MEETING MINUTES - 5/17/2015

There were no formal minutes of the Pikes Pike Corvair Club captured on May 17th at the lake. It was a short meeting, with nothing more discussed than the driving plans to Durango for the Tri-State.

PRESIDENT'S CORNER

By Randy Karl

Greetings,

Our May meeting and Picnic at Monument Lake turned out to be a fun event. I scrounged up some of my old tackle and drowned a worm or two. Kelina brought a friend and the three of us concluded there were no fish in Monument Lake. However, others around us proved us wrong. We had better luck with the picnic and about 16 members and guests enjoy burgers and hotdogs. The weather stayed clear long enough as the clouds rolled in just as we were cleaning up. I will need to invest in some fishing tackle before next year's Fishing Derby.

The 2015 Tri-State was another great success! Our gratitude goes out to Rocky Mountain COR-SA for their hard work to make it a great weekend. Sara and I started out from Colorado Springs on Thursday and were joined by Chris Kimberly in her convertible and Mary Ellen and Dave Feasel in their Greenbrier. Our trip was smooth with clear skies until we reached Gunnison where we ran into some rain and high winds. Ask Dave how the Greenbrier handles in windy conditions? I think we were all surprised by the wind. Fortunately Chris had put up the top

on her convertible by then. We passed through Montrose (Future site of the 2016 Tri-State) and then south on highway 550 through Ouray and Silverton. It was quite fun driving through the mountain passes but quickly discovered I wish the Powerglide had more than two gears. On Friday Sara and I rode the Durango-Silverton NG Rail-Road to Silverton for the first time. I'm glad we got to do that after all these years in Colorado. The weather was wonderful for the Saturday Show-N-Shine where I counted 32 Corvairs. It's always fun to look over the cars and note the personal touches in each one. The People's Choice award went to Mike Head and his 63 Rampside. We took a more conservative route back on highway 160 to Walsenburg and I-25 north. I was pleased how well my 68 ran though the mountain passes and on the Interstate. All totaled I added 718 miles round trip without a lick of trouble.

RMC is formalizing plans for their August Picnic at the Wings Over the Rockies Museum on August 23rd. This will be a catered event and the cost will be \$10 per person. RMC has generously offered to cover any cost over \$10 for both RMC and PPCC members. Please check your calendars and we'll discuss this at our meeting.

We're looking forward to the summer activities!

Drive Safe.

Project Update: Halpin's Sedan Gets a New Look

After more than a year of planning and prepping, Ed Halpin's '67 4-door finally made it in, and out of the body and paint shop.

One interesting thing noted during the process; after having the doors blasted and sanding the car down to bare metal, it was clear that it

had been in at least two significant collisions, one on each side. Wouldn't have known it from the Bondo which was on the car.

Today, the body is straight as a razor on both sides, courtesy of Wicked Custom Classics in Castle Rock. Ed will spend the next couple weeks putting the car back together. Another newsletter story to follow, no doubt.

2nd Annual PPCC Fishing Derby & Club Picnic - Monument, CO

Pictures provided by
Randy Karl and Kelina Halpin

On May 17, 2015, several brave souls ventured out in the early morning hours to support the Club's 2nd Annual Fishing Derby.

President Randy Karl got there early to fish and lay claim to the picnic area, which would serve as PPCC headquarters for the day.

Randy Karl surveys the fishing situation. He knows there are fish in the lake, but how do we get them out? ☺

Kelina Halpin brought her fishing license, and a friend (Salima) to haul in the biggest catch of the day! Good thing both ladies brought a positive attitude, cause there were no fish being caught by any of the PPCC members that day! ☺

Kelina Halpin (r) and her friend Salima got there early, fished all day, but wound up empty handed.

Regular attendees for just about every event, Chris Kimberly (l) and Ray Schick (r) enjoy some food.

The fishing adventure was followed by a very nice picnic where a sizable group of members and their guests enjoyed the nice weather, conversation, and some good food.

Webmaster Kelina has posted a bunch of pictures that both she and Randy Karl took during the event. Please go to the Club website, under Past Events to take a look (<http://www.corvair.org/chapters/chapter809/pastevents/2015/fish2015.html>)

Tri-State Gathering in Durango, CO

Pictures provided by Randy Karl,
Dale Nielsen, Kelina & Ed Halpin

This year's Tri-State Meet was put together by the Rock Mountain Corsa Club, and as always, they did a spectacular job of hosting the event for all of the participants to enjoy.

A great big Thanks to President John Dawson and the entire RMC crew. To call out a couple folks who really made the event a great success; Mr. Tim Shortle, who not only offered up his hometown of Durango to be the host city, but did a large part of the boots-on-the-ground coordination. His partner in this effort was Mr. Paul Seyforth who ran down leads, coordinated the dance for the supporting cast of characters, which included Joan & Laura Wilshire (registration) Christy Barden (MC for the banquet dinner), and Jonni Berkman (working the 50/50 tickets). I know I'm

missing props for about a dozen other folks who supported the event, behind the scenes, so thanks again, to everyone who put the gathering together.

