THE EDITOR's DESK

By Dave McChesney

I still have Corvairs, but they are a little smaller. This is a 1/12 diecast scale model of a Late Model Convertible.

I hope this doesn't become a habit, delaying the newsletter until the middle of the month. Again, other stuff got in the way. I seem to be at a point in life where if I get as much done in a week as I used to do in a day, not counting work, I figure I'm doing good..

Once again I suggest that we should establish a scheduled regular monthly meeting. We should have something that we can all attend on a regular basis, even if it's just to hangout for a while. If we should have an event or something, then we can bypass the meeting. We have to many months where we have no meeting and no events, and we fade into oblivion. I believe we need to have something to look forward to each month. Who knows, it might help me be a little more regular with our newsletter.

P. S. Coulda/shoulda sent this a day earlier, but before I did, I realized I'd left out something.

TREASURER's REPORT

Our Treasurer's Report is sent monthly to Inland Northwest Club members only, via e-mail and USPS. For those members well behind in payment of dues, we do not press for payment of back dues, but only for payment of current dues. You can pay at any club event or mail a check or money order to me. Thanks to those who paid at our recent planning meeting, the list of those overdue has shrunk noticeably.

And as a reminder, we don't charge back dues. If you haven't paid for a while, any payment will extend your membership forward from the date of receipt.

CLUB BUSINESS CARDS

This is an approximation of our business card with the change in mailing address. If you want some, let me know and I can bring some to a club event, send some via USPS, or provide you the document so you can print your own.

CARS AND COFFEE

Members of the Inland Northwest Corvair Club took advantage of a nice Sunday morning and showed up for Cars and Coffee at Manito Park on Spokane's South Hill.

Putting in an appearance were Craig Nicol, John Vujovich, Dave Raezer, and Dave McChesney. An additional Corvair fanatic was there, but your reporter did not get his name. Possibly he is associated with the club via Face Book.

Both Craig and John brought Corvairs and displayed them. Dave Raezer once again brought and displayed his well-maintained European made sedan. Dave McChesney did not display his late model Nissan Frontier.

Craig's ride for the day!

John Vujovich's pristine Late Model Coupe. (John and this car won the Cole Award at the 2025 International Corsa Convention)

Rumor has it that there will be one more Cars and Coffee event at Manito park on Sunday October 25th. If there is any interest in attending, providing of course, that the weather cooperates, let's get some word out via email and other means.

CRUISE NIGHTS

This has been updated to match the 2026 INCCC Calendar of Events. (see it at: www.incarclubcouncil.com/calendar-of-events/)

Also included is a list of "Cars and Coffee" type events. If you plan to go, contact fellow INCC members and invite them along. Please send pictures and/or write-ups for our newsletter.

For those out of the area, it is available on Amazon as a paperback. Kindle edition to come.

Yes, I do have a couple of items in it. (To make things simple, I published it via my KDP set up, so it shows me as author, along with Spokane Authors as contributor.)
