang out until released to the show area next door at the arena. There will be coffee early and 7 food trucks for lunch during the day. There will be a really cool group singing the National anthem and a ceremony to honor our veterans in attendance. Swap meet and vendor displays. It's also time to register for the Sloan Museum Summer Fair car show in Flint, see registration form in this issue or pick one up at the May meeting. You can also register online but it cost a couple bucks more. In the past we have had as many as 25 or more Corvairs but a lot of those people have moved on to greener pastures or sold their cars. This would be a good event for those new Corvair Owners to attend and see how we roll. We have a great parking area just inside the "gate" you can show up the day of the show and pay a little more. Saturday is the bigger day with the most cars and people but Sunday is great too. In past years we had a cook out and grilled hot dogs with fixins but that has kind of ran it's course, you can bring desert or stuff to pass and snack on but I really would like you to buy a hot dog or burger from Hot Dog Heaven (just a shameless plug for my friends) Check out Raven's list of things to do and drive your Corvair to the May meeting, the weather should be nice. If you are on Facebook there are things going on every weekend and most weeknights that you may find interesting. Think about what you can do to help our friends enjoy the Homecoming event in July, get yourself and family registered so we know how many to buy food for, and book your room at the hotel before the [June 12th](#) cutoff for the special rate. There have been a few good deals on Marketplace and Corvair Trader on Facebook the past few weeks so for those looking for a car they still are out there.

See attachment for Sloan registration form

DACC History 1993 by Clark Hartzel

June Aircooler:

July 4th is the Cass City Parade. July 11th is a show of antique airplanes and antique cars at the Almont Airport. July 17th is the Leonard Strawberry Festival parade. July 18th is the Fraser City Picnic and car show. Membership report is 153 members, a new record! 6 Corvairs went to the Bearing Burners show. Byron Shaw will be racing his Yenke Stinger at Waterford Hills on July 24th, August 28th and September 25th. Members welcome to come and watch.

July Aircooler:

Our membership is up to 156. Craig Balow is working on putting our movies on video tape. Bob Greer is making us look good by providing graphic items like club info cards, license plates and awards. The meetings are good at the Royal Oak Senior Center and dinner before the meeting at Modern Deli has been great.

The Romeo Peach Festival parade is September 6th. Member Bob Hamilton has passed away from a heart attack. Meet at Oakland Mall July 3rd to caravan up to the Cass City Parade. July 17th is the Leonard Strawberry Festival parade. It turns out member Ed Kriewall of Corvair sheet metal supplier and Big Wheel builder is also the owner of the Almont Airport and is having a Big Boys Toys event there on July 11th. There will be antique planes and cars. Byron Shaw had an accident with his Stinger but has repaired it and will race again at Waterford. Craig and Anna Balow Had a baby daughter May 15th. Thanks to Ab Ives for bringing coffee and donuts to the meetings. Treasury \$3082.72. A flyer for the July 18th Fraser City Picnic and car show was provided by member Jim Walsh. The fee for our annual Homecoming event is \$25 family and \$10 for the banquet.

August Aircooler:

Stu Shuster writes that if clunker laws become popular our Corvairs may all be crushed for scrap metal. (Well it is 2023 and it hasn't happened yet. Some states like Pennsylvania have yearly inspections and rusty cars are not allowed. They have to be repaired before licensing). Ralph Brownell has passed away. No info yet on funeral. Kathy Mucha is getting married to Greg Rutherford.. All Homecoming participants will get a ceramic cup with a picture of their Corvair on it and a dash plaque.

There were 30 Corvairs at the Big Boys Toys show at the Almont airport. Winners in the Corvair class were George Browne 3rd with his late convertible, Jim Westervelt 2nd with his Lakewood wagon and 1st John Wolford with his 1961 Rampside. The Kirkmans went on a Western tour to Alaska and Bob found an early turbo coupe on an island with only 20 miles of roads. The CORSA convention is in San Jose, California this year. A little too far to go for DACC members.

September Aircooler:

The Meadowbrook Concours allowed a Corvair Stinger owned by Byron Shaw to be the first Corvair ever to be shown. The Sunday Driver game at the Homecoming was won by Ken Pepke's Corvair with Margery Dunn driving. Chris Hand was 2nd and Jim Westervelt 3rd. DACC won best club award at the Fraser picnic and car show. Don Arner laid paper mats under a few Corvairs and the least drips were won by Bob Greer and Dan Weir.

Byron Shaw brought Bob Coffin from Arizona to drive his Yenke Stinger at Waterford and he placed 3rd in class 3C behind a few Corvettes. Jim Schardt from Ohio placed 1st in class 3. On Sunday Byrons car placed 2nd in 3C. Jim Schardt displayed his Stinger at Meadowbrook Concours. Bob Greer wrote about he really enjoyed the event that Ed Kriewall put on at the Almont airport. There were rides in the big wheel. Rides in a hot air balloon and even rides in airplanes all for donations to various charities. The knights of Columbus did a nice breakfast. The new DACC license plates look great and were big sellers. Another batch has been ordered.

Continued on pg 7

DACC History continued from pg 6

Ed McFarlands 1934 Chevrolet roadster took top honors at the Sloan Museum's Summer Fair.

