From The President

"Hello October - it's not what you look at that matters, it's what you see" - Anonymous

We welcome fall with cool mornings and sunny days. Clark's 50th Anniversary car show event was a great success with about seventy Corvairs present for viewing. And with 10 percent cash discount, no sales tax or shipping charges it was very beneficial to purchase those needed Corvair parts. Club member Bill Hubble displayed the beautiful Glenn Corvair with informative poster information on it's past history. Cal Clark also displayed his mostly original gorgeous 1960 Corvair that he purchased in 1974. Surprisingly, he is testing his new fuel pump on this car as are, about four other Corvair owners, throughout the country. Cal said he hopes to have the pumps ready for production in spring of 2024.

Our wet misty club picnic commenced with about fifteen members that were treated to excellent chicken, great tasting hot dogs and side dishes. I did announce we are still seriously considering our holiday dinner club meeting location to be at Friendly Farms in Upperco, MD. Kandy and I hope to visit and experience this restaurant in the next thirty days for future comment then to our club members.

I also announced the 2024 CORSA convention will be held in Dayton, Ohio on the dates of July 21-24, 2024. Invited to this

convention as guests will be the National Impala Club. Not sure if this is a first, but I have never attended a past convention with another car club as a visiting guest. It will be an interesting venture.

I hope to see everyone at our next club meeting which will be Thursday evening

10/12/23 at Fitzgerald's Auto Mall. Let's get our Corvairs out to "see" and enjoy the fall foliage while the season is here.

Have a safe and happy Halloween.

Happy Vairing!

Central PA or Clark's... Which Did You Go To?

Unfortunately, there were two events going on the same weekend – Clark's Anniversary up in Shelbourne Falls MA and the Central PA show at the race car museum. Due to some issues that came up, I had to settle for Central PA, but I was not disappointed !

I got there a little late as the awards were just getting underway. Nearly two dozen Corvairs were there, some from MMCC, and several won awards! Peruse the pictures on the next two pages, and I'm sure you'll recognize a few.

I actually did stop by Clark's later in the week on my way to my daughter's wedding and got a private tour! They were in the process of upgrading their lighting to LED lights, so the next time they have their open house things should be significantly brighter.

Below and to the right are some photos from Clark's.
