Pat Pilon got premium parking at the 2024 Buffalo Launch Club's annual Car and Boat show.

Ben Wild ran across this clipping and posted it on our FB site. How many of you remember this display? For that matter, how many of you remember the Summit Park Mall? At one time we even did a Corvair display at the Thruway Mall.

FYI the 23rd annual Snow-busters swap meet is scheduled for February 2nd, 2025 at the Events Center at the Hamburg Fairgrounds. 9:00 AM to 3:00 PM Admission is \$8

Western New York's Hottest Indoor Car shows, which are held every year in Hamburg and Syracuse NY. And is also known as the thru-way series.

Since our founding in 1994, Cavalcade of Cars continues to be an organization that combines the love of classic vehicles with the desire to be an integral part of the community. Since our inception, we are proud to say that we have raised over \$100K for local charities including \$10000 which has gone to the Buffalo Autism Project and Syracuse Families First (Autism Treatment of CNY) in the past years.

Our mission, as it has always been and will continue to be for years to come, is to provide a high-quality indoor show for all Automotive and Motorcycle enthusiasts to enjoy while continuing to support the charitable organizations located within the community. Giving back, and having a great time doing it, is what we are all about.
