NEWSLETTER OF THE NIAGARA FRONTIER CORVAIR CLUB

VOLUME 33, NUMBER 5

MAY 2005

AS THE TURBO TURNS

The last indoor meeting has arrived! If you have not checked out our new accommodations at North Town Dodge please don't miss this last chance before the fall. Being optimistic and believing the weather will continue as it has the past few weeks, I invite all to bring their Corvairs. It would also be fun to see how many Corvairs we can get in the Dodge dealers parking lot! That will get their attention.

We put a cross member in Bob Kurnetta's 67 and I plan to bring the remains for observation. A discussion of the symptoms of a vehicle needing such a repair is a sure bet for the night.

The summer will kick off with a full cruise schedule. We have been a bit more ambitious this year scheduling a get together every other week. Don't get us wrong. These events are not required but only serve as a guide to where you can find some of your fellow NFCC members hanging out with their Corvairs. Please note the nights that have been marked as meeting nights.

We always want to see as many of you there on those nights to participate in the ongoing club discussions and planning as possible.

Also don't forget to register and make your arrangements for this years June 4 Clubs/Recall event. There will not be an event this September as in the past so the committee can concentrate on the 2006 National plans.

See you in the sunshine,

Chuck Facklam

SPECIAL NOTICE

There will be Peoples Choice classes at this years Recall/ 4 Clubs event all though it will use the official CORSA terminology of "Display Class".

CORVAIR MUSEUM

MINUTES OF MEETING

DATE Monday Apr 4, 2005

TIME: 7:00 PM

PLACE: Northtown Dodge.

Our April meeting was called to order by Chuck Facklam at 7:00pm. There were 14 persons in attendance, our best attended indoor meeting this season.

General Motors interest in the 2006 Convention

Bill Gworek advised there are persons at Powertrain interested in speaking at this event. Various groups including hourly persons have expressed an interest. Good news to hear.

Summer Cruise nights

Planning of summer cruise nights was discussed. Now we have all of the months covered.

4 Clubs and Recall

A brief discussion ensued on the June show which will be a combined 4 Clubs and Recall event. Rich again mentioned the rooms are going fast in Baldwinsville. Gary Swiatowy mentioned there is trouble in planning the Victor show which often times is a conflict with Recall. Victor is having a problem finding space for their event.

TREASURER'S REPORT

We are in good shape at this time with a balance of \$985.33

I hope everyone had an enjoyable April . I am looking forward to seeing you at our May (and last indoor meeting of the season) at the Northtown Dodge facility.
