1.MINUTES: Merry Christmas!

There were no minutes for December as we held our Christmas party at Karl and Debbie Stelzer's home. We held our Christmas Party on Dec. 7th, National Pearl Harbor Day of Remembrance and Karl and Debbie wore their Hawaiian bowling shirts to also celebrate Pearl Harbor Day and a "Day that will go down in infamy".

Above are Ed and June sitting at the table and behind them are Karl and Debbie Stelzer in the Bowling Shirts along with Jo Verwey standing next to Karl.

We had a great time and missed a few who normally attend this party. Karl and Debbie's home was decorated in Christmas Cheer! Those attending were: Karl and Debbie Stelzer, Mary and Gary Mierzwa, Ed and June

Lindsay, Lee Oxford and Mary Anne Hanley, Kris and Jo Verwey, Ron and Susan Schemmer and new members Don and Marcy Inge.

Above are Lee Oxford and Mary Anne Hanley at our Christmas Party. Ron & Susan Schemmer is sitting behind Mary Anne.

Don and Tracy Inge are the newest members of our club. Behind them is our bountiful buffet table.

At the bottom of the last page Marcy Inge and Kris Verwey are looking over Karl and Debbie's Valve Cover Racers. Don and Marcy had never seen one before. Marcy said she sees Don's thinking of making one for himself.

2. WHAT IS EXPECTED OF OUR MEMBERS?

Your dues are due in January! Register for our show in February and pay you dues at the same time and write only one check.

3. THE WONDERS OF TECHNOLOGY:

4. HOW CORVAIR LOVERS CELEBRATE LIFE:

Below are pictures of our new members, Don and Marcy Inge's, '60 Corvair Coupe. Ed Lindsay is helping Don to get his transmission fixed. Don and his wife attended our Christmas Party in December.

5. DID YOU KNOW?

Did you know that our Production Meeting for our car show on February 13 & 14 will be held on January 18th at 1:30pm in Howard Furr's Garage. Bring all the door prizes that you have been collecting all year. What? You have not been collecting any door prizes? Bring all the goody bag stuff that you have been collecting all year. What? You have not been collecting anything for goody bags. Do you think all this stuff just miraculously appears? **Bring all your Door Prizes and Goody Bag items to our Production meeting so we can make Door Prize Baskets and Goody Bags in advance!**

This year our Car Show is on Valentines Day and where it all started in the beginning. Please come to our Production Meeting and pay your dues and register for our car show at the same time with one check. If it is too cold on the 18th, we will have our meeting at Ed and June Lindsay's home. Or, if you prefer, you can pay everything at our car show in February. Those of you who usually pay your dues in Helen can pay your dues at our vending table. Please don't make us bill you. Stamps are getting expensive. Also, now is the time to make your Cottage on the Green reservations before they run out of rooms. Call Kayla at 850-492-2214 or call her direct at 850-375-1385. It is also a good time to pay your CORSA dues.

6. HAPPY BIRTHDAY AND ANNIVERSARY:

If your birthday is not listed below, it is because you don't have a Birthday listed on your personal profile or because you did not pay your dues. (Or, I goofed!) If you or your pet would like to be on the Birthday List, pay your dues and contact June Lindsay at 850-994-2161 or emails her at wfcc@mediacombb.net. (June and July birthdays are listed in our June, July & August newsletter that comes out in August.)

7. TECH TIPS OR ARTICLE:

Brake Pressure Bleeding

by Mario Parran / Vacationland Corvairs

CORSA Tech Guide / Volume 4 First Edition

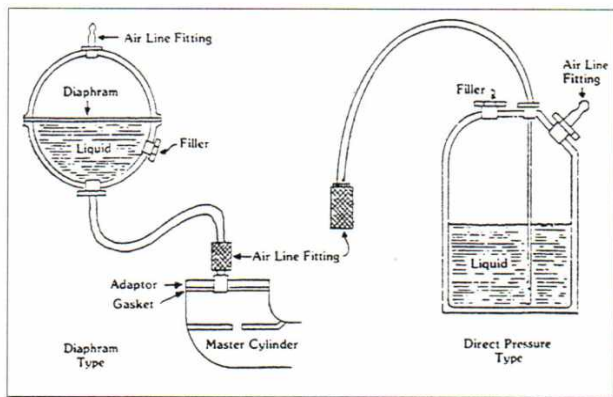

Brakes page 2

If you have ever bled brakes by the traditional pedal pumping method, especially if you had to recharge the entire system, you should be interested in a much faster method: pressure bleeding.

