The bi-monthly newsletter of the Mid Maryland Corvair Club,  
Corse Chapter 217— [www.Corvair.org/chapters/chapter217](http://www.Corvair.org/chapters/chapter217)

**April - May 2025**

### On The Cover:

A lonely Corvair sits in a junkyard near Gettysburg Pennsylvania. Not a whole lot of information is available about this car, although it's been here for a few years now.

Do you have a Corvair-related photo that you would like to share and perhaps be on the cover of an upcoming issue of the newsletter? Would you like to be in the **Member Spotlight**? If so, please email your picture along with a summary of the picture to our newsletter editor/webmaster, Dianna Moy, at [dianna.nicole.moy@comcast.net](mailto:dianna.nicole.moy@comcast.net). Please note that the newsletter is posted on the COSA website and is sent worldwide.

### Mid-Maryland Corvair Club (MMCC)

...is a Chapter of The Corvair Society of America (COSA) and is a group of enthusiasts who enjoy and appreciate all aspects of Chevrolet's Corvair automobile.

We are an informal group that welcomes anyone who shares this interest whether you own a Corvair or not. Club activities include participation in parades, a shared Car Show in August, driving tours, a family picnic, and our Annual Christmas Dinner.

Club Meetings are held at 7pm on the 2nd Thursday of each month at Fitzgerald Auto Mall, located at 114 Baughman's Lane, Frederick, Maryland. Annual Dues are \$15.00 payable in July of each year and cover individual and family membership.

## From The President

*"A friend is what the heart needs all the time". - Henry Van Dyke*

Opinions expressed in Drippy Leaks and Flyin' Fanbelts are those of the article authors and do not necessarily reflect the opinions of Mid-Maryland Corvair Club Directors or membership.

We had a very large discussion in our February meeting about the lack of content for our monthly newsletter, especially during the late fall, winter and early spring times of the year. Which makes logical sense due to the holiday season, cold weather and small amount of classic car activity in this time period. For these reasons, we have made the decision to move our newsletter from a once a month publication to a every other month publication. And if there needs to be immediate notifications made to club members, we will be sure a general email will be sent to everyone. So keep in mind your next club newsletter will be the April-May edition.

In our March issue of the CORSA Communique, our new CORSA president, Titus Stewart, explained the logical and financial reasons why our annual CORSA dues will be increased. As of 06/01/25, our new membership rate will be \$60/yr and \$120/yr for 26 months. We do have the option to advance pay our present dues amount of \$45/yr and \$90/yr for 26 months prior to the 06/01/25 date.

The Gettysburg convention committee has solicited NVCC and Group Corvair for their club member's volunteer participation list which will be added to our computer generated volunteer list hopefully within the next thirty days. We hope then, to have this con-

vention volunteer website in operation by June, which will be the one year out date from our convention date.

Our April meeting was our club "movie night" showing of Mr. Holland's Opus in our club meeting at our meeting location of Fitzgerald's Auto Mall. The CPCC was invited and we served popcorn and soda to all. (Yes, we even had an intermission break!)

Our next meeting is scheduled for May 8th, 2025, 7 PM, again at Fitzgerald's Auto Mall, 114 Baughmans Lane, Frederick, MD.

Time to bring our Corvairs out of that winter hibernation, complete those maintenance items with a fresh tank of gas, and put a smile on our face when you hear that sound of your Corvair engine and see the open road ahead of you.

Happy Vairing!

*Tom Rahochik* Club President

## A New 2026 Convention Logo!

You may have noticed on page 2 different Convention Logo. As CORSA has it's own ideas on how we should be doing things, they wanted to change our logo as well. The above is a compromise from what we originally had, as it still has the Pennsylvania-shaped flag and cannons. The wording has been moved, and as they're concerned, "less busy".

While there will still be other areas where there will be compromise, we will do our best to make sure CORSA hears our concerns and how we plan to get around the problems that seem to come up at every convention- namely volunteers, flexibility at registration, and other issues that we've discussed at meetings. Stay posted for more news- we're only 15 months away!

## Letter From The Editor

Greetings, everyone!

As mentioned before, we're doing a newsletter every other month for now for several reasons. The first is the lack of input into the newsletter, and I don't want to send out something that has virtually no content to our members. Even this newsletter that covers April and May is frightfully thin in content. The second reason is as the 2026 CORSA Convention nears, our attention is directed towards all of the things involved with the setup and successful operation of the event.

The schedule for the newsletter will be:

1. April/May,
2. June/July,
3. August/September,
4. October/November,
5. December/January, and
6. February/March.

I hope our members will contribute more content to our newsletter. Please remember that this newsletter gets sent worldwide, and that we want to show the world the Corvair-oriented events and things we have to do here!
