PRESIDENT'S PONDERINGS

See You In September

I'll be alone each and every night While you're away, don't forget to write

Bye-bye, so long, farewell Bye-bye, so long

See you in September See you when the summer's through

Great year 1966 was, remember it well. It was a Happening year, really... The Happenings recorded this song, and once I got it into my head, I couldn't get it out. It's about the end of summer (car show season for us) and the hope to reconnect back in September and stay connected. We have a few more opportunities to "reconnect", with the next major one for us being the Cruise Above the Clouds car show on September 6th in Woodland Park. This is one of our club's sponsored events, and SeeMore will be there for the first time. They are excited to have SeeMore, and for a good showing of Corvair's. It would be great if some early models were there so the people could compare body styles, etc. between the earlies and lates. More education and memories for those who have "that Corvair story". The Farmers Almanac says it will be perfect weather (yah, right), but last year it was a great day. Roll the weather dice in Colorado.

Submitted by Jerry Peevyhouse PPCC President

This will be the 4th showing this year of SeeMore, and we want to thank Mario for helping haul him

around this year while Glenn was recovering from neck issues and not able to do the early hauls. He says he's back to 90+%, so that's great. Sometimes I don't feel like 90% myself ②.

We added a new member at our August meeting, John and Collen Lark, who own a 64 crème 4 door coupe he bought from Ray Trujillo from CNM. He's a recently retired aviation guy, so he needs something to do with his time, right? Currently looking for some new or good shape 13" tires. Might see him at the Woodland Park show.

Another local to me car show that I normally go to in mid-August is the Trilakes Cruisers show in Monument. A big event with 210 cars on a closed street. Wasn't anticipating being in town for it but when I finally realized we would be in town it was sold out. It was on the club meeting Sunday, so after the meeting we did get over to see

the show. However, Steve Woods did sign up as we did last year, and won The Groovy trophy for first half 60's cars. Second time he's won there. Congrats to him, he's racking up the trophies this summer.

For me, this has been a very discombobulated summer, so not as focused as normal on the fun stuff like shows. Sometimes stress gets in the way, but that's life (oh, shoot, another song just popped into my head.

Anyway, all that to say that this will be a very brief article so I can pop it off to Kristal. Writing it from Seattle where I am staying with our 15-year-old grandson while the parents are off for a London holiday for my daughter's 50th birthday. My job is to keep him alive (all well as the dogs) until they get back. We'll see....

So long for now, hope to see you at a car show, club meeting, or on the road.

Enjoy the journey

DripLine Newsletter Archive

Submitted By Randy Karl

All copies of the PPCC Drip Line collected by former member, Walter Hundertmark have been scanned and are available to view on the PPCC website. His collection contained 2853 hardcopy pages of Newsletters from 1978 through 2004. The monthly editions of Drip Lines are combined into yearly files. We are still missing some copies of Drip Lines from February through December of 2005. If you have copies of these, please let us know so we can add them to the library. Now that the hardcopies are digitally archived, the original hardcopies are available to anyone who would like them. Otherwise, they will be recycled.

Fun Fact: Through June of 2025 the Drip Line archive comprises over 6000 pages of PPCC history, stories, and tech tips.

Glenwood Springs Car Show

Submitted By Jerry Peevyhouse

The Valley Cruisers and Vicco's Charcoal Burger Drive In hosted this year's Glenwood Springs car show on July 25-26. Weather was perfect and we had a great turnout of different Corvair body styles and years. A total of 8 cars were there, including the first showing of John and Lynda Kull's '62 Greenbriar.

Friday night was the BBQ & Pie night at Vicco's Charcoalburger, plus a mini cruise-in by many of the show participants. Parking lot was full of beautiful classics. Food was great, plus all the pie and desserts our bodies didn't need, but enjoyed never the less ③.

As mentioned, we had all of the Corvair body styles represented in a show, a first for me (only one missing was SeeMore). Thanks to John and Lynda's Greenbriar, that was the missing piece we needed.

Also from our Western Slope members were Phil with his 62 Corsa Sedan, nicely tricked out with his retro window mounted air conditioner, and William and Trezjna with their Lakewood, who had some special attention given to their car.

The DRIP LINE Pikes Peak Corvair Club

Tony and Diane brought their 2 Rampsides, Steve brought his 65 Corsa turbo, Rick brought his 63 Monza Spyder, and I had my 65 Monza convertible there. A great selection of early and lates.

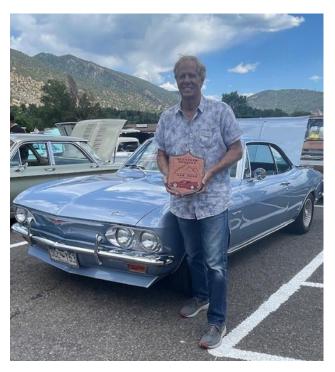

The DRIP LINE Pikes Peak Corvair Club

One of the cool extras provided by Vicco's was they laser printed a picture of the participants cars onto a metal business card. Here's mine.

Our gang did very well indeed with the end-of -show awards, with Steve Woods getting one of the Sponsor Awards that was a handmade leather plaque.

But the big winner of the day was Rick Beets, who won the drawing for a \$500 cash award! He actually was the second one drawn, the first name drawn as a "winner" was a no show (had to be present to win) so he didn't mind being second this time. Congrats, now he had money to get home . Didn't offer to buy lunch for everyone, but, hey, no worries.

Thanks to Tony for setting this up and bringing his "Beast" with his Rampsides.

Here's a shot of my drive home (shot courtesy of Steve) through Leadville, a gorgeous drive.

So be ready for next year's 23^{rd} annual car show.

CORVAIR PARTNERS & LOCAL BUSINESSES WHICH PPCC MEMBERS HAVE FREQUENTED WITH POSITIVE RESULTS

With so many new members joining the Club, we felt it might be a good time to (re)educate folks on where they can obtain reliable parts and service for their Corvairs, both near and far.

Here are just a few of the companies our members have had good luck with in the past.

NOTE: These are only recommendations only, as we do not solicit sponsors for the Club, or the newsletter. So, do your own research as well.
