Dan Wilshire Picnic by RMC...the Green's and Steve Goodman attended.

Sat., Sept 2 is First Saturday Car Show. PPCC is hosting club for this date. PPCC and RMC members planning to attend. Panera Bread is meeting place for the Corvairs btwn 6:00 and 6:15 am so group can go in together. Show is 8-10am. In the last 3-4 years the club has gotten a lot of new members, all due to our increased visibility. That is why this car show is so important for the club.

A possible new member from Texas is planning to attend the 40th Anniversary party.

Randy has three Clark's catalogs available.

New Business

40th Anniversary party is Sunday, Sept. 17 at Biaggi's at 1:30. Family-style menu with hor d'oeuvres. Volunteers needed to drive charter members to the event.

The Glusick's stated that the club memorabilia was kept at the AFA NCO club, the meeting place at the time. A fire at the NCO club destroyed all but two of the books. The two not destroyed were in the Glusicks possession.

Ed Halpin updated the group on the cutaway car issue and the timeline of events to date. Working hard to regain possession of the car, and ultimately donate it to the Preservation Society along with the history of the car and its ties to the PPCC.

Sept. 24 is the fall tour with RMC at Jan's Family Dining in Buena Vista.

Sept. 28-Oct. 1 Great Plains Roundup in OKC.

Tony and Diane Lawler attending GWFBT&SM in Palm Springs that same weekend.

John Neal asked who can attend the Anniversary party. Prospective members, friends of members are welcome. \$20 a person to be paid in advance,

Ed had a show and tell. Showed group a frayed clutch cable from his car. Question was why it was weakened. Took it to Steve Goodman who dissected it and found that new clutch cables have 1/3 less strands than an original cable.

Randy is installing new carpet in his car. A Noico product for sound deadening. 85 db is the current noise level, will see if there is an improvement.

Meeting adjourned at 10:40.
