Miracles do happen! I seem to be on track to get the next issue of the REAR ENGINE REVIEW out on time. Additionally we actually got together a week or so ago and made some progress with upcoming events. Thanks to everyone that helped put it together, and who showed up.

It looks like we have something scheduled for each remaining of the year, other than November. Maybe we could get together sometime in that month and do a little preliminary planning for 2025. Just an idea. And to expound on the idea, I believe we should try to meet, much as we did recently, if we have no other activities for a given month.

As a reminder, I'm now sending our newsletter to members only as an open e-mail where all can reply if desired. (For those not a part of the Inland Northwest Corvair Club, the newsletter goes out "BCC," including to CORSA Chapters)

CLUB BUSINESS CARDS

This shows the front and back of the actual card. If you would like some, let me know and I can bring some to a club event or send you some via the mail.

TREASURER's REPORT

Our Treasurer's Report is sent monthly to Inland Northwest Club members only, via e-mail and USPS. For those members well behind in payment of dues, we do not press for back dues, but only for payment of current dues. You can pay at any club event, or you can mail a check or money order to the club's Post Office Box. (The list of folks behind in their dues is growing. We might get to the point of cancelling memberships if we don't hear from you and receive payment for current dues.)

THE LATEST INCC GET TOGETHER

Several members of the Inland Northwest Corvair Club gathered at Manito Park on Spokane's South Hill, near the Park Bench Café on Sunday August 25th. While the time listed in the REAR ENGINE REVIEW was 9:00 am, most attendees arrived earlier, and one showed up later. Other car clubs were there as well, so it was a prime opportunity to check out some of the other rides in the area.

Present were: Roger Becker, Dave Fender, Derek Harmsen, Dave McChesney, Craig and Jan Nicol, Dave Raezer, and John Vujovich.

Our meeting was worthwhile as we got events figured out for the rest of the year, with the exception of one month.

We determined that four, five, or maybe six people were going to Haul Ass to Harrison on Saturday the 14th of September. Craig and Jan volunteered to let their place in Post Falls serve as a meet up spot for those going so all could drive to Harrison as a group.

We are planning a Tech-N-Tune for October, possibly at Cody's new shop, with an emphasis on bodywork and repair. Preferred dates would be either October 5 or October 6. If Cody can't host it, then we'll have something at Derek's place.

While we didn't come up with anything for November, we did decide to once again have our Christmas/Holiday Party at Poole's Public House near Mead High School. We decided on Sunday December 15th at 3:00 pm. We also decided to have a White Elephant gift exchange, which is something the club used to do many years ago. A limit of \$20.00 or so per gift was agreed to.

With plans in place for the rest of the year, some examined the other vehicles present more closely, while some had needs to be elsewhere and departed for home or other places.
