NOTES FROM THE PRESIDENT

By Ed Halpin, PPCC Prez

Hello PPCC Crew!!

Well, even though the calendar doesn't yet reflect it, summer really is in full swing. With all of the car shows, rallies, and get togethers, it's a great time to have a Corvair!

Before we know it, it'll be October, and the snow and cold weather will be back, so I would encourage everyone to finish your projects as soon as possible, get those Vairs either out of the garage or back on the road, and have some fun.

Over the last month, we've enjoyed a great time at Monument Lake with the Fishing Cruise, as well as a fantastic Tri-State down in Chama, NM. The CNM group really did a bang-up job in hosting this year's event.

Next year, the Tri-State will be held in beautiful Durango, Colorado, hosted by the Rocky Mountain CORSA club. We know the RMC will do a great job in putting that together, and the PPCC will once again shoot to win the traveling Attendance/ Participation Award.

Upcoming for June is the PPCC Rally & Poker Run. Kelina (your Webmaster) and I have put in a lot of time and effort to make this a fun and enjoyable event for the Club.

Unfortunately, last year's event was cancelled due to zero participation. To ensure that doesn't happen again, this year I've invited several other local car clubs to participate, so come out and have a nice drive. You just might win the big prize!

See you all on the road, and thanks for your continued support, and Drive safe!!

Ed

PPCC FISHING CRUISE & PICNIC Monument Lake, CO

submitted by
Ed Halpin

Saturday, May 17th turned out to be a fantastic day for some early morning fishing and a heck of a nice Club BBQ.

Cheryl and I started out from Castle Rock around 6:30am to ensure we had a chance to claim a good picnic spot on the lake, for later on in the day. Earlier in the month, I had called the town of Monument to see what the process was for reserving the picnic areas and they said there was no process, first-come, first-served, so we made sure we were there early.

Both earlies and lates made the drive out to Monument Lake. Cheryl Halpin drove the '60, Ed drove a '67 sedan, Darren Darnell brought his beautiful blue convertible, and Nancy Feldman rounded out the bunch with her maroon coupe!

The early morning weather was "brisk", but it did warm up quickly. As the lines went in the water, bets were made on who would pull out the first fish, who would have the biggest, and who would wind up catching the most.

First Lines in the Water!!

Cheryl (l) and Darren (r) braving the chilly morning, just waiting for the fish to bite!

As we got started, David & Mary Ellen pulled up, and were quickly in the water as well (their fishing lines, not them specifically) ☺

It wasn't too long before we found out who would catch the first fish; Cheryl!! A nice Brown Trout, measuring in at 13", caught on a bobber line with a live worm. Darren said it looked like it weighed in at about 35 pounds. We decided that was a fair assessment, so we logged the catch and kept on fishing.

Club VP Randy Karl hit the shoreline with us, but didn't drop a line due to no license on hand.

Webmaster Kelina also graced us with her presence and humored Mom and Dad with holding a pole, but wasn't fishing either since she hadn't picked up a license, and generally doesn't like to touch worms. ☺

The lake was now filling up with other anglers, and it was funny to see the other folks switching from their lures to bobbers after Cheryl caught her first fish. Unfortunately for the rest of us, this was going to be the trend for the morning.

(continued on pg. 5)

PPCC FISHING CRUISE & PICNIC, Monument Lake, CO (cont.)

(continued from pg. 4)

It didn't take long for the next fish to be on the line. Once again, it was Cheryl bringing in the catch, this time it was a 10" Rainbow Trout.

And so this went on for the rest of the morning. Cheryl casting, catching a fish, us watching her do her little happy dance, and then doing it again.

With the writing on the wall, several of us hit the cooler and cracked a couple beers or sodas and just enjoyed the scenery.

(l) Kelina Halpin was in good spirits. (r) Ed just kept wondering how Cheryl was catching fish when he was fishing right next to her with nothing.

As the fishing time was winding down, we fired up the grill and got to cooking lunch. Our resident "Grill Sergeant" Randy was raring to go with spatula in hand. On the menu this day were hot dogs and hamburgers, chips and salads (both macaroni and potato), as well as drinks, all provided by the Club for those in attendance.

We had a quick meeting to take care of Club business, and provide reminders for a number of the upcoming events. Then it was time for the fishing awards!

(l) Randy did a great job in making sure we all had our fill of dogs and burgers. (r) Darren was all smiles, even though there were no fish in his bucket.

Official Result of the PPCC Fishing Derby

First Fish: Cheryl Halpin - 13" Brown Trout

Biggest Fish: Cheryl Halpin - 13" Brown Trout

Congratulations!! For her outstanding angling efforts, Cheryl is awarded with a brand new car!! She also took home additional prizes, including a First aid Kit and some shop rags.

(continued from pg. 5)

Closing out the afternoon, it was clear that everyone had a fun time. It was great to see Nancy and her grandson Austin drive up in her Monza. Knowing she had been having issues with fuel system, it was good to see the car, and her, back on the road.

Since that event, I know that David & Mary Ellen have been back down to the lake fishing, and it's on Cheryl and my short list for this month's things to do.

Thanks to all who had the chance to come out. For those of you who missed it, mark the calendars for next year, cause we'll be back out there, with a unified goal to BEAT CHERYL!! ☺

THE FITCH PHOENIX GOES UP ON THE BLOCK

As recently as a few years ago, John Fitch still entertained thoughts of putting his Fitch Phoenix sports car into production. He asked people on the streets whether the design still had its appeal, and he believed any modern front-wheel-drive drivetrain would work well in it.

