ACORNS - Association of CORvair NutS
Rochester, NY - Corsa Chapter 148
September 2024 Newsletter

Pres Says by Brandon Carmo

Hello ACORNS,

Welcome to September! I can't believe it's already this time of year. It feels like this has been a very busy and extra hot summer. Maybe because I didn't have central air in my house until a couple of weeks ago. And now I won't need it much longer as these days start cooling off. These are the perfect days for driving a classic car, Corvair or otherwise. It's not too hot and you can roll the windows down and enjoy the fresh air.

I had a Corvair set back a couple of weeks ago. I crunched the door of the Lakewood when it started rolling backwards through my car port. Luckily, I have another door that is in decent shape. I hope to transfer the guts of the damaged door to the fresh door soon, so I can install it and forget this ever happened. I also needed a new Revolution Electronics electric fuel pump controller, as mine failed, possibly due to a loose wire that then fried the unit. It was working very well before this. The company was very nice and warranted the controller. Hopefully the Lakewood will be back in action soon.

This weekend, Sunday, 9/15/24 is Corvair's on the Hill, which is hosted by Fred Marsh! I've never been able to make it down for this event, but I'm doing it this year. I took a little time off from work and will go in later in the evening. I hope some folks will join in!

Fred has asked that the meeting time will be from 12pm to 1pm. He is furnishing pizza, coffee and water. **Please RSVP by 9/12/24 to me (bwcarmo@gmail.com) and I will let Fred know how many to expect.**

I propose a breakfast meet-up at Peppermints at 9am. That gives us an hour or so to eat. If we depart about 10am, that will give us enough time to take RT 15 south to RT 256 along Conesus Lake and then take a left at Sliker Hill Rd to rejoin RT 15 down to Wayland, where we will then take 390S to 86E to 99S to exit 6 to Fred's house. It should take about 1hr and 40min. I will have printed directions for anyone attending.

See page 3 for the ACORNS end of the season feast at Bella Pasta flier! Dave and Edie have coordinated the food choices and the price for ACORNS will be \$15 for each family member, max of 2. If you want to bring more family members, the meal cost will be \$30 a head. The club will pick up the rest of the tab. **Mark your calendar for 11/9/24!**

Be well!
-Brandon

From the VP's Desk:

Hey all,

Corvairs on the Hill is this Sunday, 9/15/24! Hope to see a bunch of folks there! Should be a great day for a drive!

ACORNS 50TH Anniversary

Having an Anniversary Picnic during the Summer or 2025 would be a highlight of the year....Where to hold such an event was discussed at the January planning meeting.....The cost to reserve a shelter at which to hold the event was discussed...and it was decided that the cost to reserve the location could be better spent toward the food and fluids to be provided at such an event...Our treasury should have sufficient funds to cover the majority of the cost for food and fluids...At worst we might need a few bucks per person....Brandon Carmo has generously offered his home as a potential location...lots of room and we have held successful ACORN events there in previous years...August seems to be a reasonable month to schedule such an event....If you have any reason to suggest an alternative month...again,,,provide your input directly to Dave Ellis..

Looking forward to successful 2024 planning for a very enjoyable 50th Anniversary Year in 2025...

DME out...