Lots to cover this year, so we'll break it down in sections;

Getting There: Of the 35 Corvairs which made the trip to Durango this year, 9 of them were driven by members of the PPCC. Some folks took their favorite route, while others took a new path, just to enjoy the scenery and test their car.

A four member group, which included Christine Kimberly, Ray Schick, David & Mary Ellen Feasel, and President Randy Karl, headed out on Thursday, ahead of the pack, to enjoy an extra day tagged onto the front of the trip. At one point in the trip, they came across a local Drive-In theater, where they turned in, secured permission from the Manager, and took some pretty cool

pictures. Then it was off to tackle Red Mountain and Molas Pass, where they found some rain, then sleet, and lots of wind. David had quite the adventure driving the Greenbrier down the Pass with the wind howling. They all made it safely to the hotel, without incident.

The Halpin's '60 Monza Coupe

The Halpin crew had planned to bring two cars, but in the end, the '60 Monza made the trip, along with an X-brand following along, to ensure fishing gear and suitcases were stowed for use in Durango. No issues with the car, which ran great, but Wolf Creek Pass presented a bit of a challenge for the little 80 hp / Powerglide. At a respectable, and stable, 35mph, the little engine that could, did, and the Halpin crew made it to Durango without any problems.

No issues were reported by any of the other members of the PPCC road crew.

Steve Goodman's '68 Monza Coupe

Being There; From the time we checked in at the registration desk, to the time we checked out of the hotel, the weekend was packed with good conversation, good food, and lots of fun.

Saturday morning, we had the Show & Shine down by the VFW hall. In total, there were 35 Corvairs, by registration, and one local who

William & Trezjna Pearce's '61 Lakewood

stopped by to show his late model coupe. It's always fun to look at the cars, especially the "new" ones you don't typically see at other events. Tim Shortle brought out several of his

David & Mary Ellen Feasel's '62 Greenbrier Van

Corvair, including a Rampside, a camper van, and a very clean, original '67 4-door with air conditioning.

I had the pleasure of chatting it up with most of the PPCC folks in attendance, including Garrie & Patricia Fox, Jon & Debbie Anderson, Steve Goodman, Ray Schick, Christine Kimberly, Wayne & Bonni Russert, Randy & Sara Karl, and

Christine Kimberly's '64 Monza Convertible

David & Mary Ellen Feasel. I especially enjoy getting to catch up with John & Marilyn Hesco, who make the drive down from Greybull, Wyoming each year, and William & Trezjena Pearce who brave those mountain passes out of Delta, just to hang out with all of us each year. Thanks everyone for coming out again this year!!

After we wrapped up the car show, folks got fancied up for the banquet, which was held at the local Elks Lodge. A great old building with a lot of history, and charm, it was a great site for the evening's festivities.

Tri-State Gathering in Durango, CO (cont.)

Garrie & Patricia Fox's '65 V8 Corsa Coupe

Tri-State Gathering in Durango, CO (cont.)

This year's recipient of the **FRANCIS BOYDSTON AWARD** was RMC member Eric Schakel. It was great to see Eric honored for all of his efforts in keeping the Corvair hobby alive, and for all of the help and support he provides for members of the Club. Eric has been a tremendous resource and inspiration to me over the years, and it was great to see a good friend receive the due recognition. Congrats Eric!

The "Traveling Trophy For Tri-State Attendance" once again went to the Rocky Mountain

CORSA club with 50 folks in attendance. Corvairs of New Mexico had 41 folks in attendance, and the Pikes Peak Corvair Club had a total of 23

The big money winner of the night was Larry Yoder (RMC) who won the 50/50 raffle and took home \$252.00!!.

Total registration for the banquet this year was 123 Adults and 3 Children, which I believe may be a new record. The event drew participants from Arizona, California, Colorado, Kansas, New Mexico, Oklahoma, Oregon, Utah, and Wyoming. What a weekend!!

Chris Kimberly won one of the banquet dinner centerpieces, created by RMC member Karen Piper

One of the local attractions was the Durango/Silverton Narrow Gauge Railroad

Tri-State Gathering in Durango, CO (cont.)

Getting Home; As folks headed back to Colorado Springs, Peyton, Delta, Denver, and Castle Rock, they left at different times, and took various routes. One route took the Halpin crew through Alamosa and out to the Great Sand Dunes National Park and Preserve, located in the San Luis Valley. It was a nice break in the drive, and really something to see. Since grandson Gabe was along for the ride, this made for a nice addition to his trip journal (as homework for school). With the snow melt in full force, the surges/pulses of water running through the Dunes was a foot deep in some areas. With the sunbathers and kids playing in the water, you would have thought it was the Jersey Shore. ☺

We (the Halpins) did get caught in a hail storm on I-25, going through Pueblo, which was an

adventure in itself (I didn't realize that my '60 had so many opportunities for water infiltration - another project to put on the to-do list), but we all made it home safely.

See you all in Montrose next year as the PPCC hosts the 2016 Tri-State!!

Webmaster Kelina has posted some pictures of the Tri-State to the Club website. On the Past Events page, click on the Tri-State link (<http://www.corvair.org/chapters/chapter809/pastevents/2015/tristate15.html>)
