

## NEVER TOO "YOUNG" TO DRIVE A CHEVROLET!

Mr. and Mrs. Joseph E. McLaughlin, 285 W. Main Street in Mt. Sterling, is proof of the pudding. Orland Hays, Brandenburg Chevrolet-Buick salesman is shown presenting Mr. and Mrs. McLaughlin the keys to their 1966 Corvair Monza.

Mrs. McLaughlin is 89 years old, while her husband is 85 and they both drive and are very proud of their new Chevrolet.

This represents the oldest couple ever to purchase an automobile from Brandenburg's in their 40 years in the automotive business. Also, congratulations to Mr. Hays who is in his 27th year of selling cars at Brandenburg's. Like he says, "You never grow too young to drive a Brandenburg Chevrolet."