October Aircooler:

Stu Shuster's 1969 Monza was displayed in the McDonald's restaurant on Woodward at 13 Mile Road. Mark Luther will be coordinating the Sloan Museum display from May to September. If you have a Corvair item that you think would be a good thing to display call Mark with your suggestions. Six Corvairs went to the Romeo Peach Festival. It rained early but stopped before the parade. Six Corvairs also attended the Saline parade. The Christmas Lights tour and train ride is December 11. A new route is being planned by Pete Cimbala for our fall color tour. It will start at Oakland Mall.

57 people attended our last meeting. Treasury \$3737.37. A tech tip to use paper gaskets with a very light coat of silicone will stop many pan leaks. It is imperative you make sure the pan is straight and flat before mounting. Walt Kostelnik won best of show at the Homecoming with his red 1966 Corsa convertible. We made a \$428.37 profit at the Homecoming. 104 Corvairs came to the Homecoming.

November Aircooler:

After visiting a train museum in Ohio, Ken Pepke said we should do a Corvair museum in the Detroit/Flint area. All interested members are welcome to join a committee. Dave Guindon went to the Oxford Frontier Days Festival car show. He was the only Corvair there and won first place out of 26 cars.

Ken Pepke asked members to come up with a "I always wished I had a _____ car. Put the wish on a card and if enough people do it he will write a story for a future Aircooler. Treasury \$3124.35. The annual Christmas party will be held on December 7th at Mountain Jacks Restaurant in Dearborn Heights.

December Aircooler:

Saturday December 11th will be the Christmas Lights tour to Crossroads Village near Flint. Ginger Jim and Marilyn Westervelts red Lakewood took a 3rd place at the Hoosier Auto Show in Indianapolis.

Seven Corvairs came to the New Boston Applefest parade. We are seeking a chairman for next year's Homecoming. Treasury \$3712.61. A humerus story about lighting a campfire.

1. Split dead limb into fragments and shave one fragment into slivers. 2. Bandage left hand. 3. Chop other fragments into smaller pieces. 4. Bandage left foot. 5. Make a structure of slivers including those embedded in hand. 6. Light a match. 7. Light a match. 8. Light a match. 9. Apply match to slivers, add wood fragments and blow gently into base of the flames. 10. Apply burn ointment to nose. 11. When fire is burning good add wood. 12. After thunderstorm has passed repeat above steps. ■

DACC Membership Report for MAY 2023 AIRCOOLER

Submitted April 13, 2023 by Mike Hurt

Thanks for keeping your membership up to date:

Rich Blanchard, Brian Granger, Brad Ross

Members Dropped for non-payment: Jan Bradley, Paul Cyburt, Michael Jacobi

Due in February: John Allessee, Michael Stagg

Due in March: Stewart Murray, Steve Tackett, Tom Tennant

Due in April: Bill Anstine, Anne Baldwin, Ron Bluhm, John Davis, Harold Friedman, Chris Hand, Dwight Fish, Joe Mazzeo, Elain Roerink

Due in May: Gerald Ambrozy, Mike Anstine, Chris Braden, Jim Carbary, Tim Duve, Walt Euesden, Rob Foti, Tom Hall, Clark Hartzel, Mark Kidd, Dan Lok, John Monk, Cecil, Rollins, Rod Tusek, Rick White
We have 117 paid members, 14 who owe dues and 15 due this month!

We are mailing 2 complementary newsletters to Clark's and the Ypsilanti Museum.

If you can't make it to the meeting, send a **check for \$20.00** payable to **Detroit Area Corvair Club** to: Mike Hurt – DACC. Address: 1795 Ring O Kerry, Milford, MI 48381

Questions about membership, change of address and/or email can be sent to membership@detroitcorvairs.com or call Mike Hurt at (248) 972-7188 and leave a message.

We have an **email blast list** to notify members of quickie tours or last-minute changes. Please send me your email address so we can keep this list up to date.

■

DACC Activities by Raven Hand

Hi all, I have compiled a SHORT list of weekly cruise nights happening this summer. Again, this is the short list as we all know I could probably create a 3 page one for a quad county area, ha!!

Tuesday: starting April 25 Culvers of Lake Orion starts at 4 and goes to 8.

Wednesday: Louies Town Grill 79 N Main Mt Clemens (no start date posted yet). Holly Car show starts May 3rd but may want to follow their Facebook page for updates from 5/30 to 8/30.

FRIDAY: Multi Lakes cruise in 3860 Newton rd. Commerce Township 5 to 9 starts May 5th weather permitting.

Saturday: Big Boy 37123 6-mile Livonia at 6pm.

Sunday: Leasons Dairy Bar 11475 E 13-mile Warren.

Memorial Day is a U.S. national holiday that **honors those who died while serving in the military**. It originated after the Civil War when citizens placed flowers on the graves of the war dead. It was formerly called Decoration Day and observed on May 30. It became an official federal holiday in 1971 and is now observed on the last Monday of May. ■

The Telegraph Cruise is Saturday, July 22nd

A week after Homecoming.

Taylor Chevrolet at 13801 S. Telegraph, Taylor has offered to host us and let us use the dealership. Will you attend? Let Elaine know at the meetings.

It runs from 9 to 9, through Redford, Dearborn Heights and Taylor. You'll see lots of cruisers on Friday too.

All in all, that's about a 30-mile circle of fun cruising between Puritan and Eureka.
