

# *Sugarloaf Mountain Region Gladhill Tour*

Date: Sunday - November 6, 2016

Starts: 9:00 a.m. at Damascus American Legion Hall

Finishes: 3:30 p.m. (approximately) in Bethesda, Md

The annual Gladhill Tour will take us through Montgomery County to the homes of Steve & Barbara Newby, Eric Zausner and Bill Potter to view their automotive collections. The tour plans to leave Damascus and have a morning break in Quince Orchard. We will then travel to the Newby's to see what is hidden in their carriage house. The lunch break will be in Potomac, MD where there are several places to eat. Afterward, we will head to Eric Zausner's to look through his garage(s), and then go down the road to Bill Potter's to see what he has stored behind his house.

If you plan to attend, e-mail Charlie Carroccio at [CS2Carr@aol.com](mailto:CS2Carr@aol.com) so we have an approximate participant count, and directions will be sent to you. Or just show up.

Remember Daylight Savings Time ends on Sunday, so make sure you set your clocks BACK (spring forward, fall back) before you go to bed Saturday night.
