

# CORVAIR TRACK CLASSIC

*Hosted by Shade's Classic Corvairs*

**Hastings, Nebraska**

Dear Fellow Corvair Enthusiasts -

I hope that this letter finds your club members well. I am excited to tell you about our new track event that I have put together for any/all Corvair race enthusiasts. Beginning on **August 28-30, 2015** we will be hosting the first annual **Corvair Track Classic** in Hastings, Nebraska at our own Motorsport Park Hastings (MPH - [www.racemph.com](http://www.racemph.com)). We are enthusiastic to be able to offer such an amazing track to our fellow Corvair race fans. In 2009, Forbes magazine called MPH one of the Top 10 "Best places to speed in America!" Our two day event will include running on the **2.15 mile/14 turn Road Course, 1/8 mile Drag/"Grudge" racing and 1.0 mile/8 turn Autocross Track**. I am also thrilled to have Lynn Yenke (Don's daughter) attending as our featured guest for the entire race weekend!

We are hopeful to draw Corvair racers from across the country to our Corvair Track Classic. Hastings is literally 70 miles to the north of the center of the United States, so we are truly a centrally located destination. We are roughly 6 hours east of Denver, 8 hours from the Black Hills of South Dakota and 9 hours west of Chicago. No matter where you are coming from, there are vacation/sight-seeing attractions worth visiting.

I am confident that the experience at our race track would be worth the drive. As you will see (registration/info forms enclosed), I have tried to make the fees very attainable by seeking sponsorship for our event. You can also check out our website ([www.shadesclassiccars.com](http://www.shadesclassiccars.com)) for more information and a complete schedule of events. If you have any questions, please feel free to contact me. Thank you for your consideration and I hope to see some of your club members at MPH in August!

Sincerely,

Chris Shade