Those dreams apparently died with Fitch in 2012, however, and his Phoenix went on the auction block last weekend, and beat its estimate, selling for \$253,000, including premiums. Read the full story at:

A HEADS UP ON OBTAINING NEW COLLECTOR TAGS

Sounds like there is a new process at the Colorado DMV, in respect to getting a new set of Collector series plates, so Steve Goodman wanted to share his recent experience with us all so we wouldn't be caught off guard:

"... interesting issue in April, I had to apply for new plates on the '68 and transfer from Ruth. Motor vehicle told me the collector plates would be mailed to me, as the only plate kept on the shelf is now the green/white plate. "Activation" instruction would be included too. Plates arrived and delivered by UPS and left on my front porch in plain sight all day. Needless to say anyone can steal the plates and activate and place on their car in my name. This is statewide." [Steve Goodman]

Thanks for the heads-up, Steve. I need to pick up tags for the '64 here next week, so I'll at least be prepared for the process.

Ed

JOHN HESCO

Condolences

Most of you may have heard by now that John Dawson (President of the RMC Club) and his wife Karen lost their son, Shawn, on May 14th. Shawn was only 28 years old at the time of his passing.

As the Dawson family continues to deal with this tragic event, please keep them in your thoughts and prayers.

30th TRI-STATE CORVAIR MEET, Chama, New Mexico

This year's Tri-State, hosted by the Corvairs of New Mexico crew, was a huge success! For those of you who didn't have the opportunity to attend, please use this recap to see what you missed, and make your plans now for next year's event, to be held in beautiful Durango, Colorado.

Our drive down to Chama was uneventful, which was fine with me as the Hard Luck Award is not one that I aspire to receive.

The '67 4-door ran fantastic, and I used the trip as an opportunity to check out the gas mileage; we averaged 26 mpg going down and almost 30 mpg on the way back. I guess going north was actually going down hill.

Patricia & Garrie Fox

Cheryl & Kelina Halpin

As we pulled in to the host hotel, around 11am Friday morning, there were already a dozen or more cars in the parking lot.

John Wiker met us in the hospitality room, got us registered quickly, and filled us in on the scheduled events. It was clear that the CNM folks had put a lot of work into making this a weekend to remember. Baked goodies lined the wall, and the sales area for T-shirts was organized and ready for business.

Dave Huntoon, and Tarmo Sutt, the President and VP of CNM made it a point to touch base with us, to ensure we had everything we needed. It's the personal touches like that which really make you feel welcome.

Randy & Sara Karl

Kelly & Mary Lynn Westerfield

30th TRI-STATE CORVAIR MEET, Chama, New Mexico (cont.)

Many of us finished off Friday evening by having dinner and drinks at the local saloon, which happened to have live music that night.

Saturday's car show was great. 36 Corvairs were on display, with several that we hadn't seen before, including Jim Reich's 2-door wagon.

David & Mary Ellen Feasel and
Kelina & Cheryl Halpin

Seven different car clubs were represented this year, and as expected, the PPCC had a respectable number of folks on hand (18).

After the car show, there were a couple tour options offered. We opted for the [Tierra Wools Factory](#) tour (picture at the top of the page) where we were introduced to the wool weaving process, from start to finish. An impressive operation, and extremely informative. At the conclusion of the tour, I was asked by our

Steve Goodman

tour host if they could see the cars. Never one to miss chatting it up, I gave the four folks a quick tour of the Vairs, and then we were off to the next adventure.

The banquet was entertaining and the food was excellent. Russ McDuffie did a bang-up job as the event's MC. Great Job Russ!! We had a couple guest speakers from the town council, and then on to the awards. For a full recap of all of the awards, you can check out the CNM site page and look under the "Tri-States" link.

There are a couple awards that I'd like to call out here, one being a special attendance award to Steve Goodman. Steve, along with

David Huntoon, President of the CNM (r) accepts the traveling Attendance Trophy from our M.C. Russ McDuffie (l)

Steve Gongora of CNM, have the unique distinction of being the only two individuals who have attended all 30 Tri-State gatherings. Congratulations Steve & Steve!!

Ruth Goodman was also recognized for her many contributions to the Tri-States over the years. It's clear that Ruth is very much missed by everyone who knew her.

Steve Goodman

The winner of the traveling Attendance Trophy was no surprise, won by the CNM club (picture at the top of the page), with PPCC coming in 3rd, again. We really need to rock the attendance next year in Durango so we pick up that award! For 2016, if we hosted the Tri-State in Colorado Springs, do you think we'd have enough people in attendance to win? ☺

While he didn't win the overall Long Distance award, PPCC members John Hesco and family made their annual trek from Greybull, Wyoming.

This year, John and his wife were accompanied by his daughter and grand-daughter. A great looking family of three generations!

The Boydston Award was presented to Mr. John Wiker in recognition of his love of the hobby living the values tied to that prestigious award.

John Wiker & Jim Pittman

Since I'm a member of all three clubs (PPCC, RMC, and CNM), I was caught a little off guard when called from my seat by Rita Gongora to come up and receive my commemorative sombrero, and do the happy dance as part of the Club's initiation. That was lots of fun!!

The ride home involved picking up a freshly purchased '64 Spyder, but that's a story for another newsletter. ☺ Thanks all for a Great Weekend!!!

MEMBERS ON THE MOVE

Unless you fabricate your own car parts, most every person involved with the Corvair hobby has, at one time or another, reached out to Clark's Corvair Parts.

As luck, and planning would have it, while in Massachusetts last month visiting family, a couple of our newest members, Larry & Dayna Breault, made a trip over to the beautiful hamlet of Shelburne Falls, home to Clark's warehouse and shops. They were nice enough to text me, with a cool photo of Larry out front of their place. ☺

Maybe I can convince them to share their thoughts on the trip in one of the upcoming Drip Lines. Safe travels Larry & Dayna!! Thanks for thinking of us while on the road.
