From the editor.....

Our November meeting was cancelled. Only 3 of us showed up, so we did not have a Quorum. To top it off, there was a mis-communication with the church, likely due to us changing the date. The door was locked. So no minutes either.

Reminder: we previously decided there will be no December meeting. It would have fallen right in the middle of the holidays, so attendance could be iffy. Also, who wants to fight holiday traffic on the Boulevard?

I will see you all in January. On the 24th. Nominations for 2024 club officers are due. Also, bring along some of your Corvair, car, or other interesting memorabilia to the meeting. I know I have some to bring!

.....Gary

ATTENTION EVENT ORGANIZERS!

Mark your calendar for **Sunday January 21, 2024** Calendar of Events Meeting 2pm at [The Clutch Artists Inc.](#) Clubhouse 2145 William St Buffalo, NY 14206.

Cruisers should always get together to support and attend each other's events!

Picking a non-conflicting date will increase your chances for better attendance.

If you see several events already on the same date nearby, it would be best to pick another date for yours. For example, most years there are some dates that had 8+ events on the same day, even though there were other dates with no events at all!

Don't be afraid of holidays like Mothers/Fathers Day, Independence Day, etc. APRIL and OCTOBER are under-utilized months!

Online calendars are OK, but the [The Clutch Artists](#) Calendar is a MUST if you want your event known

Sure could use some pictures from members to use in the newsletter!

Made it out to the High Point Church in Pembroke with my 65 Convertible nice little event. Best thing is though that they feed the participants.

Several nice cars at High Point.

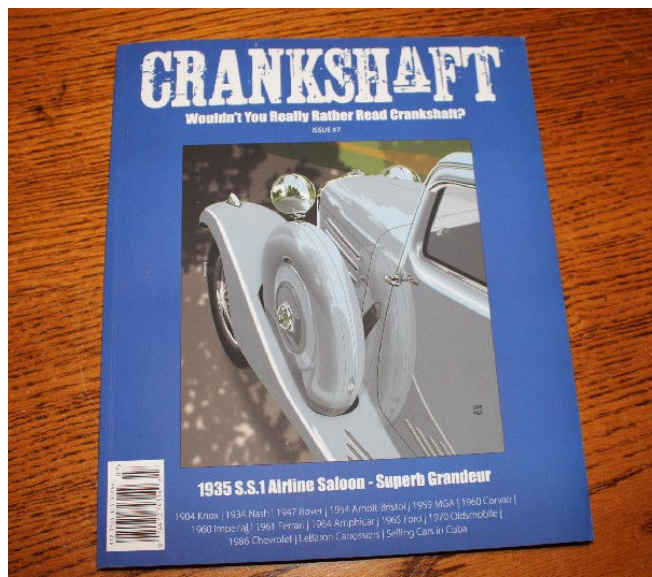

INDUSTRY SPECIALISTS ANSWER YOUR QUESTIONS ABOUT MOTOR OIL FOR CLASSIC CARS....Classic Motorsports

Three topics that always prove to be controversial: religion, politics and motor oil.

We can't help with the first two, but we do know about oil—or, more accurately, we know people who know about motor oil. So we queried their scientific brains on the subject, peppering them with common questions. And the answers flowed.

Current issue of Crankshaft magazine has an article on the Super Monza.

Crankshaft Magazine is put out by Richard Lentinello who is formerly of Hemmings, and is a long time friend of the Corvair.

"Camden Bill" Says: Anyone on this side of the Delaware will save much more than bridge fare by buying in the county they live in.
