For Sale: A very low mileage 1962 Greenbrier.

Original mileage 25,347. Sold new by Dralle Chevrolet in Peotone to the South Chicago Heights Fire Department, it was traded-in in 1969 back to Dralle, with under 8,000 original miles. Ralph B, a Corvair enthusiast, was the parts manager at Dralle when it was traded in, and he bought it before the sale finished. Ralph drove it from 1968 to about 1993, when I purchased it from Ralph's widow. It has always been an Illinois truck, living in South Chicago Heights, in Crete, and in Palos Park. The van is a Standard, but was optioned at the factory with chrome bumpers. The dealer added an AM radio, a white stripe, and fire department spotlights. The South Chicago Heights used it as an arson investigation and publicity vehicle. As a Standard, it has one speed wipers, no door arm rests, no windshield washers, no right side sunvisor, etc. The original interior is without rips, tears, splits or stains. It still has the base engine, 80 HP and a three speed manual. **See pictures here and many more big pictures at <https://tinyurl.com/2cjyey8d>.** Rich Carroll, rccarroll@gmail.com, (708) 808-0801.
