THE EDITOR's DESK

By Dave McChesney

Another painting I did several years ago. If you look closely, there is a snow covered Corvair in front of the barn.

As the weather gets colder we approach the end of the year and our list of planned events. The only think we have left is our Christmas/Holiday Party sometime in December. We don't yet have a date or place for that, so if you have an idea, give Roger Becker a call. He's the one trying to set something up for us. Hopefully he'll come up with something before the next issue of the REAR ENGINE REVIEW goes out, and we can all know when and where.

It might be time to start thinking about events and activities for next year. No doubt one of our first events would be a planning meeting to get a schedule of events mapped out. We also should keep in mind that February will once again be time for the Inland Northwest Car Club Council's annual Show No Shine event. If you haven't been, they can be a lot of fun. Be sure to check out the Inland Northwest Car Club Council's Calendar of Events at:

<http://incarclubcouncil.org/calendar.php> You might find something you would like to attend or something the entire Inland Northwest Corvair Club would like to participate in.

Thanks to those who recently paid dues. The list of those owing is noticeably shorter. We don't ask anyone to pay back dues, only to

pay from the present forward. With dues reduced we can no longer let folks slide.

As always, I look forward to any submissions you may have for our newsletter, as well as suggestions for activities and events we all can participate in.

IT'S NEVER TOO LATE!

If you have pictures or other information about Corvair or automotive events from the past, feel free to forward. I'll do my best to include them, regardless of how long ago the activity occurred.

COMING EVENTS

INCC CHRISTMAS CELEBRATION DINNER

Xmas Dinner Location Choices

(No date has been set yet)

I looked around town trying to find a restaurant that would accommodate our group for a dinner. I took into account for a central location, a menu with enough choices for everyone, & an out of the way spot in the restaurant for the group.

Here are the recommendations:

Longhorn Barbeque

2315 N Argonne, Spokane Valley

The club has dined here several times already. They have a separate room to seat up to 20 people. On Saturday & Sunday they have a buffet: Lunch 11-2PM. Dinner 5-8 PM.

Iron Horse Bar & Grill

11105 E Sprague Ave., Spokane Valley

Decent place on par with Longhorn. (But not baroque) They have a wide variety of appetizers, salads, burgers, sandwiches on the menu. There is a spot in the grill that's semi-private & they are happy to accommodate us.

Poole's Public House

12310 N Ruby Rd. (Corner of Ruby and Hastings, just east of Mead HS.) North Spokane

The menu has a little of both the above choices, the food is excellent. They have a spot off the main part of the restaurant to seat a large group. My golf team has their after the season banquet here every year. You'll need to come hungry because everything on the menu is great, did I mention all their burgers

are ½ pounders? My personal choice, but it's not a central location.

There you have it! Please email, text, or call Dave McChesney with your choice by the end of this month so the newsletter in December will have all the info. (See inside of front cover for Dave's contact information.)

Roger Becker 714-309-7974

Rogerscorvairs@gmail.com

(Also let Dave know if you would oppose, or favor an After Holiday Celebration Dinner in January, if we can't reserve our chosen location in December.)

RECENT EVENTS

Our 3rd Quarter Meeting, Tech-n-Tune, and Potluck

Saturday, October 14th saw several members of the Inland Northwest Corvair Club gather at Roger Becker's place for this event. Thanks to Roger and Judy for hosting. Also there were John and Heather Vujovich, Craig and Jan Nicol, Bob and Maggie Sherman, Dawn Harmsen, Dave Raezer, Dave Fender, and Dave McChesney.

Dave Fender and his Corvair.

We did a little "kick the tires, light the fires" type of maintenance on the Corvairs that showed up, helping the respective owners diagnose and perhaps solve a couple of problems they were having. Then we retired to Roger's quite spacious basement where John presented ways to get your Corvair (or any vehicle for that fact) ready for the winter months. This was tailored both to those who would put their Corvair in storage as well as those who might opt to drive it year around.

John was nice enough to provide everyone with a handout of his presentation and a copy will be provided along with this issue of the newsletter. (For those who receive the REAR ENGINE REVIEW via e-mail, it will be a separate attachment/document)

Following our tech session, lunch was served. Thanks to Roger and Judy for all the October Fest related dishes they provided and the other delectable goodies many of the attendees brought. No one left hungry!