By this method a pressure tank, with brake fluid in it, is adapted to the master cylinder opening with the master cylinder already filled, and fluid from the tank is forced into the system at 50 psi until the effluent at the wheel cylinder bleeder valve is free of air until the effluent at the wheel cylinder bleeder valve is free of air bubbles. Bleed each wheel cylinder in turn starting with the left rear, then right rear, right front and finally left front. Bleed each wheel cylinder in turn starting with the left rear, then right rear, right front and finally left front.

Pressure bleeders are essentially of two types: diaphragm and direct pressure as illustrated in the following sketch. New commercial units cost about \$35.00, although I found mine at an auction for just a few dollars. The adapter plate can be made from a heavy gauge steel plate with a male air line fitting and a gasket to contact the top of the master cylinder. It can be clamped tight with a C-clamp. If you want to clean out the brake lines, this adapter can be connected directly to an air line.

Pre-made adapters to fit the various Corvair master cylinders are also available from larger parts stores.

8. LOOKING BACK:

Below are a group of really great people! We are at Dan Avallone's for a fall picnic in November of 2022. We first met Chris Harkey and his family at this picnic.

We really miss these picnics at Dan's.

9. CHIT CHAT BY JUNE LINDSAY:

2025 Year In Review!

January:

Corvair Lovers play in the snow. Milton Florida, where Ed and June Lindsay live and Howard Furr's big garage where we hold most of our meetings, had a record of 10 inches of snow in January of 2025. All roads were closed including I-10. We were snowed in and had cabin fever. See below:

Corvair Lovers Play in the snow!

February:

In February we held our 40th Annual Corvair Lovers Holiday. The Best of Show in 2025 was won by Bryan and Clyde Cork. Their '64 Spyder is pictured below.

March:

At our March meeting Denis Palmer drove his new Blue 1967 Monza Sport Sedan Corvair that he just bought to our meeting.

April:

In April several of our members attended Springfest in Helen, GA. Gary and Mary Mierzwa trailered their Modified Corvair and it was so much fun driving through Atlanta.

Gary & Mary Mierzwa's 1965
Tangerine Pearl Modified Corvair

May:

We had so many car shows to attend in April that we had to put out a Special Edition of our newsletter in June and July. Denis Palmer took his new blue sedan to a car show in Lucedale, AL.

June: Also in our special June & July Edition of our newsletter, Ed Lindsay won a trophy at the Harley Davidson Car Show in Pensacola.

July:

In July, Ed Lindsay took Howard Furr's Rampside to the July 4th Car Show held by the Milton Chamber of Commerce.

August:

In August we held our meeting at Mark and Donna Kerr's and chose their Corvair to be on our 2026 Dash Plaques.

Mark Kerr's 1966 Convertible

September:

In September we learned that Danielle Avallone is going to have another pass around baby in January? January? This Month! OMG! OMG!

October:

In October we Went to the the VW Air Cooled Car Show at Five Flags Speedway in Pensacola, FL. This was the first car show that Charlie Kelson took his blue 1965 modified coupe to.

November:

Several members went to the All Florida Picnic held by the Central Florida Corvairs Club. Below, Gary Mierzwa won a 1st place trophy for the Valve Cover Races!

Also In November our new member, Don Inge, brought his VW to the Harley Davidson Marine Toys for Tots Car Show in Pensacola.

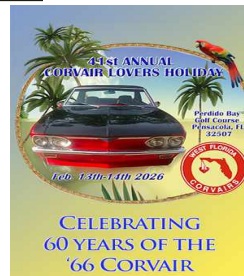

December:

That brings us back to our Christmas party in December. The End!

10. COMING EVENTS:

Jan. 18th: West Florida Corvair Club Production Meeting at Howard Furr's big garage at 1:30pm. We will gather all door prizes, goody bag items, and take care of any last minutes problems. We will also vote for our new officers.
